At the last match of the Texas Palo clab in Boerne, in which O. Fitrpatrich, J. Molesworth, A. Aoe, N. King, L. King, H. G. Mitchell and A. Rass took part, some very good playing was established. Among the San Actuico belles present were noticed: The Missee Bell Martine, Clara, Evelye, Aonie and Agues Howard, who are now resticating in Boerne.

AN ATTEMPTED SUICIDE.

Matrimonlal Traubles Induce Mrs. George Glessien to Take the Laudacous Horte. Another case of attempted sinkide was reported on Saturday altention. The victim of the saticida unais in this pastence was Mrs. George Glessies, wife of the Cop Poundanter, and the means by which she tried to spit this world of trouble was Instance. The powerful macroite on-in-look effect, and he was found in an amountarious condition by her sen, who single his father at the police headquarters. Mr. Glesson was not there, and more know where to find blue, whereon he told his trouble to the police, and medical attention was at once secured. The usual anti-tions were administered, and Mrs. Glesson he told his trouble to the police, and medical attention was at once secured. The usual anti-tions were administered, and Mrs. Glesson has been a supported to the continuous security and the preced resistance. Subsequently he administed that it stores from matrimonial difficulties, for which he was responsible.

Reduced Rates for the Yotkedret.

Redoved Rates for the Volksfest asbeckinder, President of the Volksfest assolidation, informs the Little that the railroad
companies have not yet granted exemples
there for visitors to the featives. If such replaction is not made arrangements will be
nade to run special trains from the principal
title of Texas, which will have practically
be some effect as far as the reduction of fare
a contertied.

is concerned.

Asked to Reconsidery.

The assertment and textation of the religious schools of a juriely incrediary character is suppoplar, as it is considered that the institute gleenest is a uncertainty and of the country Commissionness' will be asked to reconsider the question at an early date. It will be remembered that the axis was only imposed by the casting water of the Country Jodge, who acted under his belief that the said whools were taxable.

that the said schools were taxable.

A Curiotts Nest.

This noming a Louir seporter was shown in the solions of Mr. Zinaneger, as ciriously stronglis bird, east. Mr. Zinaneger, as ciriously tronger bird, east. Mr. Zinaneger keep clay, on the El Paso road. It was woren in with pieces of paper and varieous ther bits of things, but the most entitled about it is the weaving in of an amused three cent stamp. There it is, wedged in with straw, and bound up in a most elemitic way. The nest is centainly a great exclusive and can't be fought far any price.

Land Francis.

for any prior.

Land Priords.

Mr. A. Warlgyman, of Carmo Springs, complains that a foundatest power of attorney in extant in favor of a San Animans who claims in lave architerity to bur, seed, pent, or bargain in his name for land in McMallen and Aussense. Mr. Warlgymar says he owns no fand there, and never gave the power of attorney. This fraud is one of the many unearthed by Jarge Hall, one of the trammissioners be investigating land titles, and further developments may be expected.

Dulling's Enterprise.

ments may be expected.

Dulling's Enterprise.

Mr. James Marpley, the schimet, is preparing plan for the section of a manmoth store for George Dulling. The site of the new more exhains from the old store on Alamo-street pessing round. Unuclead's corner, along Commerce street, and down Leavys street, until it reaches the back entrance of the old store. The work will be commerced be September, and when the store is completed, it will be one of the me at handsome and commelia there of the store of

ver, terra notes decoration.

Fighting Beaus.

William Gerson and Juke Zionner, are well known about the city as ladies man, but they have almost on the ments of a local belte and proceeded to have sanished too. The weapons were not coords not pittell, her even sticks, but simply those with which nature has endowed them. The satisfaction of the weapons were not coords not pittell, her even sticks, but simply those with which nature has endowed them. The satisfaction they got was that of being disfigured, and presenting a sad exhibition. Gentlemen, shake hands and be friends. You are excellent as lettles men, but you are not much on the fight:

A Pleasant and enjoyable plants was given

A Pienar.

A pleasant and enjoyable pinnic was given yesterday by Mesars, Harry Feille, J. W. Cuff and other gentlemen. The party started about 7 o'clock in the morning, some in a leas and others to buggiest. All serviced at the First Mission in high aports. Dancing, sibiling and other animements were hearity joining and other animements were hearity leading and other animements were hearity included in by the metry troud, and eresyluoly declared it was a very delightful remain. Among the indice present were Mrs. Feille, Mrs. Saran, Miss Stran, Misses Mary and Johanna Richter, Miss Jens Wener, Miss Lipps and many more.

They have a Heav.

Lipps and many more.

They may a Bear.
Dr. Mills, of Pleasanton, and his friend
Charley Kemper, meantly visited San Antonio, and according to the Pleasanton Monitor, report having seen a black bear object; in the small properties and the properties, for larger "This is two delicates a matter to handle at length, therefore we refer the sceptic to the parties meantle." The whitely of San Antonio is very powerful, and often forces visiters to see "snakes," but this is the odly smooth of recount years where winters have seen a lear, and the Latiner therefore chromicles it for the heavil of the historian of the future.

Singers to the Front.

benefit of the historians of the future.

Singers to the Front,
A large number as singers of all the various nationalities represented in the city, except the Chinne, were present to Schulz's half on of the committee and Professor Kattenberge, to arrange to take part in the manazur balent was present, and the way in which the first relucians was present, and the way in which the success of the monitorial part of the programme.

The scheamads are under the direction of Professor Kattenberge, Chairman of the masseal committee, and ander his able duretton much good will certainly be done. Nicety-two singers took part in the reheareal co Schurday, and more will join at the mest reheareal on Tuenday evening.
