THE LIBERTY LOAN.

The second issue of the Liberty Bonds will be on sale from October 1st to 27th inclusive.

This issue, in all probability, will be in excess of the first. So be prepared to do your "bit" and buy a Bond!

Local salesmen will give you a personal call and will offer you every convenience to do your patriotic duty.

On October 1st the gong will sound! Be ready! Buy a Bond and "help win the war!"

More details can be gained from the proceedings of mass meeting in this issue.

SECOND DRIVE.

Liberty Loan Bonds.

Pursuant to call of the President of the Police Jury, an enthusiastic mass meeting was held at the Court House, in St. Joseph, on Thursday the 27th inst., to perfect plans for the second campaign for sale of the Liberty Loan Bonds.

The meeting was called to order by Hon. F. H. Curry, chairman, and on motion, duly seconded, E. F. Newell was elected secretary.

On motion, duly made and seconded, the President of the Police Jury was elected as County Sales Manager. The chairman then appointed as Deputy Salesmen in each ward of the parish the following persons to solicit subscriptions to said Bonds, to-wit:

1st Ward—E. C. Grace, F. L. Guthrie, Henry Isaacs and C. V. Ratcliff.

2nd Ward—W. H. Aly, M. Jacoby, C. L. Clark and W. W. Burnside.

3rd Ward—W. M. Davidson, Judge E. R. E. Kimbrough and G. H. Clinton.

4th Ward—Wiley Cavin, S. W. Smith, A. H. Anderson and Richard Lynch.

5th Ward—C. L. Beisel, M. S. Kaufman, A. B. Knowles and D. H. O'Kelley.

6th Ward—Louis T. Hunter, C. D. Brigham, G. C. Goldman and R. C. Lancaster.

7th Ward—E. D. Coleman, D. F. Miller, D. Stone and D. V. Edwards.

The chairman appointed the following Publicity Committee, viz: R. C. Lancaster, E. E. Morris, Julius Salomon, H. L. Smith and Chas. E. Wilds.

The secretary was instructed to notify the various committees of their appointment and to give them information as to their duties.

And the meeting adjourned.

Mr. George Kincaid, who has been with us for the past year as telegraph operator for the Western Union, was this week transferred to Marianna, Arkansas, which is a larger office, with correspondingly larger salary. Mr. Kincaid is succeeded at St. Joseph by Mr. King Whitten of Paragould, Ark. We regret very much to lose George from St. Joseph, as he has always been devoted to his work and courteous to all patrons, while his gentlemanly conduct has won him many friends among our people. Mr. Whitten is a splendid young man and gives promise of making an efficient operator and we are glad to welcome him to our town.

One of the features of "The Million Dollar Doll", which will appear at the Baker Grand on next Monday, October 1st, will be the illuminated "Runway" on which a number of the songs and dances will be given, over the heads of the audience. The "Runway" is one of the latest novelties and brings the company and audience in close touch with each other, breaking down that barrier, known as "behind the foot-light." This novelty has proved a veritable sensation in many of the cities, and some of the "Runway Numbers" have received as many as 8 and 10 encores a night. This is only one of the many new and novel features presented in this new musical comedy, which has been heralded as the most pretentious musical offering of the day.

The reader of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System, thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list testimonials.

Mr. R. O. Lancaster of Waterproof was a visitor to St. Joseph this week and told us that he has just returned from a trip to Detroit and Flint, Michigan, where he went to visit the Maxwell and Buick automobile factories and to secure another shipment of cars to Waterproof. His firm, Brigham & Lancaster, agent for the Maxwell and Buick cars, has succeeded in getting two car-loads of Buick and one car-load of Maxwell shipped and which have already been received at Waterproof. All are four or six cylinder cars and are all beautiful, charming and exquisite and to see is to covet, and they are for whoever has the price!

The Gazette has been requested to announce that a meeting of Providence Lodge, No. 18, Knight of Pythias, will be held at their Castle Hall on Tuesday, October 2nd, when the Amplified Form of the Third Degree will be conferred on a large class, many of whom are from Newellton and around Lake St. Joseph. Past Grand Chancellor Compton will be present and will confer the degree. Following the lodge meeting a banquet will be served at the Opera House, when addresses will be delivered. All brother Pythians in good standing in Tensas and other neighboring parishes are cordially invited to attend and a good time is promised.

To negative any statement that the colored population of Tensas parish is not patriotic and fully imbued with the desire to serve their country in this time of war along any lines within their power, we take pleasure in submitting the following names and contributions to the Red Cross fund from colored citizens of this parish:

Collected by Paris Dixon.....\$ 1.00
Collected by Hattie Lemons..... 1.50
Collected by Mattie Wadley..... 4.10
Contributed by Pride of Tensas Lodge
K. of P. 2.00
Contributed by Pride Court, No. 22..... 2.50
Contributed by Moses Dixon, No. 418..... 5.00
Masonic Lodge No. 29..... 2.50
General contributions collected by G. H. Woods..... 7.70
\$28.40

The work of getting up these collections for the Red Cross among the colored population was entrusted to a committee of which G. H. Woods was made captain and John Henry Jones was made secretary. They have rendered a good account of their stewardship.

Your Wife Can Use It. If you are away from home and one of your horses takes the colic your wife can treat him if she has Farrie's Colic Remedy in the house. It is easy to use. Just drop it on the horse's tongue and in thirty minutes he is relieved. Get it to-day. You may need it tomorrow.

We are thankful the Gulf disturbance did not reach this section.

Ten Boars ready for service will be sold for the high dollar. Five are sired by "Garnet Defender", first prize under year pig at the Louisiana Delta Fair, 1916. Five are sired by "Sensational Defender", grand champion of four State Fairs in 1916—Indiana, Tennessee, Alabama and Georgia. This lot of boars will be in ordinary growing condition. They will not be loaded with fat as I do not think it best for a Herd Boar to be forced too much. If you are in need of an Extra Herd Boar be on the Sale Grounds when sale starts at 2 o'clock, p. m. October 3rd.

Better Own Than Rent Land

Better take some of that cotton money and make a payment on a farm home of your own. Having more land than we care to cultivate we would sell about 350 acres out of the well and favorably known Belle Ella and Troy plantations in tracts to suit from 40 acres up. On the Texas road in Tensas parish, about five miles from Waterproof. Let us tell you about it. EDGAR W. WHITMORE, Waterproof, La.
