 Mr. and Mrs. Wolf Pasternack, of Ferriday, motored up to St. Joseph last Sunday and spent the day with Mr. and Mrs. Louis Blackman.  
 Rev. Geo. Fox and Mrs. Fox and little son, Master George Andrews, spent last Sunday at St. Joseph as guests of Mr. and Mrs. German Baker.  
 Mr. Wallace Paul is enjoying a month's furlough from the National Soldiers' Home at Johnson City, Tennessee, which he is spending with his mother at St. Joseph.  
 Mr. and Mrs. J. A. McCoy and Dr. T. L. McCoy and Miss Sadie Riggs of Alto, La., stopped at St. Joseph Tuesday night while motoring back home from a visit to Natchez.  
 Mr. Spencer Jones left for Jackson, Miss., where he goes for second examination for enlistment in the U. S. navy. He will probably be sent to Norfolk, Virginia, for training service.  
 Mr. W. T. Lanuis, who is at present employed at Monroe, was a visitor to Waterproof and St. Joseph this week, having come to attend the commencement exercises of Waterproof High School.  
 Mr. and Mrs. E. C. Grace and children, Mr. and Mrs. E. E. Morris and daughter, little Miss Jennie, Miss Rosa Egutter and Miss Lucille Jacoby motored down from Newellton for couple hours visit Monday evening.  
 Dr. J. G. Lilly with Dr. Alfred Lewis, interne at Natchez Charity Hospital, was visitor to St. Joseph this week. Dr. Lewis is a brother to Miss Brunette Lewis of our town and came up to bid his sister good-bye before enlisting as a surgeon in the U. S. army.  
 Mrs. W. M. Davidson and daughter, Mrs. Baxter, and her little son, Master Beverly Baxter, and Mrs. R. H. Whitney and son, Master Richard, and chauffeur, Griffin Nellum, left, Wednesday, on a long and delightful automobile trip to Washington City. They will be away several weeks.  
 The Gazette is indebted to Miss Ruby Smith and Miss Alma Marlow of the class of 1917 for invitation to attend the graduation exercises of the St. Joseph High School on the evening of Thursday, May 31st, at the Masonic Hall. The young ladies have our congratulations on their graduation.

Mrs. H. U. Morgan and children of Vicksburg have returned home after a pleasant visit to Mrs. Helen Abraham in St. Joseph. Mrs. Abraham also had as her guests, her daughter-in-law, Mrs. Salo Abraham, and her infant daughter, of Vicksburg, and her sister-in-law, Mrs. Rosa Jacoby, of Waterproof.  
 The entire parish has suffered for rain for some time but on Monday night the northern section was visited by a very good rain, but which did not extend down as far as St. Joseph. A sharp wind blew the same night and twisted a huge limb off a big tree in the Court House yard, but did no other damage.  
 Mrs. R. L. Wimberly attended the commencement exercises of Jefferson Military College at Washington, Miss., this week. Her son, Robert Wimberly, Jr., is an under-graduate of this famous old college, one of the most renowned institutions of learning in the South and which has given to the nation some of her ablest statesmen.  
 Messrs Robert and Bracket Owen of Paducah, Kentucky, who have recently purchased the "Helena" plantation, in the 6th ward, were visitors to St. Joseph this week, and were accompanied by Dr. H. M.  The Rev. Walter Lennie-Smith of Alexandria will be with us again next Sunday and will hold communion service at Christ Church at 7 o'clock a. m. but will dispense with the 11 o'clock service that his congregation may have opportunity to attend the Union Church to hear the baccalaureate sermon to be delivered by the Rev. Dr. Wynn of Shreveport to the graduating class of the St. Joseph High School. The Rev. Mr. Lennie-Smith will have service with sermon at 8 o'clock in the evening.  
 Hon. L. E. Thomas, Chairman of the Board of State Affairs, visited St. Joseph on Saturday last and addressed the Police Jury and the people of Tenass Parish on the subject of assessment. Mr. Thomas' address was most entertaining and instructive and completely wiped out any feeling of prejudice which those present might have had against the Board, its methods and its objects and purposes. Mr. Thomas proved conclusively that there has been a great deal of tax dodging in Louisiana and if the State Board can succeed in correcting this evil, it will have done a great work for Louisiana.

**LIBERTY LOAN MEETING.**  
 A large and patriotic mass meeting of the representative citizens of the Parish was held at the Court House to-day, in compliance with a call for such meeting issued by the President of Police Jury.

The battle scenes in the Selig super-dramatic spectacle, "The Crisis", made from Winston Churchill's great Civil War story, were made on the original fighting lines at Vicksburg. The entire Mississippi National Guard was employed, and many old Confederate veterans assisted the director, Colin Campbell, to secure historic accuracy. At St. Joseph Electric Theatre June 6-7.  
 The Gazette acknowledges receipt of an invitation to attend the graduation exercises of the Louisiana State Normal, at Natchitoches, to be held on Monday morning, May 28th, at 9:30 o'clock. The class of 1917 contains 119 graduates, and among these we find Miss Mabel Cooper Rowan and Miss Josie Vance, and whose cards accompanied the invitation. Miss Rowan is the youngest daughter of Mr. and Mrs. Chas. H. Rowan of this parish, and Miss Vance is the daughter of Mr. and Mrs. Carl Vance of Vidalia. We congratulate the young ladies on their graduation at the Normal and predict for each a successful career as a teacher in the schools of their native Louisiana.

Miss Gladys Snyder, daughter of the late and lamented Hon. R. H. Snyder, of this parish, and who is now living in New Orleans, has become identified with Philip Werlein, Ltd., the music dealer of the Crescent City, and desires to cater to the trade from this her native parish. Miss Snyder will be glad to receive orders from any of our people for anything in line of musical instruments, sheet music, etc., but especially for pianos. She is a highly cultivated musician and will be glad to give her friends here the advantage of her talent and position to make good selection of whatever instruments they may purchase. She hopes to hear from many of her old Tenass friends.  
 Colin Campbell, who first became famous by directing that enormously successful feature, "The Spoilers," and later Rex Beach's "The Ne'er Do Well," will go down in film history as the director of Selig's super-dramatic spectacle, "The Crisis", the Civil War romance from Winston Churchill's widely read novel. At St. Joseph Electric Theatre, June 6-7.
