## TO ORGANIZE BOWLING CLUB

Bowling Tournament is in Progress at the Y. M. C. A.

Bowling has come to be one of the most popular of sports at the Y. M. C. A. Four alleys are installed, and are under the direction of Harry Anderson, a young man who is very popular with the ten pin enthusiasts. During the afternoon and evenings the alleys are constantly in use.

A three-team tournament is now in progress on the alleys. Captain W. G. McCartney's team is made up of himself, Fred Bonedict, Howard Kelsey, Frank Nicolas, G. Mulvey and A. McKechnie, sub. Captain L. Blair's ten pin bunch is composed of the following besides himself: Dr. J. G. Lovell, G. B. Schuler, L. A. Roster, Will Skoopes and Will Dickson, sub. The following is Captain William Baseler's team: E. W. McPhail, G. Dahl, J. Van Orsdel, R. F. Murray and R. Knapp, sub.

The tourney will terminate on December 17, and at that time a Y. M. C. A. bowling club will be organized, with the view of being represented at the Western Bowling congress tournament next year.

**Sweaters Are Ordered.**  
The executive committee of the Broadway High School Athletic association Tuesday authorized Manager Hartman to order the sweaters for this year's football veterans. The emblems will be ready for delivery in about two weeks, so the boys will receive them in the nature of Christmas presents. Twenty are being made.

**No More Passes.**  
The American league magnates in session at New York have ruled that visiting clubs will not be allowed admission passes to the grounds. They also limited the drafting period from September 1 to 15.

## PAGE TO LEAD CHICAGO ELEVEN

HARLAND PAGE.

(By United Press.)  
CHICAGO, Dec. 9.—Although he never played football until he matriculated at Chicago university, Harland Orville Page, star right end of the 1908 eleven, took to the game like a duck to a mill pond on a sultry afternoon, and for two seasons played a phenomenal end. As a reward for his playing, and in token of his fine personality, his teammates elected him captain of the 1909 eleven unanimously. In addition to being a star on the gridiron, Page is also a fine student.

## KID MARINO AND ATTEL MATCHED

Will Fight the Hebrew at Calgary Near Christmas.

Eddie Marino of this city and Abe Attel have been matched to fight at Calgary on Christmas day or thereabouts. Since Marino defeated Billy Lander, the lightweight champion of Canada, at Calgary recently, the wires between here and Los Angeles have been kept hot with Attel negotiations. Marino left last night for the Alberta town. He stated that he was unaware of the conditions, but that Johnnie Reid (of Yosemite fame locally) has settled all the preliminaries. Attel does not overlook many amoebons in his business, and as there are indications of a pay streak at Calgary—Calgary for him, Attel's popularity is waning in California, due to his recent exhibitions there, Marino is confident of coming out on the long end.

## WILL RUSS HALL BE TIGER MANAGER?

Fans Believe That He is Slated to Succeed Mike Lynch.

Despite all denials emanating from Tacoma, indications are that Russ Hall will next season be directing the baseball fortunes of George Shreeder's Tigers. Russ Hall says he has a baseball offer and a business proposition in view. Asked what kind of an offer it was, he replied that he was offered a managerial position and a block of stock in a club. This doesn't it? Further than this Hall would not discuss the matter. Baseball followers have been wondering what sudden gust of generosity prompted him to sell nine of his best players for \$1,500, a sum not a little below their market value. It is argued that Hall is the best qualified man to fill Mike Lynch's shoes. Shreeder not being a practical baseball man, must have a manager of Hall's caliber. Of course Hall wouldn't let this leak out before the meeting. What would his franchise be worth then? How about it, Russ?

This is also a season when the loaded gun is left standing where baby can get it.

**CLIP THIS OUT**  
Valuable Recipe When Afflicted With Rheumatism or Backache, Also Splendid Tonic.

At the first sign of rheumatic pains or backache, or a feeling of being generally run down and weakened, the following simple prescription should be used:  
"One ounce compound syrup Sarsaparilla; one ounce Toris compound; half pint high grade whisky. Mix them and take a tablespoonful before each meal and at bed time. The bottle must be well shaken each time."  
Any druggist will supply these ingredients.  
This will eradicate the acid poisons from the blood and build up the system to its normal healthfulness. The splendid effects will become manifest after the first few doses, but it should be continued until the person has fully regained health. The worst cases of rheumatism are bound to yield to this treatment.  
This is published by the Globe Pharmaceutical Co. of Chicago, manufacturers of Toris compound.

## A Fixed Purpose A Fixed Plan

In explaining the beginning and success of their savings many of our depositors tell us that without some definite object in view they could never have accomplished what they have.

One man saves to buy a home; another saves to buy a ranch. This young man saves to go into business; that one to put his boy or girl through college. Some save to help the old folks; others to provide for their own old age. The thing that you most earnestly desire to HAVE or to DO is your lifetime — make that your Fixed Purpose.

As to the Fixed Plan, most of the depositors with whom we have talked agree that there is nothing to equal the good old habit of saving and banking a certain amount on each and every pay day.
