Mr. Rickett, of New Orleans, was a week-end visitor to St. Joseph.

Mrs. Geo. Dorsey, of Jackson, Miss., is visiting her sister, Mrs. W. R. Baker.

Mr. and Mrs. Ralph McNeely of Natchez were guests this week of Mr. and Mrs. A. M. Smith.

Misses Gertrude and Mamie Bowman have returned from the State Normal for the summer.

Little Misses Mollie and Elizabeth Drake left this week for a visit to Mrs. Day at Jackson, Miss.

Mrs. Jas. A. Clinton of Natchez is visiting her mother-in-law, Mrs. Lizzie Clinton, in St. Joseph.

Mr. Adam Anderson and two sisters, Misses Flora and Annie, spent Sunday in St. Joseph with Mr. and Mrs. Jno. G. Blanche.

Miss Marjorie Davidson has returned to St. Joseph and during absence of her family is visiting her aunt, Mrs. W. J. Steen.

Mrs. G. H. Clinton left this week for a visit to Wisconsin, where she will join a vacation party of friends and relatives for a few weeks.

Mr. W. B. Mangum of Natchez, was a visitor to St. Joseph Sunday. Mrs. Mangum, who has been visiting here for some time has returned to Natchez.

Mrs. Annie Young and Miss Lena Henderson, who are living in Tennessee, are visiting their grandmother, Mrs. Laura Bondurant, and other relatives here.

We regret to chronicle the illness of Mrs. Lizzie Clinton of St. Joseph and Mrs. Magruder Adams of Locust Ridge. Both ladies were confined to bed this week. We sincerely hope they will soon be convalescent.

Miss Bessie Clarke accompanied her father to Natchez last week to attend the funeral of his sister, and her aunt, Mrs. Wm. C. Yeager, whose death was chronicled last week. Miss Bessie is still in Natchez with relatives.

Miss Elizabeth Davis, of New Orleans, has accepted the position of telegraph operator for the Western Union at St. Joseph. Miss Davis is located with Mrs. Kate Johnston. She is extended a cordial welcome to our town.

Mrs. Clifton Child, of Bovina, Miss., spent several days in St. Joseph this week with her father, Mr. Geo. N. Clarke, and brother, Dr. Geo. N. Clarke. Mrs. Child's friends in this parish—her former home—were delighted to see her looking so well.

Mrs. Annie Crothers and daughter, Miss Elizabeth Crothers, have returned home after a stay of several weeks at Natchez, where Miss Elizabeth underwent operation for appendicitis. We are glad to learn she is feeling very well and we hope will soon be fully restored to health again.

Rev. J. T. Saile, Presbyterian Missionary Preacher, visited St. Joseph last Sunday and conducted services morning and evening, delivering two very fine and intellectual sermons. Rev. Mr. Saile announced that he will visit this work regularly on the second Sunday as long as we are without a Presbyterian pastor.

Mrs. Beaubien, post-master at St. Joseph, has requested us to announce that beginning Sunday the general delivery will close at 10 o'clock instead of 10:30 as heretofore. The earlier arrival of the south-bound enables them to open the mail earlier, which warrants earlier closing of the window, thereby enabling the force to attend morning service, which until now has been difficult.

The dance given at the Masonic Hall on Thursday night was a most pleasant affair and was largely attended, there being visitors from distant points in both Louisiana and Mississippi. The music was furnished by the Lorman String Band, and which is composed of unusually good talent and discourses beautiful music. At mid-night refreshments were served and dancing continued until nearly morning.

We regret very much to learn that Dr. H. S. Trice has been compelled to leave St. Louis on account of ill health and is now with his parents at Tupelo, Mississippi. His uncle, Dr. J. G. Lilly, was called to Tupelo this week to see his nephew. Mrs. Lilly and Jack are visiting at Natchez during the doctor's absence. The many friends in this parish of Dr. Trice will learn with much regret that his falling health has compelled his retirement from his practice for the present and sincerely hope his indisposition will be only temporary.

Mr. W. F. Dixon, who is connected with the circulation department of the Natchez Democrat, now a morning paper again, and by-the-way one of the best dailies in Mississippi, was a visitor to St. Joseph this week in the interest of that enterprising journal. We understand Mr. Dixon met with great success and booked a number of subscribers here. He is working the territory as far up as McGehee on the M., H. & L. The Natchez Daily Democrat should have liberal support in this section as it is the earliest daily to reach us along this line by about eight hours, and having full leased wires it contains the latest news from the outside world, including the latest market reports. The subscription price is but \$6.00 per year.

WANTED—A RELIABLE CLERK.

Good salary assured and position probably permanent to the right man. Must be a good salesman and stock-keeper, temperate in habits and attentive to business. As opening is a good one, none but a good man need apply. Address, X. Y. Z. Care Tenness Gazette, St. Joseph Louisiana.

THE TENNAN GAZETTE JOB OFFICE.

We take pleasure in announcing that the Tenness Gazette has equipped a thoroughly modern job printing plant and is now ready to do any form of job work. We are catering especially to high class work, such as visiting cards, office stationery, and all lines of commercial printing. We have a full line of select paper in stock and will be pleased to display samples on request. We guarantee work to have as fine a finish as can be obtained elsewhere and prices will be as moderate as stationery market will permit.

