### DUNKARDS HERE NEXT MONTH

There will be five special trains bearing Dunkards from the East to the Seattle convention in June. The first train leaves Chicago June 12, arrives in Spokane the morning of June 16, leaving that city at 10 p. m. and arriving in Wenatchee the morning of June 17. The day will be spent in this valley where special entertainment will be given the visitors.

The second train leaves Chicago on June 15. The Great Northern being designated as the official route of the Dunkards, it will get most of the travel to the Seattle gathering. The Wenatchee valley brethren here are expecting a visit with many of their former eastern friends. Each train is scheduled for a stop here and the visitors will be shown over the valley.

### ANOTHER DEFEAT FOR MAHONEY'S VETERANS

Cashmere Wins an Easy Game 5 to 1 Will Play in Waterville Sunday

The Leavenworth ball team, accompanied by a goodly number of fans and rooters went to Cashmere last Sunday confident that before the day was over they would add another victory to their list. But things didn't work out right. The playing of the Cashmere boys had improved, and Vedowell their star twirler was at his best. Then to make matters still worse the locals had an off day as the box score will show and when the curtain fell in the last inning Cashmere had drove in five runs to our lonesome one.

Paine went on the mound for Leavenworth at the start and while only allowing 4 safeties he began to weaken in the 6th frame and was relieved by Brown, Cashmere is credited with only one earned run but there was an unusually big crowd out to the game and it is thought that some of our boys must have been stage struck which may have accounted for their loose playing. Next Sunday Leavenworth will play in Waterville where Wenatchee went down to defeat last Sunday 8 to 1.

#### Card of Thanks

To our many friends we wish to extend our most sincere thanks for aid, sympathy and flowers given us in the hour of trouble and the recent death of our little daughter. Mr. and Mrs. M. G. Jones.

Mrs. L. R. Raffelson went to Everett last Sunday to visit friends for a week or ten days.

### WILL OF C. J. ANDERSON IS VALID

Last Thursday morning Judge Wm. A. Grimshaw, of the superior court in Wenatchee set aside the verdict of the jury in the suit brought to break the will of C. J. Anderson and awarded the estate to the heirs named by Mr. Anderson. In the suit brought by Sam Anderson, a son, and the widow to whom the deceased left practically nothing the jury's verdict would have thrown out the will. It is believed that the jury was governed by evidence introduced at the trial, which was that undue influence had been exercised over Mr. Anderson to induce him to make his will as he did. Also that he was under the influence of liquor most of the time. Judge Grimshaw's decision upholds the theory of the Nelsons that the elder Anderson was in complete possession of his faculties at the time he made his will.

Mr. and Mrs. N. A. Nelson, of this city have now been awarded the property although the case will in all probability be appealed to the Supreme court.

### STOP, LOOK AND LISTEN BRANCH LEAGUE ORGANIZEE

Its Object is to Oppose All Initiative Laws and New Legislation at Next Session of Legislature

Some thirty-odd representative citizens and taxpayers met in the commercial club rooms Monday evening for the purpose of organizing a branch of the Stop, Look and Listen League. Mr. Geo. L. Gardner stated the object of the meeting to be to organize a local or branch league, the headquarters of the state league being located in Seattle. Mr. Gardner stated the object of the league to be the study of the fourteen initiative and referendum laws to be voted on at the next general election to be held the third day of November. The object of the league is to oppose the adoption of any and all of the initiative measures, and in a general way all new legislation. Realizing the burdensome taxation under which the people of the state of Washington are staggering, and fearing that new legislation can only add to that burden, is the reason given for a general opposition to new laws.

The formation of the league was perfected by the appointment of a committee of five to formulate plans and have general charge of the activity of the local league. Mr. O. S. Sampson acted as chairman, and on motion appointed the following committee: L. R. Parker, Secretary; F. S. Jacobson, J. B. Adams, John Koerner and L. J. Nelson. Future meetings of the league are to be held at the call of the committee.

Between now and election time public meetings will be held and speakers will be sent into every voting precinct to present the arguments against the proposed initiative legislation. Every league is expected to make voluntary contributions to the fund necessary to carry on the campaign of education.

### BIG MUSICAL CO. AT THE SCENIC TO-NIGHT

Chorus of 40 Voices Will Present Cantata "The Risen Lord"—Is Highly Recommended

To night lovers of good music and singing are promised a treat in the attraction at the Scenic Theatre, when a choir of 40 voices of Wenatchee will present a cantata "The Risen Lord." The choir comes highly recommended from Wenatchee having rendered the same entertainment in that city on Easter night to an audience of nearly one thousand people. So much was the musical appreciated in Wenatchee that the company has been asked to repeat the production which they have promised to do at an early date. All of the soloists and musicians are Wenatchee people under the direction of Mr. Brown, a well known chorister of that city.

Those taking part spent many weeks making preparations for the cantata and they received some very flattering press notices in the Wenatchee papers. The show is one out of the ordinary and should appeal to all theatregoers. Mr. Simpson, manager of the Scenic will run three reels of pictures preceding the main performance. The prices will be 50, 25 and 15 cents.

Mr. Chas. Snowden, pastor of the M. E. Church to whom credit is due for bringing the company here has several automobiles promised and will take the visitors for a ride to the various points of interest about the city.

### DEATH OF CAPT. MCFARLAND

Was Pioneer of the Coast—Well Known Here as Owner of Fruit Ranch Near Town

Capt. Robert McFarland, who has spent his summers here the past three years and was well and universally esteemed died at his home in Everett Monday afternoon at 5 o'clock, after a lingering illness resulting from hardening of the arteries, aged 78 years.

He followed the sea for many years and there earned the title of captain. He was a native of Maine and until 1890 plied his vocation on the Atlantic, in that year he came to the Puget Sound country and eight years ago retired from the sea and settled in Everett. Four years ago this spring, he and J. B. Best, editor of the Everett Herald bought a twenty acre fruit tract a half mile north of town, and until this spring he always came here with the disappearance of snow and assumed the management and development of the orchard, returning to Everett to spend the winter.

He had many friends and acquaintances who sincerely regret to hear of his death.

Robert B. Field, a Leavenworth banker, was given the Knight Templar degree by the local Knight Templar lodge Tuesday night. Charles A. Smythe, eminent grand commander of the state, was present at the session last night.—Wenatchee World.

### NO MORE VALLEY TRAIN SERVICE

Railroad Company Says Train Does not Pay, No. 4 Will Not Stop at Peshastin

In a letter to A. W. Hoppock, secretary of the Wenatchee Commercial club, Great Northern officials state that they will not re-establish train service between this city and Wenatchee as the train does not pay and it was always operated at a loss. They have also refused to stop passenger No. 4 at Peshastin saying that the necessity of meeting connections at St. Paul makes this impracticable. The transportation committee of the Wenatchee club also called attention to the fact that No. 4 is compelled to stop at Peshastin four minutes to take on and dump mail, also to pass train No. 437 yet passengers are not permitted to get

on the train during the four minute stop. The only other east bound train stopping at Peshastin is No. 44 which arrives at about 4:30 a. m. Now that the local train has been taken off, it works a great hardship upon the large number of passengers compelled to submit to such service.

The oratorical contest held at the High school last Friday evening was enjoyed by a large crowd and pronounced by all present the best entertainment of its kind ever given in the city. The program was an excellent one all the way thru. Clifford Hayes carried off the honors and was given first place in the contest. Miss Gladys West, the judges decided was entitled to second place. Rev. Davis, Rev. Snowden and Prof. Melvin of Wenatchee acted as judges. Dr. Briggs contributed to the program with several violin selections which were highly appreciated.
