

WOMAN IN BAD CONDITION

Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Montpelier, Vt. "We have great faith in your remedies. I was very irregular and was tired and sleepy all the time, would have cold chills and my hands and feet would blot. My stomach bothered me, I had pain in my side and a bad headache most of the time. Lydia E. Pinkham's Vegetable Compound has done me lots of good and I now feel fine. I am regular, my stomach is better and my pains have all left me. You can use my name if you like. I am proud of what your remedies have done for me." - Mrs. MARY GAUTHIER, 21 Ridge St., Montpelier, Vt.

An Honest Dependable Medicine It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for nearly forty years, and to-day hold a record for thousands upon thousands of actual cures, as has Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.

SUMMONS.

IN THE SUPERIOR COURT OF THE STATE OF WASHINGTON, IN AND FOR CHEHALIS COUNTY. Stephen Szcepanski, Plaintiff, vs. Katherina Szcepanski, Defendant. The State of Washington, to the said Katherina Szcepanski, defendant, above named: In the name of the State of Washington, you are hereby summoned to appear within sixty (60) days after the date of the first publication of this summons, to-wit: within sixty (60) days after January 16th, 1914, and defend and answer the complaint in the above entitled action, and answer the complaint of the plaintiff, and serve a copy of your answer or other pleadings upon the undersigned attorney for the plaintiff at his office below stated; and in case of your failure so to do, judgment will be rendered against you according to the demand of the complaint which has been filed with the Clerk of the above entitled court. The object of this action is to obtain a decree of absolute divorce upon the ground of abandonment, and to have both the real and personal property of the parties hereto awarded to the plaintiff together with the care, custody and control of the minor children.

AT THE COURT HOUSE

The Weekly Record of Legal Doings at County Seat

MINUTES OF SUPERIOR COURT AND NEW CASES FILED. LIST OF REAL ESTATE TRANSFERS AND MISCELLANEOUS INSTRUMENTS FILED WITH COUNTY AUDITOR.

Our Query and Reply Department How did southern Illinois come to be called "Egypt"? Was the name applied in a contemptuous sense? Instead of being applied in a contemptuous sense, the term originally implied praise and gratitude. In 1834 a succession of crop failures in the upper Wabash valley necessitated bringing seed corn from southern Illinois. The supply there was so abundant and was dealt out so generously that, referring to the Bible narrative of Egyptian abundance, that region was called Egypt, and the name prevailed for a long time.

Banish the "Blues!" If you have that depressed feeling it's more than likely that your blood is out of order—impooverished or poisoned. There is only one thing that will alter your present condition—that's to restore your stomach to normal health and strength. For a weak or diseased stomach cannot make good blood. If your digestion is bad your food will not make the good blood which nourishes body, brain, heart and nerve. Dr. Pierce's Golden Medical Discovery helps the stomach to do its work naturally and properly. Stimulates the liver. The system is freed from poison. The blood is purified. Every organ is rejuvenated. Instead of the "Blues," you feel fit and strong, equal to any task or up to any pleasure. This great remedy has proved its worth year after year for over forty years. Let it prove its worth to you. Sold by medicine dealers in tablet or liquid form or send 60c for trial box by mail. Send 31 one-cent stamps to pay cost of mailing only on a free copy of Dr. Pierce's Common Sense Medical Advice, 1008 pages, clothbound. Address Dr. J. C. Pierce, Buffalo, N. Y.

PATENTS TRADE-MARKS and copyrights obtained or no. See book-lets on how to obtain and brief description for FREE SEARCH and report on patentability. Send 5c stamp for NEW BOOKLET. Send 25c stamp for FULL PATENT INFORMATION. It will help you to secure. READ PAGE 11 and is before applying for a patent. D. SWIFT & CO. PATENT LAWYERS, 303 Seventh St., Washington, D. C.

What countries compose the so called Latin American states? All on the western continent south of the United States—that is, beginning with Mexico and southward. What is meant by John Bird's yardstick? It was the standard measure of Great Britain as constructed by John Bird (1706-1776). Bird was in early life a weaver by trade, but his remarkable mathematical and mechanical talent led him in another direction, and he became the most celebrated mathematical instrument maker of his time and acquired European fame. What is meant by the flash point of coal oil or any inflammable liquid? Does it vary in different oils? As the phrases boiling point and freezing point indicate certain degrees of heat or cold, so flash point means that degree of temperature at which an inflammable liquid, like kerosene, gives off a vapor in sufficient quantity to flash or burn momentarily by contact with a spark or flame. It varies somewhat in different liquids because the more volatile the liquid the lower the flash point. The common standard in the United States is 110 degrees. What is the authority for the use of the words "bromide" and "sulphite" in referring to a negative or unoriginal person? The sole authority was a humorist, who appears to have hit upon a slangy construction of the words that appealed to the popular sense. "Bromide" is applied to a dull person and "sulphite" to a bright one. Please define the word kith in the phrase "he had neither kith nor kin." Why do the two words always go together? The words have different meanings and can be used separately, kith meaning friends or acquaintances and kin meaning relatives or kindred. The phrase kith or kin is synonymous with friends or relatives. The word kith is practically obsolete and seldom used except in connection with kin, but Longfellow uses it separately in the line, "The sage of his kith and the hamlet," meaning the sage of his acquaintances and the village. What does quo vadis mean? Quo is Latin for whither; vadis.

SPECIAL TO WOMEN The most economical, cleansing and germicidal of all antiseptics is PAXTINE A soluble Antiseptic Powder to be dissolved in water as needed. As a medicinal antiseptic for douches in treating catarrh, inflammation or ulceration of nose, throat, and that caused by feminine illis it has no equal. For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been cured say it is "worth its weight in gold." At druggists. 50c. large box, or by mail, The Paxton Toilet Co., Boston, Mass. Was Norfolk, Va., burned by the British in either of our wars with Great Britain? At the very beginning of the Revolutionary war it was burned by Lord Dunmore, the royalist governor of Virginia, in an attempt to disperse some Virginia and Maryland militia who had occupied the town. Dunmore set fire to the town, and the Americans finished the work of destruction in order to prevent its falling into the hands of the British. This was in January, 1776, six months before the Declaration of Independence. Cause For Tears. "Do you ever weep over a story?" "Sometimes, when I get it back from the publishers."—Houston Post.
