Reports from the lower part of the parish are very discouraging as relates to boll weevil, as the pest is said to have appeared in great numbers despite the warm weather we have had.

### St. Joseph Electric Theatre.

Monday, July 8.—"The Menace."  
Friday, July 12.—"The High Sign."  
Monday and Tuesday, July 15-16.—"Over the Top" with Arthur Guy Empey.  
Friday, July 19.—"Madam Spy."  
Monday, July 22.—"Other Man."  
Friday, July 26.—"Phantom Riders"  
Monday, July 29.—"Woman Between Friends."

Each picture with the exception of "Over the Top" will be accompanied by a news reel—on Monday nights Current Events and on Friday nights Universal Weekly, to which the usual price of 27c and 18c, plus 3 and 2 cents war tax, will be charged.

Special attention is called to the 10-reel Vitagraph super-production, "Over the Top" with Arthur Guy Empey. This picture is rightfully considered the greatest patriotic drama of the war and is also credited with being the strongest propaganda picture ever made with the assistance of the War Department.

The serial story "Over the Top" is now running in the Gazette, the opening installment beginning this week. The picture, however, will be complete in the one production, but we would suggest that all who expect to see the picture endeavor to read the story beforehand, as same will add to the comprehension of the picture. It is to be hoped that no one will miss this treat, as the picture affords us non-combatants opportunity to actually see the hardships that are endured by our soldier boys, especially those who have been unfortunate enough to be taken prisoner by the brutal Huns.

The admission fee to "Over the Top" will be fixed at \$1.00 for adults and 50c for children, plus 10 and 5 cents war tax.

The St. Joseph Chapter, A. R. C., is in receipt of a wire from Gulf Division Headquarters that we can expect the allotment of materials for this Chapter to arrive Saturday (tomorrow) and that work will begin at the local Chapter on Monday. Members will therefore take notice.

Miss Graham, field secretary for the Gulf Division, American Red Cross, was a visitor to St. Joseph Chapter this week and met quite a number of local members. Miss Graham is a very intelligent young lady and an enthusiastic worker in the cause and her visit to Tensas was of much benefit as well as pleasure to our people.

Newellton, La., July 4th, 1918.

On Wednesday evening the Newellton Division of the Red Cross Chapter was addressed by Miss Graham, Red Cross organizer and representative of the Gulf Coast Division. Miss Graham spoke of the work accomplished by the Red Cross, and showed the advantages which would be derived from changing our auxiliary to a Branch. The plan met with approval and we are now the Newellton Branch.

A work room is necessary and the "Tin Store" will serve the purpose for the present. The first meeting will be held next Wednesday and we hope to have a large attendance. Our new allotment of material will soon arrive and any help will be welcomed.

The chairman of the various committees are as follows:

Mrs. Rhodes, Chairman of Home Service Committee.  
Mrs. N. R. Penderly, Chairman of Womans' Work Committee.  
Mr. N. R. Penderly, Chairman of Finance Committee.  
Miss Bessie Newell, Chairman of Publicity Committee.  
Mrs. Penderly has elected Mrs. W. W. Burnside to take charge of the knitting and Miss Nell Jones to care for the hospital garments.

Attention of stockholders of the Bank of Newellton is called to notice of meeting of same in bank building on Wednesday, July 24th, for the purpose of electing a new board of directors and for the transaction of whatever business may come before them.

Mr. C. B. Cummings, district agent for the Singer Sewing Machine Co., with headquarters at Vicksburg, was a visitor to St. Joseph this week, having come to install Mr. A. J. Wason as agent for Tensas parish for the Singer sewing machine, succeeding Mr. G. A. Steen, resigned.

The Glorious Fourth passed quietly in this parish with only the usual modest degree of celebration. There were some little festivities at each of the three towns and probably in some of the more thickly settled points of the parish, but as a whole the day passed without special incident and happily without trouble of any nature to mar the pleasure of the occasion.

Uncle Sam is sending his boys "over" pretty fast and scarcely do we miss them from home before we learn that they are on their way over sea. The last Tensas boys to leave for port of embarkation are McKinley Stanley and Hubert Owen. The former was stationed at Fort Sam Houston, Texas, and the latter at Jackson Barracks, New Orleans. Tensas is gradually adding star after star to her service flag.

The new Warehouse-Storage & Gin Co. comes to the front this week with a display advertisement, announcing that ere cotton picking begins they will be in readiness to gin cotton for the general public and will also be in the market for cotton seed, pecans, peas and corn, and will be prepared to offer storage for any quantities to those who may wish to hold for better market. Mr. D. A. O'Kelley, the manager, will give in information desired.

#### MEETING OF SCHOOL BOARD.

St. Joseph, La., June 26.

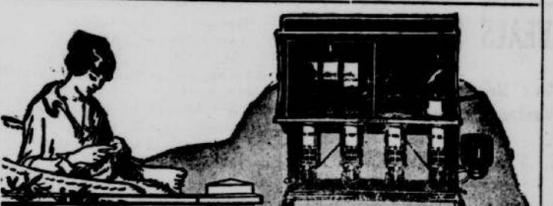

Public notice is hereby given that the Tensas Parish School Board will meet in the School Board office in the Court House in the town of St. Joseph, La., on Thursday, July 11, 1918, at eleven o'clock.

There will be business of importance so a full attendance is desired.
