

WAUGH'S NEWS

We are "moving" this week and need your sympathy more than anything else.

The new annex has been turned over to us and for several days and nights our entire force will be kept busy getting the new and greater store in shape to serve you more efficiently.

Before the end of the week you can find us all ready to receive you.

Of course if you come in now we will find what you want too, and the price will be satisfactory we believe, but our service is just a little slow at present.

We will be ready to serve you with the best our line affords after October 1.

HAND CAR AS AMBULANCE

HOQUIAM, Sept. 29.—Following a serious operation which she underwent several weeks ago, Mrs. W. Woodard of Moclips became suddenly ill Friday morning and was brought to Hoquiam on a handcar. The trip of 28 miles was made in record breaking time. Two friends of the sick woman volunteered to pump the small handcar to Hoquiam. The party arrived in Hoquiam shortly after midnight, Saturday morning. Mrs. Woodard's condition today is considerably improved.

ORGANIZE RIFLE CLUB

HOQUIAM, Sept. 29.—Through the efforts of F. L. Morgan of this city, former captain of Company F, Washington National Guards, a plan is now underway to organize a Hoquiam rifle club. Lovers of target shooting in the city are greatly interested in the proposed club, and inasmuch as the department has issued regular rifles to a number of clubs under the American Rifle Association, it is believed that but little if any difficulty will be experienced in securing the rifles. The department also furnished ammunition at cost.

ELOPERS ARE ARRESTED

HOQUIAM, Sept. 29.—Mrs. Mary A. Miller, wife of Walter Miller of this city, and Guy Lobdell, formerly of Linton, were arrested here Friday night by Chief of Police T. M. Quinn on warrants issued earlier in the day on complaint of Walter Miller. Charges were made by Miller that his wife eloped with Lobdell. Mrs. Miller has three children. Lobdell has been on the harbor for some time, it is said and had recently secured a divorce from his wife.

STARTS POULTRY FARM

MONTESANO, Sept. 28.—R. H. Fleet this week sold a ten-acre tract in the Montesano Garden Tracts to R. G. Radcliffe of Charleston, S. C., who intends to operate a chicken ranch on his new purchase. Mr. Radcliffe brought his family, consisting of a wife and one child, to this city with him, and as soon as he can have buildings erected on his ranch will take up his residence there. Contracts for the construction of a house, chicken houses, etc., have already been let and Mr. Radcliffe expects to rush the work as rapidly as possible. He is much impressed with the opportunity this section affords for the poultry industry and intends to take up the business on a large scale.

POSTOFFICE NEEDED AT WHITE STAR MILL

ELMA, Sept. 28.—The officers of the Star Lumber company and the people who live at or near the mill are doing all they can to induce the government to establish a postoffice at the White's. At present the mail for the mill and the people there comes to Elma and has to be sent up on the gas car by some one kind enough to take it along with him. This is inconvenient for the company and the workers at the mill. In a short time a new rural route will take in the White Star, but then that will be unsatisfactory to the company since it will take three days to send a letter to Tacoma and get an answer in reply. There are enough people around the mill to warrant the establishment of a postoffice and it will probably be established if the government is kept at it in the matter.

SUFFERED EVERYTHING

For Fourteen Years. Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Elgin, Ill.—"After fourteen years of suffering everything from female complaints, I am at last restored to health. I employed the best doctors and even went to the hospital for treatment and was told there was no help for me. But while taking Lydia E. Pinkham's Vegetable Compound I began to improve and I continued its use until I was made well."
—Mrs. HENRY LEISEBERG, 743 Adams St.

Kearneysville, W. Va.—"I feel it my duty to write and say what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered from female weakness and at times felt so miserable I could hardly endure being on my feet. After taking Lydia E. Pinkham's Vegetable Compound and following your special directions, my trouble is gone. I would like to express my thanks. I recommend your medicine to all my friends."
—Mrs. G. B. WHITTINGTON.

