Court Notes--New Cases W T Rarey & Co vs W R Walling & B J Hughes, action to recover judgment in the sum of \$197 72 and costs and disbursements A Sure Thing It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all throat and lung troubles. Thousands can testify to that. Mrs. C. B. VanMetre of Shepherdstown, W. Va., says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by City Drug Store. Trial bottles free. Reg. sizes 50c, \$1.00. The horrible winter which has been experienced throughout the Central West has prevented immigration from the Central Western states. No such blockades of railway trains and washouts thereafter have been known in years as have occurred during the last four months. Even a regular old-fashioned hail and snow blizzard prevailed in St. Louis last week. It is now predicted that the rush of immigrants to the state of Washington will not occur until next autumn.
