

# DO NOT FAIL TO READ!

*DEAR MADAM:*

Look about your premises and you will find, (as everybody does,) useful articles, of no service to you, such as Tables, Chairs, Bedsteads, Old Mattresses, Stoves, and many other things.

I will buy all such and pay you a fair price for them.

If you have any furniture to repair, or mattresses to make over, you will find my prices extremely low and work first-class.

If you wish to buy Plated Ware, Crockery Ware, Tinware Furniture, or any articles for household use, you will consult your own interest by calling at 404 East Houston Street before buying, and satisfy yourself that I sell cheap.

I will sell on commission, exchange, store, ship, or repair, at lowest rates.

I also solicit Auction Sales, and will guarantee satisfaction in every particular. For terms, please call on, or address,

DAN. J. COLTON,

Auctioneer,

404 East Houston Street.

Near Avenue C, San Antonio, Texas.
