

MARY'S COOK BOOK

Angel Rolls.
Bake an angel food cake in a pan about 12 by 6 by 3 inches. Let cook, cut in slices as thin as possible, trim off brown edges. Sprinkle each slice with icing, sprinkle with chopped nuts; roll it up, stick through with a toothpick and stand on end. When all are done in this way, begin with the first ones and ice outside, rolling in chopped nuts. A drop of icing and half a nut make a nice finish for the top of the roll. When icing has set, take out picks. A half pound of shelled almonds are needed for the recipe.

Tomato Consomme.
Wash and cut up the tomatoes; to a quart of tomatoes add a quart of consomme, one bay leaf, one clove, a tablespoon of chopped onion, and a small blade of mace. Cook half an hour, strain, and clarify with the whites and shells of two eggs. Add salt and pepper if necessary. The result should be a clear, sparkling, deep red liquid.

Beef en Casserole.
Two pounds of beef, chuck or round; two tablespoons butter; one small carrot, diced; one tablespoon flour; one small onion, chopped fine; one-fourth cup strained tomatoes; one bay leaf and salt and pepper to taste. Salt and pepper the meat and dust with the flour. Heat

the fat in a frying pan and brown the meat in it on both sides, then place it in casserole with the other ingredients, cover it and put it in the oven and let it simmer until it is done. Be sure to have the cover on properly, so that the steam and the juices will not escape. Serve cooking of beef in a casserole will conserve its flavor and retain its richness as no other method will. The housekeeper who does not own at least one earthen casserole has yet to learn something of the delicacy of the flavor of beef that is cooked in it.

Stuffed Peppers.
Make a stuffing of cooked rice, tomatoes, a little minced onion and salt. Fill sweet peppers (after seeds have been removed) and bake until tender, basting frequently.

Chocolate Ice Cream Cookies.
One-half cup brown sugar, one-half cup white sugar, one-half cup of butter, two squares melted chocolate, two-thirds cup sour milk, one even teaspoonful soda, one egg; flour to roll this; cut small and bake. Put together with white frosting made of powdered sugar, hot water and a little vanilla and butter. Put frosting on the bottom of one cookie and press another to it, as a sandwich.

CYNTHIA GREYS CORRESPONDENTS

Dear Miss Grey—Will you please give me a recipe for steamed brown (or corn) bread?
YOUNG WIFE.

A.—One cup cornmeal, 2 cups graham flour, 1 cup molasses, 2 cups sour milk, 1 teaspoon soda. Boil or steam two and a half hours, then place in the oven for a few minutes to brown. A few raisins added will improve this bread. From the Votes for Women Washington Cook Book.

Dear Miss Grey—I have seen so much of your good work. I am a bachelor. As you may know, a bachelor's home is where he hangs his hat. Can you tell me how to cook a nice hen?
BATCH.

A.—If the hen is a year old or older, after dressing it nicely, put it in a kettle with just enough boiling water to cover. If not fat, add a little butter, and cook slowly until tender, then fry in butter. Or if you like stewed chicken, cook same way, letting it "cook down" until there is a cup or more of broth. Make gravy over the chicken by adding 2 cups of milk into which 2 tablespoons of flour have been stirred smooth. Cook without scorching until the gravy thickens. Better mix the flour with a little cold milk until perfectly smooth, then stir into the rest of the milk before adding it to the chicken. Stir to keep from cooking in lumps. Hope this will help you out.

Dear Miss Grey—Will alum dry up pimples, or will constant use make the face rough?
J. M.

A.—Alum is an astringent and will stop slight hemorrhages. It will dry up open pimples or squeezed blackheads. Daily use of it is to be condemned, however, it hardens the skin, and by irrita-

tion makes the complexion worse instead of better.

Dear Miss Grey—If one has moved to a new locality in the city or has recently settled in a new home, and wishes to let her friends know she is ready to receive callers, is it good form to send out cards announcing a day "at home"?

A.—Yes.

A SONG.
Not from the whole wide world I choose thee,
Sweetheart, light of the land and sea!
The wide, wide world could not include thee,
For thou art the whole wide world to me.
—Richard Watson Gilder.

ALL AROUND THE HOME

It is best to sew on hooks and eyes with a buttonhole stitch. The first stitch will hold them in place firmly and they will not come loose as readily as when sewn in the usual manner.
Always see that such vegetables as carrots and potatoes are crisp when buying them.
When making pie crust, add a tiny bit of baking powder—about the size of a pea for one pie. This makes the crust light and flaky. When the pie is ready for the oven, pour milk over the surface and let it run off, then dust lightly with flour; this makes a most delicious-looking crust.

NEW MEMBER OF THE ANANIAS CLUB

GEORGE B. M. HARVEY, NEW YORK, Aug. 18.—The Ananias club has a new member. He is Colonel George B. M. Harvey, editor of the North American Review.

Harvey got in bad with his fellow editor and colonel by making this statement in the Review: "But recently Roosevelt, the man, declared that if a national convention were to be held next November, he undoubtedly would be the republican candidate, and would win."
When T. R. saw it he remarked: "It's a simple lie."

ARTIST'S WIFE ASKS POSTPONEMENT OF DIVORCE CASE

Mrs. Julian E. Itter wrote a letter from Paris that caused Judge Tallman yesterday to postpone hearing of the divorce sought by her husband, a Seattle artist. Mrs. Itter tells the court that her husband has no grounds for divorce; that she knew nothing of it until a friend sent her a newspaper clipping about it.

Mrs. Itter begs that the hearing of the case be postponed until she can reach Seattle from Paris. She charges that her married life was always happy until on a recent trip to Paris she learned that her husband was about to marry another woman. She says that she protested and that her husband beat her on the street, knocking her down, causing paralysis of the spine.
