GAUNTLET PRINZ EITEL WOULD HAVE TO RUN TO REACH OPEN SEA

British and French warships are watchfully waiting just outside the three-mile limit to nab the German cruiser Prinz Eitel Friedrich when she attempts to slip out into the Atlantic ocean. The Eitel has taken coal on board and may make the dash for liberty any time, reports says.

PRINZ EITEL TO INTERN, REPORT AT WASHINGTON

WASHINGTON, April 7.—With British and French warships still lurking hungrily just outside Newport News, waiting for the German converted cruiser Prinz Eitel Friedrich to venture forth, officials here declared today they believed the German commerce destroyer would intern, and not court almost certain destruction by attempting to run the gauntlet through much bigger warships.

It was denied that Great Britain had protested the Eitel overstayng the limit fixed by the United States. Those in authority pointed out that the British government did not know what limit had been fixed by the United States.

COUNTERFEITER GANG CAPTURED AT RIVERSIDE

Three men were trapped in their cabin east of Riverside, West Seattle, Tuesday, in the act of manufacturing bogus money. Police say the gang has floated thousands of counterfeit dollars and half dollars in Seattle during the last year.

The men under arrest are Tom Dixon, 35, S. Gordon, 27, and Ray Nicholson, 26.

Rushing down a plank walk leading to the cabin, detectives Tuesday were upon the three alleged counterfeiters before the latter had time to draw their guns.

Dies, metal, vices, blow torches and other counterfeiters' tools were found in the cabin. Gordon, supposedly the leader, was standing over the stove when the police arrived.

Fred Fisher, a fourth member of the counterfeiters' gang, surrendered himself to the police at noon. He voluntarily appeared at headquarters.

REPUBLICAN IS CHICAGO MAYOR BY BIG MARGIN

CHICAGO, April 7.—Complete returns from the election here show the plurality of Wm. Hale Thompson, republican, for mayor, over Robert M. Sweitzer, democrat, will be 139,624.

This is the greatest victory ever scored by a majority candidate in the history of Chicago.

To the newly enfranchised women of the city credit for the victory is given by the republican leaders. Women who voted numbered 243,727.

Republicans are jubilant over the result, declaring the election serves as a national barometer, and indicates that the favor of the people is swinging back to the republican party.

They assert the republican chances in the presidential election in 1916 have been greatly enhanced.

Oscar D. Priest, negro, was elected to the city council from the Second ward. This is the first time a member of that race has been given a place in the Chicago municipal government.

BUTTE, Mont., April 7.—After having controlled the city four years, the socialists were overthrown today as a result of the city election held yesterday.

Chas. H. Lane, democrat, was elected mayor over C. A. Smith, socialist incumbent. The democrats also gained a majority of 13 in the city council, which has been controlled by the socialists.

A heavy vote was polled by the women, voting for the first time in a city election.

ABERDEEN, April 7.—Socialists, who had two members in the council, won a third member in yesterday's election. All other officers, from mayor down, were republicans. Judge J. M. Phillips was elected mayor.

WOMAN CHOKED BY HIGHWAYMAN

Mrs. A. M. Miller, 1232 North 44th st., is at home today in a serious condition as the result of an encounter with a thug Tuesday night on 44th st., near Stone way, a few blocks from her home.

The robber made a grab for her purse. Mrs. Miller avoided him. He caught up with her again, and, when she attempted to scream, he started to choke her. While the thug's fingers tightened about her neck, Mrs. Miller fought him, and finally the man, fearing detection by passersby, let up. Mrs. Miller retained her purse.

Motorcycle police were hurried to the neighborhood, but the robber escaped.

\$70,000 DEMANDED