The above are only two of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which show clearly what great things Lydia E. Pinkham's Vegetable Compound does for those who suffer from woman's ills. If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

LOCAL OPTION ELECTION BEFORE SUPREME COURT

Legality of Aberdeen Petition Will Be Argued in Supreme Court Next Friday

OLYMPIA, Sept. 28.—This afternoon an order was issued by Chief Justice Walter Munn of the supreme court directing Judge John R. Mitchell of the Thurston county superior court to show cause on Friday, October 4, why in the case of A. H. Griffin against the superior court of Thurston and Judge J. R. Mitchell, he should not be directed to overrule a demurrer. Application was made in the lower court for a writ restraining the holding of a local option election in Aberdeen. Judge Mitchell sustained the demurrer interposed by the city clerk and directed that the election be held. Appeal has been taken and the matter will be threshed out in the supreme court on October 4.

MILL LEASE SOLD

MONTESANO, Sept. 28.—The leasehold in the Ninemire mill, the Montesano Mill Co., holdings, was sold at referee's sale in this city last week. The lease of the plant was bought in by R. H. Fleet, acting for a company of mill men on the Harbor. Mr. Fleet says these men intend to operate the plant and will get busy in a short time if not held up by threatened legal difficulties. The lease was not bought for speculation, according to Mr. Fleet, who has spent some time working up the opposition for the good of Montesano.

GRAETZ-FITZGERALD

ELMA, Sept. 28.—On Tuesday evening at 8 o'clock, Miss Mary A. Graetz and Mr. George Fitzgerald, both of Elma, were united in the holy bonds of matrimony at the home of Mrs. T. S. Dickson. The ceremony was performed by Rev. H. S. Black. Only the immediate family was present with the exception of Mrs. Finet, the mother of the bride and Mr. and Mrs. Chas. Cleck, who were guests. After the ceremony all those present sat down to a delightful repast that was served by Mrs. Dickson and her daughters.

SOCIAL AID MEETING

ELMA, Sept. 28.—On next Wednesday afternoon, Mrs. J. Will Anderson and Mrs. E. P. French will entertain the ladies of the Aid Society of the Methodist church at the home of Mrs. J. Will Anderson. All members of the Aid are requested to be present at this social afternoon.

RAIL SERVICE IMPROVED

ELMA, Sept. 28.—At present the noon train stops in Malone each day before arriving in Elma and this is a great convenience to the people there. The train going up on Sunday evening also stops when there are ten or more passengers, and it stops regularly on Saturday evening.

MARRIAGE LICENSES

MONTESANO, Sept. 28.—The following marriage licenses were issued during the week: C. O. Green, Cosmonellis, Bessie B. Hathaway, Seattle; T. H. Eatwell, Gladys M. Lamb, Aloha; Lee E. Fry, Satsop, Bessie M. Wade, Montesano; M. S. Anderson, Mabel S. Whitney, Hoquiam; Geo. Fitzgerald, Mary A. Graetz, Elma; E. K. Johnson, New Discovery, Elma; D. Dunn, Hoquiam; R. E. Patterson, Hoquiam, Lucile Prickett, Elma.

REPELS ATTACK OF DEATH

"Five years ago two doctors told me I had only two years to live." This startling statement was made by Stillman Green, Malachite, Col. "They told me I would die with consumption. It was up to me then to try the best lung medicine and I began to use Dr. King's New Discovery. It was well I did, for today I am working and believe I owe my life to this great throat and lung cure that has cheated the grave of another victim." It's folly to suffer with coughs, colds or other throat and lung troubles now. Take the cure that's safest. Price 50 cents and \$1.00. Trial bottle free at all druggists. (1)

BUILDINGS NEAR COMPLETION

Everything in Readiness for Opening of Fair -- Fill Products Wanted

With the completion last week of the three new buildings which will house exhibits at the county fair to be held at Electric park October 1 to 13 inclusive, and with the assertion today by Secretary J. E. Calder that more buildings, including a structure for the horse show, and a machinery hall, will be built, the little fair city is beginning to assume large proportions, and yesterday the grounds were visited by a large number of people from both Aberdeen and Hoquiam.

