ODD DEVELOPMENT OF GAME

The prize fighting game, especially in San Francisco, has developed many odd turns, but the latest development is an exceedingly odd one, to say the least, in the light of recent events. Not only have the promoters acquired the Chicago habit of "knocking" one another, a trick that caused Mayor Harrison to kill the game that laid the golden egg and sent many a fighter and manager back to the sawmill and farm, squealing like a lot of spoiled children deprived of their favorite toys, but they have turned to the star boxers and refuse to give the public what they want. And all of this following the thorough airing given the game at the recent session of the legislature and the narrow escape it had from being shut down entirely.

The particular top-notch fighter now feeling the lash of the promoters is Battling Nelson. "Batt" has learned a lot since he came West and his astuteness in matters financial has grown amazingly. He knows that he is a drawing card and has no hesitation in saying so. Therefore, in planning to bring the Dane and Britt together, the matchmaker reckoned without his host in agreeing to give Britt a 5 per cent bonus and Nelson only the cut he would earn by fighting. The battling one wanted to be treated the same as Britt and because his demands were rejected, he refused to play.

Sporting Briefs

The junior team of the Seattle college defeated the boys of the Pacific school yesterday by a score of 11 to 9.

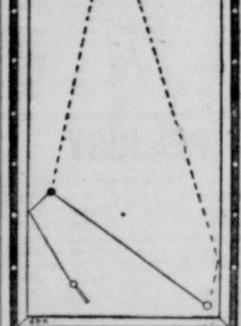

The Seattle college juniors are ready to play any team averaging under 14 years of age.

BALLARD, April 7.—The Business Men's association held a special called meeting Thursday afternoon and agreed to assist the Ballard baseball club in erecting a grandstand at the Steel Works grounds.

In a fast basketball game at Ballard, Thursday night, the Puget Sound basketball team defeated the St. Ann aggregation by a score of 23 to 22. The game was one of the best seen in the city for some time. Both teams lined up against each other with a clean list of victories behind them. Lyons made the winning points for the Puget Sound team.

The Rainiers and the Superiors will occupy the diamond at Recreation park Sunday. Both of these teams "have it in" for each other and it will be a fight to the finish. Frederick & Nelson will go to Fort Lawton, and the Seattle Electric to Snohomish.

CUSHION-FIRST SHOT, WITHOUT ENGLISH

Strike the cue ball low, without English, the cushion first, so as to strike the red ball about one-third, and the shot will be made, bringing the red ball back into the corner to join the others. The shot should be played this way when the object ball is not more than four inches from the rail.

SHUT 'EM OUT

OAKLAND, April 7.—Seattle shut Oakland out in the game of 2 to 0. Skeel Roach was in the box for the Athletics and pitched an elegant game. The big twirler allowed Oakland but three hits during the whole performance, which, backed up with an errorless game by the players, never gave the Commuters a look in. Moskiman, for Oakland, also pitched a good game. Score: Seattle.....0 0 0 0 1 1 0 0-2 Base hits.....1 1 1 0 0 1 2-7 Oakland.....0 0 0 0 0 0 0-0 Batteries—Roach and Baehr; Moskiman and Oswald.

SAN FRANCISCO, April 7.—Thursday's game at this place was pitched by the Athletics. When the Webfooters out and allowed but two hits. French, after two hits had been made off his delivery, was replaced by Case Cates, who pitched the last half of the game in excellent form. Score: R. H. E. Portland 0 0 0 0 0 0 0-3 2 1 Prieto.....0 0 0 1 0 1 0-3 Batteries—French, Cates and McLean; Whalen and Wilson. Empire, Davis.

LOS ANGELES, April 7.—Tacoma again won from the Angels at this place Thursday. The score at the end of the game was 3 to 1 in favor of the Tigers. Although both teams made the same number of hits, a combination of errors on the part of the Angels gave Tacoma the victory. Score: R. H. E. Angeles 0 0 0 0 0 1 0-1 5 2 Tacoma 0 0 2 1 0 0 0-3 5 0 Batteries—Baehr and Eager; Thomas, Hogan and Graham. Empire, Perrine.

The telegraph service in the office of the Great Northern in Seattle has increased so rapidly that it has been necessary to have a direct line into St. Paul and an additional operator in Seattle.

to put up his forfeit and naturally considered the match off.

When the promoters approached him he felt that his second defeat of Corbett had increased his powers. A drawing card, and in view of Britt's failure to post his forfeit held out for new conditions, rightfully holding that Britt's remission had nullified the original agreement. He asked for an \$1,000 bonus as Britt was to receive and was promptly turned down. To bring him to time the wily promoters gave out the information that Nelson had been passed up and that James White, the English counterfeiter, had been signed up to meet Britt. For this they were given the merry horse, but they have remained silent and what they really intend to do is a mystery. Meanwhile, Britt continues to train, conditioning himself in company with Marvin Hart. The San Francisco sporting public has stood for all sorts of things, but it will hardly stand for White while there is as worthy an opponent in the field as Battling Nelson.
