### KEEP URIC ACID OUT OF JOINTS

Tells Rheumatism Sufferers to Eat Less Meat and Take Salts

Rheumatism is easier to avoid than to cure, states a well-known authority. We are advised to dress warmly; keep the feet dry; avoid exposure; eat less meat; but drink plenty of good water.

Rheumatism is a direct result of eating too much meat and other rich foods that produce uric acid, which is absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate the uric acid which keeps accumulating and circulating thru the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain called rheumatism. At the first twinge of rheumatism, get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Those who have a pleasant, effervescent lithia-water drink, which helps overcome uric acid and is beneficial to your kidneys as well.

### Stops Tobacco Habit in One Day

Sanitarium Publishes Free Book Showing How Tobacco Habit Can Be Banished in From One to Five Days at Home.

The Elders Sanitarium, located at 443 Main st., St. Joseph, Mo., has published a free book showing the deadly effect of the tobacco habit, and how it can be banished in from one to five days at home. Men who have used tobacco for more than fifty years have tried this method and say it is entirely successful, and in addition to banishing the desire for tobacco has improved their health wonderfully. This method banishes the desire for tobacco, no matter whether it is smoking, chewing, cigarettes or snuff dipping. An this book is being distributed free, any one wanting a copy should send their name and address at once.—Advertisement.

GOLD MEDAL Haarlem Oil Capsules will bring new life and quickly relieve that stopped-up congested feeling. They will thoroughly cleanse and wash out the kidneys and bladder and gently carry off the ill effects of excesses of all kinds. The healing, soothing oil soaks right into the walls and lining of the kidneys and expels the poisons in your system. Keep your kidneys in good shape by daily use of GOLD MEDAL Haarlem Oil Capsules and you will have good health. Go to your druggist at once and secure a package of this time-honored, world-wide remedy. It is not a "patent medicine." It is passed upon by U. S. Government chemists and declared pure before coming into this country. GOLD MEDAL is the pure, original Haarlem Oil, imported direct from the ancient laboratories in Holland, where it is the National Household Remedy of the sturdy Dutch. Look for the name GOLD MEDAL on every box. Accept no substitute. Your druggist will gladly refund your money if not as represented.

### VESSELS BURN AT THEIR DOCK

British Steamships Destroyed by Bomb Plot in N. Y.

DAMAGE IS \$4,000,000

NEW YORK, Feb. 16.—Fed by oils, paraffine and gasoline, the steamships Bolton Castle and Pacific were destroyed early today by fire which

### MYSTERIOUS FIRES DURING LAST NIGHT

—Two ships burned in Brooklyn, and pier near them ignited, with loss estimated at \$4,000,000. Bomb plot suspected.  
—Fire starting from explosion in basement of a Fall River, Mass., store, did \$1,500,000 damage.  
—Small fire, apparently incendiary, found near laboratory in Chicago, where poison of a suspected anarchist plotter was being analyzed.  
—Fire destroyed American club at Toronto. Started with an explosion on top floor.

spread to the Brooklyn pier 36, between them.  
Four million dollars' damage was done. There were no casualties.  
Authorities set to work today on the theory that the fire was due to a bomb plot. Members of the crews were gathered for examination, but little information was forthcoming.

The fire, the worst the Brooklyn waterfront has known in years, started soon after 1 a. m. The fire spread to the pier, and the available firemen and fireboats in the Brooklyn service were called into action. The bomb theory was strengthened by the story of Joseph Johnson, engineer of the Bolton Castle. He told of hearing a heavy explosion in the hold while waiting on the forward deck. Instantly the ship became a furnace, and the flames quickly spread to the freight-strewn pier.  
Johnson leaped overboard and swam to safety.  
While the fire was at its worst a fireboat crew, at the risk of their own lives, drew their vessel alongside the Pacific and towed away a gasoline-laden lighter on which sparks were already falling.  
Another heroic act was the rescue over a rope bridge by firemen of more than 50 stevedores and their families sleeping on six lighters near the burning vessels. A number of men jumped overboard and swam to safety from the scows and lighters surrounding the ships. A few smaller vessels were ignited. The Pacific was a 2,621-ton vessel of the Castle line, while the Bolton Castle was a 3,698-ton ship of the same line. Both are English.

### WHOLE BLOCK GONE IN FALL RIVER FIRE

FALL RIVER, Mass., Feb. 16.—After an all-night fight against a \$1,500,000 fire, the combined apparatus of the New Bedford, Taunton and Newport departments checked it early today.  
Starting with an explosion in the basement of the Steiger department store, the fire burned over an entire square, including the Lenox hotel, and just missed the city hall and St. Mary's cathedral.  
A shift of the wind threatened the congested tenement district, where many textile workers dwell, but quick work prevented the spread of the flames to that quarter.

### CHICAGO CITY HALL IS SCENE OF BLAZE

CHICAGO, Feb. 16.—A mysterious and evidently incendiary fire early today caused slight loss in the city hall, near the laboratory in which poison belonging to Jean Green, suspected poison plotter, was being analyzed.  
The fire was regarded as more significant, because maps showing the floor spaces of the city hall and federal building were among Green's effects, after he disappeared, following the attempt on the life of Archbishop Mundelein and others at a banquet last week.

### ONE MAN KILLED IN A FIRE IN TORONTO

TORONTO, Feb. 16.—One man is dead and two are seriously hurt as the result of a fire, supposedly incendiary, which destroyed the American club here.  
F. I. Hurston of Dallas, Texas, a guest of the club, perished when he was unable to escape from his room while the caretaker and paymaster, A. R. Mainard, of the American legion, were badly hurt.  
An explosion preceding the fire shook the whole building. Authorities are convinced this was the work of an incendiary.

### LOTS OF GIRLS ON PANTAGES BILL THIS WEEK

Will J. Ward and his five piano girls head a good bill at Pantages theatre this week with some clever work on the ivories and a number of songs by Ward and a "female baritone."  
Athens, an Oriental dancer, is another high spot on the bill that pleases. She dances barefooted. "The Bachelor's Sweetheart" is a musical comedy of much merit, in which appear another bevy of pretty girls and Eddie Sedan, Bell Little and William Brandell, well

a lot of good smiles. Madlle De Lon, character comedienne, presents a screamingly funny act as a Swedish girl. Burns and Kissen appear in songs and joshes and the Cavanaugh Duo, a man and girl, are slack wire experts.
