

SCENES FROM THE LIFE OF CHRIST

14.—BRINGING THE SICK TO JESUS

(Recently portrayed on the exact spot where it took place, nineteen hundred years ago—a part of the elaborate and costly moving picture production of the Kalem company, to be first shown at Christmas)

© BY KALEM CO.

And whithersoever he entered, into villages or cities or country, they laid the sick in the streets, and besought him that they might touch if it were but the border of his garment; and as many as touched him were made whole.—Mark vi:59.

RAP STREET CAR AGENT IN TRIAL OF INJURY SUIT

That George Carson, an agent of the Puget Sound Traction, Light & Power Co., took advantage of her shattered mental and physical condition and thus secured her signature to a relinquishment of claim against the company, was the charge made in Judge Smith's court Thursday by the young daughter of Mrs. Jennie I. Pierce. The latter is suing the company for \$25,000, alleging that as the result of a street car accident, she is suffering with tuberculosis of the spine, and other injuries. The trial had to be halted several times this morning when young Miss Pierce, relating the condition of her mother, broke into tears. The settlement was made for \$500.

PANIC? NOT IF HE CAN PREVENT 'EM

By United Press Leased Wire. NEW YORK, Dec. 19.—"I doubt there is a man living who would deliberately start a national panic. But if it should be done, I promise him the severest penalty there is." These were the words of President-elect Wilson in a speech at the banquet of the "Southern" club of New York. WOUNDTN EXCLUDE EVEN BLACK HANDS

By United Press Leased Wire. WASHINGTON, Dec. 19.—In a hot debate in the house on the immigration bill, which provides that all persons entering the United States must be able to read and write some language, Representative Julius Kahn of California attacked the measure. He declared that the educational qualifications would not exclude even the Black Hand society, all of whose members are educated. He declared the bill was simply a recrudescence of anti-foreign sentiment, and was therefore vicious.

HOW MUCH DAMAGES DUE THIS BOY?

How much damages are the parents of an 11-year-old boy entitled to for his loss of earnings caused by injuries from the careless driving of an automobile? Jacob C. Now the father wants compensation for whatever earnings the boy may have had during his minority. The complaint alleges that he was earning \$1.50 as a newsboy until injured.

Clears Stuffed-Up Head and Catarrh Disappears

Breathe the Healing Air of the Eucalyptus Forests of Australia and Quickly Get Rid of Catarrh

HYOMEL will banish catarrh if you will breathe it a few times a day. It is the only remedy of its kind before the people that can penetrate into every nook, corner, fold or crevice of the mucous membrane and destroy the microbes. HYOMEL is squeezed from the green leaves of the Eucalyptus trees of inland Australia, where catarrh does not exist, and combined with Listerian antiseptics. Pour a few drops into the inhaler and breathe this mighty germ destroying air; an air more healing than that of the pine covered Adirondacks. Notice how quickly that stuffed up head clears; keep at it a few

TRIAL OF SAM BERGEON BEGINS

He made several visits to her room in the Christie hotel subsequently, she said, for the purpose of gathering, little by little, a total amount of \$25. On one of these trips she had Detective Leo Barbee near at hand, and the arrest followed.
