THE NEBRASKA SALOON AND RESTAURANT. A CARD TO THE PUBLIC.

Since I have succeeded to the sole management of the above popular House, it has been my constant aim to make it a place of agreeable resort for the business classes and visitors generally.

Having secured the services of Messrs. DOWNER and HINSON, both clever, popular and experienced men at the business, I think I risk nothing in saying that the public will in future, as heretofore, find the Nebraska conducted on a plan such as to challenge admiration and command a continuance of that generous support hitherto extended by an appreciating community.

The flattering success that has crowned my efforts of late, has determined me to increase the "area of my usefulness," and I take pleasure in informing the public that I shall, as soon as I can perfect a few preliminary arrangements, open a RESTAURANT on a scale that will do credit to Monroe.

The want of a public Eating Saloon has long been felt here, and the growing importance of Monroe, added to the now fixed fact, that we are soon to have the Railroad completed to this point, imperatively demands that something should be done to meet the wants of the hundreds and thousands that will be thrown in our midst; and it would be mortifying indeed to have it cast up to us by criticising strangers that the boasted capital of North Louisiana cannot so much as afford a "cup of warm coffee" or a dish of "ham and eggs" to the weary and hungry traveller.

Again do I return thanks for the kind encouragement I have received, which has enabled me to rest and embellish the Nebraska in its present sumptuous style; and to the fine judgment, taste and skill of Messrs. Lister & Langin—two as experienced workmen as ever wielded a paint-brush—am I indebted for the handsome city-like appearance and imposing main of the building. OHSUN JONES, Monroe, Feb. 2d, 1860.

Copartnership Notice. THE undersigned have, this day, formed a copartnership in this town, under the firm of Herring & Endom, for the purpose of carrying on the Harness and Carriage shop, opposite the Railroad Hotel. We put up any kind of Carriages, Buggies and Rockaways:

Singer's Grover & Baker's, Wood's, Sloan's Wheeler's, Sewall's and twenty others, have ALL BEEN SIGNALLY AND FAIRLY BEATEN. No rational man can now deny the fact that the WHEELER & WILSON SEWING MACHINE IS THE SUPERIOR OF ALL SEWING MACHINES.

PAUL MORPHY OF CREATION. The following is the published report of the PENNSYLVANIA STATE AGRICULTURAL SOCIETY, on awarding the Premiums at the conclusion of their Fair, at Pittsburg, on the 1st of October last:

"The Committee have given a full opportunity to the exhibitors of several Sewing Machines to show and explain their several articles, and after a close investigation, have concluded, while Singer's Machine, for heavy work is equal to any, and also an excellent Machine for general use, Grover & Baker's is more simple in its construction, and equal in its ability to perform for general purposes but without disparaging the merits of either of the above the Committee feel constrained to award a Diploma to the Wheeler & Wilson Machine as being the best of all family purposes."

R. B. MOOREHEAD, MONSIEUR E. EATON, WM. MURDOCK, JOHN A. SMALL, Committee.

The sales of Wheeler & Wilson's Sewing Machines in New Orleans, where the difference between the 44 and 46 Shuttle and Chain stitch Machines and the new improved Wheeler & Wilson's Machine is understood is more than four times greater than the sales of any other Sewing Machine, and has been for the last four months more than twice as much over Grover and Baker's complicated Chain stitch Machine.

The course of instruction is thorough and solid, pupils being taught to think for themselves—to use the knowledge they acquire.

School discipline is kind, yet firm, — prompt obedience being scrupulously exacted of each girl, large or small. Strict attention is paid to the habits and exercise of those who board in the Institution, and no pains will be spared to fit the younger ladies committed to my care for home and society. It is my duty and duty to educate girls physically, mentally and morally—allowing no one department to trespass upon another.
