5 OFFICIALLY NOTED LIBRARIAN

Advertisement for Herman Wise, The Reliable Clothier. The Wise men from the east have passed into a proverb. The wise man in the west is the man who is wise enough to advertise something good that all are wanting. At this season of the year the good wife, thoughtful for his comfort, tells her man to be wise, to visit Herman Wise; to inspect his woolen and silk negligee shirts. To look over the new line of Fall and Winter Clothing. To consult his comfort, his pocket and his appearances, by investing in some of the excellent line of Furnishing goods. Go thou and do like-wise. HERMAN WISE, The Reliable Clothier.