According to a statement today from Secretary Calder, some of the finest bred live stock in the state will be exhibited during the four fair days. The entries for all exhibits will not close until Tuesday noon, October 7. On this date the Northern Pacific will place a special car on its run to care for the business for that day.

Excellent progress is reported by the superintendents of the various exhibits. One of the finest collections of grass, fruit, and garden specimens ever gathered in the state, will be exhibited and there is every reason to believe that the fair will be a grand success in every way.

To Display Fill Produce

One of the unique features of the fair will be the exhibit of produce raised in the fill district of Aberdeen. For reason of the many predictions during the early spring that it would be impossible to raise garden truck and flowers on any portion of the fill district, considerable interest has been manifested in the work of gathering exhibits.

N. P. Bryan, secretary of the Chamber of Commerce and who is in a large way responsible for this novel feature of the fair, urges co-operation of every resident of the district who has been successful in raising vegetables or flowers on soil from the river bed. Those who have exhibits are requested to leave them with Mr. Bryan in the City Retail Lumber company's office, corner 11 and Wishkah streets.

ROSE PITONOFF. Eighteen-year-old Dorchester (Mass.) Long Distance Swimmer.

As the result of a suit filed several months ago in the superior court by the city of Aberdeen on petition of property owners affected, asking for the condemnation of property between Eighth street and Division street, the superior court has awarded damages totaling \$2,917 against the city.

The matter in reference to the property was first brought before the city council by A. L. Davenport, Robert Polson and others who own property in that addition. It was understood, they said, that when the property was purchased a street connecting Eighth street with Division street, said to be owned by Dan McGillicuddy blocked the proposed street, and the owner positively refused to allow the street to be opened through his tract.

The ruling of the court in this case means that a street will be opened connecting Eighth with Division. The cost of the action, together with the amount of damages, will be borne pro rata by interested property owners.

WILL CAMPAIGN FOR WILSON

Mrs. Margaret M. Ross Will Stump the State for Wilson and State Ticket

Mrs. Margaret M. Ross democratic nominee for representative from the 29th district, returned home yesterday from a political mission in Eastern Washington and the Sound cities. Mrs. Ross will leave Thursday to make a speaking tour for the Democratic state committee, and will open in Tacoma Thursday evening. While on the Sound, Mrs. Ross made two addresses at Seattle.

Speaking of her visit in Tacoma, the Ledger of yesterday said: "Mrs. M. Ross, who was formerly a South Dakota newspaper editor, advertises her candidacy on her campaign cards in the following words: 'Mrs. Margaret M. Ross, Aberdeen, Washington, desires to be your hired girl in the legislature of 1913, 29th district.'"

She is strongly in favor of providing open air camps for youthful convicts who are not beyond reform. "Not even the government has the right to take the lives of those who still have good in them," she explained. "When the government places young convicts in prison, subjecting them to contact with tubercular germs, it is doing that very thing. Give this class of convicts open air and put them to work on the roads. Good roads will mean greater population, and that is what we need. Good roads will bring neither the poor nor the rich, but the middle classes—the classes which the state and Washington can use to the best of advantage in continuing its industrial progress."

Mrs. Ross, being on the democratic ticket, is firm in the belief that Woodrow Wilson will carry Washington and the remainder of the country.

DAMAGE SUIT LOST BY CITY

Superior Court Gives Dan McGillicuddy Damages for Land

The ruling of the court in this case means that a street will be opened connecting Eighth with Division. The cost of the action, together with the amount of damages, will be borne pro rata by interested property owners.

ATHENA UNDERWEAR

Athena has set a new standard in women's underwear.

It is proving to particular womankind that the uncomfortable features of ordinary knit underwear—the lack of fit, the imperfect conformation to the body lines—are no longer necessary (see illustrations below).

Athena is truly tailored and fashioned to fit

The shaping—the tailoring—is not confined to any one part. It reaches everywhere.

The Athena patent fitted seat is the most remarkable advancement ever made in underwear designing.

Athena is sold in all fabrics at no higher prices than you pay for ordinary knit underwear. In all the new shapes demanded by fashion's requirements.
