ANOTHER WHAT-DOES-IT-LACK PICTURE

Rather an affecting scene, this. A blind mendicant pathetically holds out his hat for charity. A sympathetic looking woman has paused and seems to be in the act of dropping alms. What can the picture lack? The artist declares that it certainly lacks something. He is such a waggish artist that it will be best to suspend judgment until you see the finished picture tomorrow. He says he is going to draw in a detail that will give the picture even more human interest.

DICK SHOREY FINDS SISTER

READS STORY IN THE STAR, AND THERE IS A FAMILY REUNION.

The story in The Star of "Dick" Shorey, whose sister had come to Seattle from London, Eng., to search for her brother, because his family had heard nothing from him for three years, has brought about the reunion of the brother and sister. "I know you will be glad to know that the story in The Star has been the means of finding my brother," writes Miss Shorey, "and that you have made two hearts glad in Seattle." Disappointed in love, "Dick" Shorey left home in London 20 years ago and came to America, buying a ranch at Silverdale. Three years ago his letters to his relatives ceased, and no word had been received from him since. In the meantime the father and mother died. Unable to endure the uncertainty of whether her brother was dead or alive, Miss Shorey crossed the seas, and about a week ago appealed to The Star to aid her in the search. The finding of her brother is the happy sequel.

REAL WAR IN THIS COMIC OPERA STATE

(By United Press.) NEW ORLEANS, Nov. 18.—Terror reigns in Nicaragua today, according to cables received from Panama, where refugees are arriving in great numbers. Hundreds of men are being put to death for assisting Provisional President Estrada in his revolution against President Zelaya. Five hundred men have been shot without trial, according to the refugees, who are telling tales of horror. The government troops are arresting men suspected of being in sympathy with the revolt, and a number of women likewise have been taken into custody and compelled to suffer humiliation, according to the reports given by the refugees.