We wish, however, to make one statement that we trust will not be misconstrued or misunderstood. While we have gone to great expense in establishing our job office and wish to get all the business possible, we want no work where collection may be difficult. The high cost of stationery, with our limited capital forbids credit accounts. We do not mean by this to say that all orders from our old friends and customers must be accompanied by cash. But we do mean that 30 days is our limit and we trust we will have very few accounts requiring so much time. If we cannot collect for our work within reasonable time same will be without profit to us, as labor and stationery, etc., must be paid for promptly.

We also want to make another statement which we also trust will not be misunderstood. The price of unprinted stationery to-day is from 50 to 500 per cent above market quotations of two years ago. The awful war now raging in Europe is responsible for the great shortage of paper that has become so acute throughout the United States. Fortunately labor has remained almost normal, but prices on printed stationery must be in keeping with the cost of the unprinted article. The profit to the printer will be no greater to-day than that obtaining before beginning of the war, but the cost to the consumer will be considerable more as compared to quotations before the war began.

With this announcement we offer ourselves as candidates for job printing, assuring satisfaction and guaranteeing prompt delivery.

THE TENNAN GAZETTE.

Bishop Sessums to Visit St. Joseph and Newellton Sunday.

Right Rev. Davis Sessums, Bishop of the Diocese of Louisiana, will visit St. Joseph and conduct service on Sunday morning at 11 o'clock and in the afternoon will go to Newellton, where he will also conduct service at 5 o'clock in the evening.

Mrs. E. M. Stanley visited her sister, Mrs. Murray, at Vidalia, this week.

Mrs. Lous Buckner has returned from a short trip to Natchez. She was accompanied home by her sister, Miss June McDowell.

Miss Willie Lewis has returned from Knoxville, Tenn., where she has been attending the summer normal at the University of Tennessee.

Mrs. A. B. Ratcliff and two interesting little boys, Master Bonds and Vernon, have returned from a visit to Brown's Wells and Washington, Miss.

The municipal authorities are having the gutters about town cleaned out, the grass cut and all the garbage carted away, which adds greatly to the appearance of our town.

We regret to learn of the unfortunate accident that befell Mr. I. N. Hunton late Friday evening when he unfortunately rocked of the gallery at his house, the fall being about six feet. Mr. Hunton was picked up unconscious by friends who went to his assistance, and a physician was summoned. We are glad to learn that no bones were broken, though the old gentleman was considerably bruised and one arm was sprained. He is now able to be up and about.

Mrs. Swallow entertained a number of her friends Saturday evening at a lovely Five Hundred Party given in compliment to her guests, Misses Dell Madison, Eleanor Jones, Nell Swallow and Mr. Spencer Jones. The elegant country home was beautifully decorated, the screened porch being brilliantly illuminated with Japanese lanterns radiating twinkling lights in midst of garlands of evergreen, choice cut flowers and Southern moss. Four tables were filled, the games being as exciting as they were pleasant. Cooling breezes from the silvery lake, popular in fiction and poetic in fancy, cooled the sultry air and made the occasion delightful. Mrs. Swallow's guests besides the honorees were: Misses Ruby Hornsby and Margaret Beaubien, Mr. and Mrs. D. A. O'Kelly, Mr. and Mrs. O. L. Watson and Messrs. Fred Blanche and Curry Macpherson. Tempting refreshments consisting of sandwiches and loaves were served, and greatly enjoyed. The lady's prize was awarded to Mrs. O. L. Watson and the gentleman's to Mr. Spencer Jones, while the consolation fell to Mr. Fred Blanche. Altogether the evening was most delightful and will long be pleasantly remembered by each and every guest.

NEWELLTON NOTES.

Mr. Henry Lang is visiting his parents in Alabama for a few days. Miss Rosa Elgutter has returned home from a most delightful visit with relatives at Waterproof.

Mr. A. B. Ratcliff, Levee Inspector for Tenness parish, was a visitor here this week on official business.

It is rumored that oil drilling will be resumed on the Blind lease soon. We sincerely hope good results will reward the efforts of the promoters.

Mr. T. E. Lawrence, of "Paradise" plantation, left this week for a visit to his old home at Mooresville, Indiana. Mr. Lawrence seems well pleased with prospects here this year and is optimistic about the future.

Mr. J. T. Gorton returned this week from New Orleans, where he recently underwent an operation, and which, we are glad to say, was most successful, and his neck, the affected part, is now healing rapidly, and he expects to soon be fully recovered.

Mr. D. Rosenbaum, an old respected citizen of our town, who has been engaged in business here for a number of years, has gone to New Orleans, where he will reside in future. His many friends in this parish wish him happiness in his new home.

The Tallulah and Newellton base ball teams will cross bats here next Tuesday in a match game, and the public is cordially invited to come out and see our boys "wallop" the visitors. A big Bad Scott dance will follow at night at old Murdoch Hall, to which also the public is cordially invited. A good time is assured and a big attendance promised.

Mr. Adolph Elgutter, of Baton Rouge, was a visitor here this week, and spent several days looking after his planting interests. Mr. Elgutter is very enthusiastic in regard to this year's prospects and believes the cotton crop will be much better than some are prone to think. His friends were delighted to see him and only regret that his stay with us could not be longer.

The levee outfit of Mr. Frank Constant arrived this week and camp has been pitched at Cottage Home, below St. Joseph, which levee is to be enlarged. Mr. Laiche has charge of the work.
