Good News for Wheat Growers.

New York, Aug. 31.—The Times' London special says it now seems to be a fact that the world needs from seventy millions to eighty millions bushels of wheat more than harvests of the year will produce.

Dr. Maoune Re-elected.

Dallas, Aug. 31.—The directors of the Alliance exchange re-elected Dr. C. W. Maoune as manager of the exchange last night. A strong effort was made to get the best of him, but it failed. The exchange hereafter will restrict its business somewhat and will be conducted on business principles.

Too Late for this Year.

Washington, N. J., Aug. 31.—A bale of cotton has been received here covered with pine straw bagging manufactured by the company of this city. It attracted a great wonder. It passed all tests satisfactorily, including that of the compress and is believed will answer all the purposes of jute bagging at much lower prices.

Cowardly shooting of an Aged Lady.

Hermitsburg, Mo., August 21.—Last night about 12 o'clock, at Whitesand, five miles west of here, some person shot Mrs. Catherine Linn, with a shot gun. The lady was a widow, residing with her son, who was away from home at the time, visiting his brother-in-law. The lady is about 50 years old. She heard a noise and went out with her lamp to see what was the matter, but saw no one. In a few minutes she heard the noise again and went out without her light. The shot took effect in her right leg, arm and side.

Prize Fight Between Women.

Chicago, Ill., Aug. 31.—Mary Ann McNamara and Julia Perry indulged in a prize fight according to Marquis of Queensbury rules last evening. When the ring had been prepared, brothers of the woman acted as seconds and a time keeper and referee were selected. Time was called for the first round and the two pugilists began sparring for an opening. Violent blows were interchanged and when time was called both were badly disfigured, but there was no advantage on either side. The crowd of spectators in attendance cheered lustily, and bets were freely made on the result.

Time for the second round was called and the two women advanced with sleeves rolled up and with angry eyes rolling in every direction. A few passes were made and the code was thrown aside, and both began a rough-and-tumble fight in which scratching and hair pulling predominated. The Perry woman was knocked down and dragged around by the hair, and was unable to respond at the next call of time. She and her brother could not take the defeat gracefully, and called on the police. As a result the four were arrested.

Two Children Burned to Death.

Butte, Mont., Aug. 31.—News reached the city to-day of an occurrence in Brown's Gulch by which two little boys lost their lives in a horrible manner. They were sons of David Morgan. It appears that they were playing in the barn by themselves; their mother was sick and nobody else was at home. She heard cries from the children, and on hurrying out to the barn found that the whole interior was a blaze. The older of the two boys, aged 4 years, was standing in a buggy on the barn floor and the fire was all around him. On seeing his mother he stretched his hands out to her, uttered a cry of pain and fell into the flames. The other little fellow was but 2 years old. The supposition is that they were playing with matches upon the hay and in some way set it on fire.

A Banker Cuts His Throat.

Hartford, Conn. Aug. 30.—Joseph Breed a bank cashier, this morning committed suicide by cutting his throat. Mr. Breed came down town from his residence at 8 o'clock this morning and called upon his brother George, who is book-keeper in an iron store. After a brief conversation he went to a hardware store next door to the bank and purchased a razor. He then went into the bank and, in a hallway at the rear of the building, cut his throat dying in twenty minutes. He leaves a widow, but no children.

Breed had been employed as agent by several large property-holders. So far as can now be ascertained, the shortages in these accounts amount to about \$20,000. A gentleman with whom the dead cashier is believed to have confided his troubles on Tuesday, says the total amount of the embezzlement will not exceed \$20,000, divided between the trust funds of two estates. The funds of the bank are not involved. The first misstep is supposed to have been taken nearly ten years ago, and the rest have been unavailing efforts to recover. At least it seemed inevitable that exposure must come, and he preferred death to facing the disgrace.

Richmond Hunting.

Richmond, Aug. 30.—Jim Bearfield colored, came in from Mr. W. D. Fields' plantation, about four miles from this place, this morning, with two wounds, one in the neck and one in the head; the latter will prove a very bad one. He will lose a thumb and probably his hand. His statement is that fifteen men armed with six-shooters and Winchester rifles, came to his house at 1 o'clock last night and told him to open the door, that they had come for him. He said he had done nothing to be arrested for, and did not open the door until they shot into the house and hit him in the hand, and then he broke down the door and ran out in his cornfield, where he stayed all last night. He states that the cause of this is that he knew the men that whipped two ne-

groes on the same place about two weeks ago, and they wanted to kill him so he could not tell on them. Others say, however, that Bearfield is a very bad negro, and is feared and disliked by his neighbors.

A Louisiana Tragedy.

Shreveport, La., Aug. 21.—An affray occurred yesterday at Pandora Store, six miles above here in Bossier parish, which resulted in the death of Dr. J. W. Arnold, who was shot and killed by W. J. Macmath, a young man in charge of the store. The parties were well connected and had many friends in that section. In Shreveport, several reliable gentlemen state, Tuesday night Arnold slapped Macmath in the face, placed a pistol under his nose and threatened to return and kick him out and shoot out his heart. Macmath, fearing Arnold would put his threats into execution, loaded a shotgun which he then placed in the store. Arnold went to the store yesterday morning, pistol in hand, and Macmath seeing him coming seized his gun and fired, killing Arnold at the first shot. After his victim had fallen, Macmath fired the contents of the other barrel of his gun and three pistol shots into the prostrate body.

Elopement Extraordinary.

St. Paul, Minn., August 31.—Miss Lillian Deppley has eloped with her father's coachman, William Stewart, a negro. Lillian is 19 years old, and was just budding into womanhood. Recently from her father Stewart was a 115 lb. negro, sentive to the girl, and his wife were dispensed with. Monday evening Stewart and Miss Lillian were seen walking up and down Dakota avenue and finally disappeared. That was the last seen of either of them, and Mr. Deppley says he has no idea where they have gone. Stewart is a big, unattractive negro, with thick lips, smooth face, a slight stoop in his shoulder and a halting gait. It is believed the couple have left the city, as diligent search for two days by the police has failed to develop any clue to their whereabouts.
