Newellton Society Notes.

HUGO JERESLAW, Correspondent.

Mr. C. C. Farrar was a business visitor to Natchez this week.

Mr. C. D. Woddall spent several days at Port Gibson this week where he went on business.

Reports from Mr. L. C. Kell are encouraging and it is expected that he will be able to return home soon.

Hon. Thos M. Wade, Superintendent of Education of Tensas parish, was a visitor to Newellton this week.

Messrs. E. C. Grace and J. D. Fultz, representing the First and Second Wards, respectively, attended the special meeting of the Police Jury, held on Tuesday.

Miss Martha Puryear, who was taken to Natchez last week, to be operated on for appendicitis, underwent the operation most successfully and is reported doing well, which is most pleasant news to her many friends.

Mr. A. Salomon went to New Orleans this week to visit his daughter, Mrs. Herman Goldberg, and from there he will go to Jackson, Miss., to visit another daughter, Mrs. Levy Morris, and from which place he will go to New Orleans.

Mr. Adolph Elgutter, of Baton Rouge, was a visitor to Newellton for several days this week, combining business with pleasure. His many friends were delighted to see him looking so well and hope his visits will not be so far apart in future.

Mr. Joseph Isaacs and family have returned from New Orleans, where Mrs. Isaacs has been in a sanitarium

for some time. It is with pleasure that we announce that she has fully recovered her health, which is most gratifying to her many friends.

The alarm of fire was sounded, Tuesday evening, when a flue at Dr. J. D. Rogers' house was seen to emit flames. The Volunteer Fire Department responded at once to the summons, but the flames were extinguished before their arrival upon the scene. Another fire occurred on Thursday about mid-day and was confined to the colored section of town, and which but for the heroic work of the fire boys might have assumed serious proportions. Their prompt arrival upon the discovery of the fire and determined fight soon got the flames under subjection and the loss was slight.
