PESHASTIN

We have much to be thankful for this year. Let us show it in the proper way.

School was resumed here Monday. The flu is still detaining some but it is hoped all will be in their places soon.

Work was again resumed at the Peshastin Fruit Growers' warehouse last Friday. The Rome Beauties and Winesaps are being packed out. The work is being done mostly with local help.

Florence Frichticht and Earl Jones, who were both off for a couple of weeks on account of the flu, are again on the packing force at the warehouse.

Mrs. O. D. Reeves, who was assisting in caring for the Chambers family, was stricken with the flu last Friday, but at this writing is able to be up. Her daughter Mabel, who was caring for her, also contracted the disease, but is also improving.

Adolph Shell received a telegram last Wednesday to the effect that his mother was very ill at Odessa. He had been ill and so was unable to leave until Monday morning.

Miss Juna Smith has returned to her school at Chelan.

Mrs. Frank Shell is ill with the flu. Clair Ludwig has devoted the past two weeks to caring for flu patients in several families. Sometimes he has been busy night and day.

The purse which was lost by Mrs. O. D. Reeves on the Leavenworth local some ten days ago, was found last Saturday night in the toilet tank of the ladies' waiting room at the Leavenworth depot. It had been robbed of the cash only, the gold watch and a few other small articles were still in the purse. Mrs. Reeves is greatly pleased over the recovery of the watch which she hopes will be of value again when cleaned and dried.

A CAMOUFLAGE PARTY

The following report of the affair was handed in for publication:

A kitchen shower was given Tuesday evening, Nov. 26th, by Mrs. A. T. Eickmeyer and Mrs. Motteler, at the home of the latter, in honor of Miss Ethel Masten. About fifty guests were present. The evening's entertainment was principally camouflage.

The first was a camouflage marriage ceremony, preceding which Mr. Jensen sang "Oh Promise Me" to the strains of the wedding march. The bridal party entered led by the ribbon bearers, and followed by the parson, best man and bridesmaid and bridegroom. The ceremony was all in pantomime. The members of the bridal party were appropriately dressed in the style of many years ago, the bride wearing a dress of brocaded satin, which was a wedding dress forty years ago.

After this a wheelbarrow camouflaged with pink and white crepe paper and bows of the same was wheeled out loaded with camouflaged gifts, many of them real works of art. Miss Masten, assisted by Mr. Brown, proceeded to open them. They caused much enjoyment for those present. After the gifts had been opened, of which there were many, both useful and beautiful, refreshments were served by Mrs. Motteler and Mrs. Eickmeyer, assisted by Mrs. Masten.

C. WILL SHAFFER SELLS ORCHARDS FOR \$15,500

The mention of Mr. Shaffer will remind some old timers that he once lived in the upper valley. About twenty years ago he taught school at Chiwaukum, later going to Wenatchee and engaging in the practice of law, and shortly after moving to Olympia, where he secured the appointment of State Librarian, which office he held over eighteen years. He recently resigned as librarian. Last week while in Wenatchee he completed the sale of his two ranches on Maiden lane, near the Columbia Valley bank ranch. He sold ten acres to J. A. Clemen for \$10,500 and the five acres across the road to William Milligan for \$5000. There are no houses or other buildings on either place. The 10 acre ranch is in full bearing and the smaller tract is in trees just coming into bearing.

Mr. Shaffer started the negotiations for those sales when he resigned as state librarian, expecting to go to an officers' training camp. He has been reemployed by the state.

BOYS IN NAVAL SCHOOL ASKING DISCHARGE

Hundreds of youths in the naval training station at the University of Washington are filing applications for discharge following the receipt of information that all who desire to return to school or who may have other good reasons for discharge will be considered. That the lessening of the numbers will be gradual is indicated by supplementary orders received in Seattle that all applications will be transmitted to the bureau of navigation in Washington D. C. This will entail a lapse of time. Many of the students at the training station, it is believed, will indicate a desire to remain in the navy for the full enlistment of three years.

DISPOSED OF WHITE RIVER LAND

Forest Ranger E. O. Blankenship and wife arrived here last Saturday from Lake Chelan on a two week's vacation, and will visit Mr. Blankenship's father and mother, Mr. and Mrs. W. F. Blankenship, and other relatives.

Mr. Blankenship has been in the forestry service for twelve years, and for the past eleven has been stationed at Lake Chelan, putting in the summers at the head of the lake and spending his winters in the town of Chelan. While here Mr. Blankenship disposed of an eighty acre tract of land in the White river valley to a Mr. Hudson, from the sound country, who has bought several tracts of land in the same vicinity the past year.

CASHMERE JAILS TWO RUSSIAN BOOTLEGGERS

Two Russians arrived in Cashmere from Montana last Saturday with a suit case of whisky. They were doing a thriving business until Marshal Larkin interrupted their trade. Justice Stanford fined them each \$100 and costs. The Russians were shy \$20 in making up the fine and were taken to Wenatchee to serve out the difference in the county jail.

A meeting of the ladies of the Methodist church will be held Wednesday, Dec. 4th, in the parlors of the church. Tea will be served by Mesdames Duncan, Hendricks and Eickmeyer. We have had two months' vacation. Everybody come.

Mrs. C. B. Fly and daughter Helen, of Cashmere, left Tuesday on No. 1 for Seattle, where they expect to spend the holidays with relatives.

POISONING THE WELLS

Despite all their protests before the outer world, the Huns did their utmost to ravage and destroy the territory they evacuated. Here is a fresh example of German Kultur working undisturbed. An army order, captured by General Pershing's men, addressed to the 108th Brigade of German Infantry runs:

"A recent army order requires that we shall proceed in the future with more method and less haste in the destruction of property which has been marked out. Divisions have already been notified that they will be held responsible for buildings not destroyed in their area. In consequence, all preparations should be made for firing straw which has been collected."

Here follows a long list of villages to be burned. The order concludes: "All soldiers are bound to assist to the best of their ability in the execution of this mission. The rear-guard battalion will select the groups to

complete the work of destruction. These detachments will not set fire to things till 3 a. m. It will be remembered that there are means to defile all wells. Mines must not be exploded too soon. It is the duty of every man to cooperate in the work of destruction."

WENATCHEE WILL CELEBRATE DEC. 1, AND 7 AND 8.

Sunday Dec. 1st will be celebrated by the Elks of Wenatchee in a peace demonstration. The following Saturday and Sunday, Dec. 7 and 8, will be observed in honor of those who acknowledged allegiance to Great Britain as well as those who reside in the valley and have become citizens of the United States. The civic bureau of the commercial club has arranged to give the first luncheon of the season at noon December 7. There will be appropriate addresses and all British and Canadian subjects are invited.
