

### LAST PRACTICE FOR THE HIGH SCHOOL TEAMS

What will the score be? That is the question that the students of both the Lincoln and Washington high schools are asking in anticipation of Wednesday's game between the football aggregations of the two schools. Everyone expects Washington to win. But there are those who expect Washington to win by a pick score, and those who think one little lone touchdown will be all that Coyle, Smith, Westover & Co. will be able to secure. Both teams will put in their last hard practice tonight. Tomorrow night will see the teams going through light signal work only, and Wednesday will see them in shape for the game. Neither Coach Allen of the Washington high, or Coach Lewis of the Lincoln would announce his line-up this morning. Several places on each of the teams are open for argument, and the work of the men in the scrimmage tonight will decide just who will get into the game. The contest is for the championship of the city and a bumper crowd should attend.

### S. A. C. BEATS MULTNOMAH

In one of the best football games of the year, the Seattle Athletic club team did Man for Billy Ingalls and Coach Tom McDonald proud Saturday afternoon by beating Multnomah 6 to 0. Seattle's victory was due to a whirlwind start, Multnomah being for the first few minutes of the game helpless against the open new style game put up by Seattle. The touchdown was rushed over and the goal kicked before the visitors knew that there was a game on. Then Multnomah settled down, and if anything had a shade the better of the argument, being however unable to score. Kern, Dowd, Whiting and Lonergan were the stars.

### BEWARE THE PICKLE DIET, YE FAT ONES!

Which shall it be—fat and healthy, or lean and fashionable? So many women are impairing their health by taking acids and drugs in order to make themselves lithe and modish, according to physicians, that the medical profession would rise to make public protest if such procedure were not unprofessional. One martyr, now under treatment in a sanitarium, has been taking this course daily. Before breakfast, half pint vinegar. After breakfast, one lemon or two limes. At lunch, pickles and sour apples. DR. KELLOGG ILL. Dr. W. R. M. Kellogg, etc. bacteriologist, who has been actively connected with the examination of rats to detect possible bubonic plague, has been in the hospital several days and has just undergone a very serious operation for abscess of the liver. At last accounts he was doing well.

### PRIZE FIGHT IS STOPPED

A bunch of Georgetown sports had everything arranged for a prize fight on Saturday night, but wind of the affair leaked into the office of Sheriff Smith, and Deputy Sheriffs McKinnon, Wise, Carney and Mullen reached the side of the improvised ring in time to put the "Nixy" sign out. Some of the Georgetown authorities were there in anticipation of seeing the mill, but dispersed with the rest at the orders of the deputies. Jim Marino and Charles Schultz, better known as the "Prisco Kid," two amateurs, were billed to go 20 rounds. Schultz drives a Georgetown delivery wagon and trains between times. The winner was to have taken the gate receipts.

### SEATTLE BEATS VICTORIA TEAM

The Seattle Soccer team proved a little too strong for Victoria yesterday and won by a score of 3 to 2. Until near the close of the game the score stood 1 to 1, and the crowd expected a tie in spite of the fact that Seattle was keeping the ball in the visitors' territory. Then Victoria scored by a lucky shot, and the Seattle team's supporters wilted. But the local players came back strong and scored twice before the contest ended, just putting the game on ice in time to beat the whistle.

### SUICIDE

Wearied with years of distressing sickness, George Hand, an old time resident of Washington, succumbed to despondency yesterday and took his own life with a bullet. At the residence of B. A. Bennett, 1137 Tenth av., where the invalid man has been living for some weeks he was found lying on the back porch, dead, within a minutes after his revolver shot had started the neighborhood. So far as known, the man has no relatives living. The body has been taken in charge by Honey-Watson.

The Mariners won from the Rangers 6 to 9 in a fast game of soccer played at Woodland Park yesterday afternoon.

# MRS. TAFT IS DEAD

(By United Press.) MILLSBURY, Mass., Dec. 9.—Mrs. Louisa M. Taft, mother of Secretary Taft, died here Sunday morning. The end was expected and came peacefully. The funeral will be held Tuesday at the Torrey residence where Mrs. Taft passed her last days. Rev. E. A. Putnam, pastor of the Congregational church, will conduct the services. Immediately following the services the body will be taken to Cincinnati for burial beside that of Mrs. Taft's husband, Judge Alphonso Taft. Mrs. Taft was born in Boston, September 11, 1827, the daughter of Samuel Davenport Torrey.

## WAITRESSES WIN STRIKE

A complete and overwhelming victory has crowned the efforts of the waitresses union and allied organizations which called out their members last Saturday morning in favor of the restaurants of the city rather than submit to the restoration of a seven-day week. The walk-out was sudden and complete and soon convinced the proprietors that the waitresses could not be bluffed. No sooner had the officers of the union called their members out Saturday morning in accordance with the decision of the union in session Friday night than the proprietors began falling over themselves to sign up the agreement presented to them by the unions. As rapidly as the agreement was signed the waitresses returned to work. Soap Lake Soap cleanses and heals. signed up on Saturday the employees were notified to return to work and did so, and even before night that day most of the places were in thorough working order again. This morning all is calm and serene in the restaurant field, all of the proprietors having returned to the union agreement fold and everything is running as usual, much to the gratification of the members of the union who were deeply solicitous lest the trouble be bitterly contested and long drawn out.
