LIBRARY BOOKS ARRIVE.

The books for the new school
library, numbering 200, have ar-
rived. Slips giving the number
and classification and a copy of the
rules regulating the use of the
books has been printed and pasted
on the inner cover of each one.

The selection of titles has been a
wise one and the pupils who read
the books thoroughly and thought-
fully will be greatly benefited.
Patrons of the school are also al-
lowed the privileges of the library.
It is hoped that this is only the
start for a large public library of
thousands of volumes.

Successful School Year in Dist 13

School closed in Dist. 13 Friday,
Apr. 12. Mr. Simmons, the teach-
er, has done excellent work. We
are credited as having one of the
best schools in the county. The
annual report shows a total enroll-
ment of 59 and the average attend-
ance to be 97 percent. The school
is growing rapidly and the board
has elected Mr. Simmons principal
for the coming year and will pro-
vide a good assistant teacher. Pro-
visions are being made to seed the
school yard and in the neighbor-
hood of 200 trees have been order-
ed and will be set out on their ar-
rival. The board is resolved to
have an excellent school in every
way, regardless of expense.

matter including information on
politics, commerce, agriculture,
mining, literature, as well as the
local happenings in the states of
Montana, Oregon, Idaho, Wash-

Columbia. In addition, its col-
umns for women, its popular
science articles, its short and con-
tinued stories, its "Answers to
Correspondents" and "Puzzle
Problems" combine to form a
home newspaper that at \$1.00 per
year can nowhere be excelled.
