EQUITABLE LIFE HAS A GOOD YEAR

The statement of the Equitable Life Assurance Society of the United States gives evidence of the company's continued progress. The insurance on the company's books now aggregates \$1,529,800,000, an increase of \$35,000,000 for the year. The new insurance paid for during 1915 totaled \$158,456,612, the maximum allowed the company under the Insurance Law of New York state. The number of policyholders increased about 35,000 during 1915.

Glycerine and Bark Prevent Appendicitis

The simple mixture of buckthorn bark, glycerine, etc., known as Adler-ka, astonishes Seattle people. Because Adler-ka acts on BOTH lower and upper bowel, ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. It removes such surprising foul matter that a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. THE INSTANT, easy action of Adler-ka is astonishing. ROOSTER CROWS AT 4; FIGHT FOLLOWS

SAN FRANCISCO, Feb. 17.—A rooster that insisted on crowing at 4 a. m. despite neighbors' protests, caused an alleged fight. Mrs. Henry Hamberger accused Kenneth MacDonald, architect, of assaulting her with a glass jar.

Abatement proceedings against the Merchants' hotel, 109 Yesler way, are under way in Judge Al- bertson's superior court Wednes- day.

Ends Dry, Hoarse or Painful Coughs Quickly

A Simple, Home-Made Remedy. Inexpensive But Unequaled.

The prompt and positive results given by this pleasant tasting, home-made cough syrup has caused it to be used in more homes than any other remedy. It gives almost instant relief, and will usually overcome the average cough in 24 hours. Get 2 1/2 ounces Pinex (50 cents worth) from any drug store, pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. This makes a full pint—a family supply—of the most effective cough remedy at a cost of only 54 cents or less. You couldn't buy as much ready-made cough medicine for \$2.40. Easily prepared and never spoils. Full directions with Pinex. The promptness, certainty and ease with which this Pinex Syrup overcomes a bad cough, chest or throat cold is truly remarkable. It quickly loosens a dry, hoarse or tight cough, and heals and soothes a painful cough in a hurry. With persistent loose cough it stops the formation of phlegm in the throat and bronchial tubes, thus ending the annoying hacking.

Pinex is a highly concentrated compound of genuine Norway pine extract, rich in gualaccol, and is famous the world over for its splendid effect in bronchitis, whooping cough, bronchial asthma and winter coughs. To avoid disappointment in making this, ask your druggist for "Pinex" and don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

NEW LEASE FOR CLASS A

The lease of the Class A theatre, owned by Wm. Smythe and Monte F. Brown, has been renewed for five years. Smythe, who is now also managing the Strand, opened the Class A five years ago, doubling its capacity during that time. It is one of the few theatres that hasn't changed ownership since the opening.

COMEDY AT LIBERTY

Pete Prindle (played by Douglas Fairbanks at the Liberty theatre, in "His Picture in the Papers"), loves a girl, but...

"UNDINE" SOME DIVER

The audience gasps with relief when Undine shows that she is alive, after diving 150 feet from a rocky cliff. This is just one of the great aquatic feats accomplished by Undine and other mermaids at the American.

SHARKEY SOME BULL

Some of the worst outlaw horses and the best riders and rovers in the world are seen in "The Pendleton Round-Up," the movie attraction at the Hippodrome. One of the bulls, "Sharkey," hasn't been mastered yet, even by these famous riders.

CHORUS GIRL TANGLE

Besides Florence Reed, several other stars appear in Al H. Woods' Broadway success, now being shown at the Strand. They are Fania Martinoff, John Milner, Forrest Winant and Jessie Ralph. The story concerns the trouble that followed a rich man's dallying with a fast chorus maid.

J. W. K. IN WAR PAINT

J. Warren Kerrigan, the fashion plate of the movies, is seen at the Mission in Navajo and feathers, or whatever you call the costumes the Indians wear. He's at the Mission in "Song of the Stars."

KID IS IN HARD LUCK

Fannie Ward has a role at the Coliseum, in "Tennessee's Partner."

HOW STAR ADVERTISING BRINGS CROWDS TO THE REX THEATRE

Scene Showing the Crowds at the Rex Theatre, in "The Escape." Manager John Hamrick of the Theatre Has Centered His Advertising in The Star, and the Results Show His Good Judgment.

Blind Fate's decrees and Death's grim seal Are rendered real by Nance O'Neil.

"ESCAPE" NOT SO EASY
In "The Escape," now at the Rex, Blanche Sweet, playing the role of a daughter of the slums, happily is taken under the protecting wing of a young doctor of good breeding and noble thought. This is necessary, perhaps, in a photoplay. In real life, however, "The Escape" is not so easily accomplished.

HER PRAISES IN POEM

This sang John Tyro McCurdy in the new venture of Nance O'Neil in the movies, now appearing in the leading role of "A Woman's Past," at the Clemens:

"Aye, soon upon the screen we find
You play on eye, ear, heart and mind,
Revealing subtly in each part
The inmost workings of the heart.
Whole-hearted, realistic, true,
Whole-souled in everything
you do."

FINE MUSICAL ACT HEADS HIPPODROME

The Cox family, consisting of father, three daughters and two sons—musicians all—offer one of the best vaudeville acts at the Hippodrome for the balance of the week seen in Seattle for some time in that line. Father is at the piano, the girls and older boy harmonize, and the young chap, only 10, sings parodies on the late songs that bring the house down. Other acts on the new Hippodrome bill are: Robt. Athon & Co. in "The Breed"; Dare & Williams in a balancing act; Effie Joy, violinist; Abrams & Rose, singing and talking.

Vigor for Men

Wonderful Invention Restores
Health While You Sleep

You need not suffer from loss of strength, nervous debility or any other weakness that unmans you. There is a remedy that cures such troubles quickly and thoroughly. This remedy is electricity, the power that gives life and strength to the human body.

You know that all you lack is force and vim. Anything that will put new life into your nerves and build up your vitality will cure you. Electricity does that when properly applied.

Wear Electra-Vita while you sleep. It fills the nerves and vital with new life. You wake up in the morning full of vim, free from pains and aches.

Electra-Vita is a self-charged body battery, which pumps a steady, unbroken stream of galvanic electricity into the nerves for hours while you sleep, infusing them with new energy and building up the entire system to a strong, healthy condition. It removes the spirit of ambition and haste. It makes strong, healthy men out of slow-going, discouraged weaklings. If you have a pain it drives it out. If you have stomach trouble, rheumatism, weakness, lumbago, kidney or liver complaint, or just a lack of nerve force, Electra-Vita will restore you to perfect health.

Call or write for our beautiful 90-page book, which tells all about our treatment. This book contains pictures of well-built, robust men and women, showing how Electra-Vita is applied, and explains many things you should know.
