### N. A. A. C. P. SPRING DRIVE

President Samuel H. Stone will act as chairman of the evening at the James Weldon Johnson meeting next Thursday evening at the Y. M. C. A. hall.

Dr. F. B. Cooper is not a constant visitor to the branch, but he brought home the bacon last Monday evening.

The Campaign Committee has thought it advisable to discontinue the published program idea and other arrangements will be made. Each church, however, will be supplied with a speaker and a complement of four solicitors, but in case any member of the branch sees that there is a shortage of either speaker or solicitor volunteer to help. During this rally, let every member become a soliciting committee of one to get new names.

Dr. Arthur Williams made a noble fight and gave them more than value received for their money at the dance, but came out three dollars to the bad. A vote of thanks, however is in order for his good work.

Mrs. N. J. Asberry will head a committee that will take the Hon. James Weldon Johnson to Tacoma June 6th. He will speak in the Baptist Church in Tacoma and Mrs. Asberry is hopeful in having a Tacoma branch set up on that occasion.

W. H. Wilson has done very effective work in the N. A. A. C. P. drive.

If W. L. Presto is to continue to disturb the peace and harmony of the public meetings of the N. A. A. C. P., then the branch ought to either expel him or he expel the branch.

James Weldon Johnson will tell you things next Thursday evening that will be music to your souls.

Samuel H. Stone, president of the Seattle branch, will preside at the Johnson meeting.

Rev. W. D. Carter, like oil, soothes the troubled waters when everybody wants to be heard.

New Incumbent—"The next question, dear friends, is the carol singing. From what I learn, I think a couple of tenors would brighten the singing and—er—I think I can get them for you."

Choirman—"Thank'ee, sir, on behalf of the singers. I'm sartain sure it will make us sing more 'earty like. You see, sir, last parson was here twenty year, an' he never gave us a penny."
