

TRUST PROBING HAS NOT BEEN STOPPED

President Roosevelt in His Speech Today Asks for Better Laws, That Will Prevent Trusts--Wall St. Tip on Message Was a False Alarm.

(By United Press.) PROVINCETOWN, Mass., Aug. 20.—"There is no objection in the minds of this people to any man's earning any amount of money if he does it honestly and fairly, if he gets it as the result of special skill and enterprise," said President Roosevelt today in an address commencing the laying of the cornerstone to the monument marking the spot where the Pilgrim fathers first landed on American soil.

J. Henry Blake. The speech of the president was delivered from a stand erected at the side of the hill, and in it he paid a glowing tribute to the memory of the Pilgrim fathers and their Massachusetts descendants. James Brice, the British ambassador, offered the congratulations of the mother country. Other speakers included Governor Guild, Senator Lodge and the officers of the town and national association. Following the completion of the exercises Provincetown entertained its distinguished guests with a luncheon in the town hall and a parade through its only important street.

SAY ENGINEER WAS UNFIT FOR WORK

Marine Inspectors Turner and Whittier this morning heard the evidence against W. A. Sturgis, engineer on the tug Griffin, charged with drunkenness by Capt. H. W. Crosby of the Crosby Tug company. Witnesses stated that Sturgis was in no condition to attend to duty on more than one occasion. Larry Kobanan, chief engineer of the tug Blanch, testified that he was persuaded to leave his post because Sturgis had been discharged, but that he was sorry for his action afterward.

WRECK

Two men were badly injured and several more had narrow escapes in the wreck of a freight train on the Columbia & Puget Sound railroad, two miles from Taylor station late yesterday afternoon. The seriously injured were J. K. Fisher, superintendent of construction for the Deun-Remton Clay Co., right hand crushed and bruised about the head, and Engineer C. W. Mayers, who was badly cut about the head and suffered a dislocated arm.

The wreck was caused by the failure of the air brakes to work while the train was descending a steep grade, 18 cars jumping the track. The train was in charge of Conductor D. G. Howard.
