

GREATEST PITCHING DUEL EVER FOUGHT; SUCH ANOTHER MAY NEVER BE SEEN

"NO-BASE" GAMES. 1880—Lee Richmond, Worcester, National league, shut out Cleveland without a batter reaching first base.

STRUCK OUT 15 LET NO ONE REACH FIRST

THE HEROES, SIDE BY SIDE—WALSH AND JOSS.

BY NORMAN ROSE. The greatest pitchers' battle ever fought—this ranks in baseball history the game at Cleveland, October 2, featured by the marvelous twirling of Addie Joss and Ed Walsh, and won by Cleveland by the narrowest margin possible—1 to 0.

They knew they were seeing a battle of hurling skill whose like had never been witnessed as an inning after inning passed, without a Chicago batter reaching first, they just sat silent, and hoped.

SAID JOSS: "I was not trying for the record I made. I just wanted to beat the Sox. It was not until the seventh inning that I began to realize the feat that was within my grasp. Don't forget that the boys played grandly behind me. Don't forget Nig Clarke's work behind the bat, nor Larry's wonderful fielding."

SAID WALSH: "I pitched a fairly good game, but Joss pitched a better one. While I struck out 15 men, the Naps got four hits off me, while not a hit was made off Joss. Hits are what count. Also, I passed a batter, and Joss passed no body. While I am sorry we had to lose, I am heartily glad Addie took down a record that goes to so few pitchers."

Walsh struck out 15 Cleveland batters. This feat has been equaled but three times in major league history. Ten thousand fans sat spellbound through the contest. There was little cheering. Nerves were at too tight a tension for whoops and yells. There was an outburst when Cleveland's run was scored, and Walsh's great catch of the occasional round of hearty applause, but mostly the people sat with hands tight clenched and bated breath.

CURES ECZEMA QUICKLY New Drug, Poslam, Now Obtainable in Small Quantities.

Since its discovery one year ago, the new drug, poslam, has successfully cured thousands of chronic cases of eczema and other distressing skin afflictions. Heretofore poslam has been dispensed solely for the benefit of eczema patients in large jars sufficient for a month's treatment. This was found to be an inconvenience to many thousands who use it for minor skin troubles, such as pimples, blackheads, herpes, acne, scaly scalp, complexion blemishes, itching feet, piles, etc., which require but a small quantity to cure. To overcome this, and in response to urgent appeals, the dispensers of poslam have been obliged to adopt in addition to the regular two-dollar package, a special fifty-cent size, which in future may be found on sale at the Quaker Drug Co., and other leading drug stores in Seattle, or may be ordered direct from the Emergency Laboratories, No. 22 West 24th Street, New York City. In all eczema cases poslam stops itching with first application, and proceeds to heal immediately; chronic cases being cured in two weeks. In less serious skin troubles, results are seen after an overnight application. Samples for experimental purposes may still be had, free of charge, by writing to the laboratories for them.

BIG HURLER FOR WORLD'S SERIES

EDWARD M. REULBACH.

Doubtless Mordecai Brown and Orval Overall will be counted on to do the bulk of the work for the Chicago National leaguers in the post-season games, but big Ed Reulbach will be on the side lines for the life saving act, just as he was last fall, when he went to Overall's rescue in the first game with the Tigers, pulling it out with a tie score. He won the third game all by his lonesome.

Kaufman Wins Easily. NEW YORK, Oct. 10.—Al Kaufman of San Francisco, Bill Deane's big protegee, last night knocked out Fred Bradley of Boston in the fourth round at the National Athletic club. TACOMA, Oct. 9.—In a game of old-fashioned football in which neither side attempted forward passes or trick plays to any extent the Whitworth college eleven yesterday afternoon defeated the University of Puget Sound team at Athletic park by the score of 11 to 0 in the first intercollegiate football contest of the season in Tacoma.

GIANTS WILL NOT SUE FOR PENNANT

President Brush, of the New York Giants, yesterday denied that he would take the matter of the alleged tie between New York and the Chicago Cubs of September 23 into the courts with a request for an injunction prohibiting the Cubs from playing the world's championship games. Brush stated that while the National league pennant is technically theirs, they were too good sports to take such action.

Baker, the big southpaw pitcher on the Tacoma Tigers 1908 pitching staff, and Miss Grace Shoemaker, of Steilacoom, came to Olympia and were quietly married by Justice of the Peace J. G. Cronch. Visitors Light, But Will Make Up the Deficit in Speed. The Portland high school eleven in this afternoon playing the crack Lincoln high school football team on the university campus. SPORTING SIDELIGHTS

There has been a change in the makeup of the team of Australians who will defend the Davis cup, the international lawn tennis trophy. A. P. Whiting, who with Norman Brookes won the trophy a year ago, is not named as a member of the intrepid team. Two men named Rice and Heath are hooked up with Brookes as the defenders. The matches will be played at Melbourne about the 20th of November. The American challengers, Beals C. Wright and F. B. Alexander, are now on the ocean, bound for Australia. Every effort was made to have Billy Larned, national champion, go as a third member of the team, but he could not be persuaded. Wright and Alexander have both been in great form all season and are hopeful of bringing the coveted prize back with them.

Has-beens are has-beens, whether it's ball players, horses or ships. The famous old Puritan, cup defender which in 1885 defended the America's cup against the Genesta, is now a packet in the Cape Verde islands. What's the use of being a chess player when boxing gloves are for sale at a few dollars a pair and Philadelphia is on the map? Dr. Emanuel Lasker, world's chess champion, got only \$2,645 as his total reward for successfully defending his title against the German. Seats now selling for "Checkers."

The Chicago White Sox Rooters' association, whose "main gun" recently maced an umpire on the biggie, sending him to a hospital, will probably be disbanded. Previously there had been a scandal in its ranks, because of a leak in the treasury. Looks like those rooters by day must have been the gents who might handle the lead pipe and the sanded sock in dear old Chi.

Illinois, Chicago, Minnesota and Wisconsin have already elected themselves as the "big four" of foot ball in the West. Be too bad if some little dab eleven comes along and hands it to various of these mighty teams. Bat Nelson is also writing a book. (The other author we have in mind is Mr. Rockefeller. Their efforts will undoubtedly be the two best sellers of the coming literary year.) Mrs. Dr. Geo. W. Miracle, children's diseases, 419 Hinkley block.
