

PAPA HILL

Has paid us seventy thousand dollars cash for four lots in Block 200, Seattle Tide Lands; this property cost us seven hundred dollars six years ago.

PAPA HILL SAYS

Wall Street speculators can mark any prices they please on the **blackboard** for his property (including tide lands); that it is bought and paid for and no one will get it away unless they knock him down with a club.

PAPA HILL

Just about knows our \$500,000 worth of South Seattle Tide Lands are for sale NOW at less than half their real value. They are sure to advance at least **fifty per cent** annually.
