WILL TRY TO
CALL A TRUCE

WHAT G. O. P. PUTS IN ITS PLATFORM

nothing but chaos, confusion, calamity and convulsions. This is the good, strong play, and is depended upon to snatch them baldheaded.

THE TARIFF!
 This old friend, whose billowy whiskers the world has lifted so many years, will have a new application as illustrating the blighting effects of democratic incompetence.

THE FARMERS!
 These will be shown that the low prices of their crops are the result of the democratic tariff, which has so impoverished the nation that no one can buy anything, and at the same time has put farm products on the free list with assafetida and alum.

DEMOCRATIC EXTRAVAGANCE!
 This will be roasted to a black and sickening cinder.

WAR TAXES!
 We may as well have the drugists on our side.

COST OF LIVING
 This will be used as an opportunity to throw in a good hot taunt because the democrats have not reduced it as they said they would—trains being always a strong play.

FOREIGN POLICY
 The democratic administration in this respect will be covered with bile.

PREPAREDNESS!
 To the limit, the democrats being seared for neglecting the nation's defense.

REGAIN FISH TRADE?
 A strong effort will be made to get in a plank denouncing the LaFollette seaman's act and demanding its immediate repeal.

FLEETS ENGAGED?

COPENHAGEN, May 22.—Violent cannonading has been heard in the Baltic sea off the Swedish coast, according to Stockholm reports. The belief is expressed that Russian and German fleets are engaged.

SLAVS AID BRITISH
 LONDON, May 22.—For the first time since the war began, British and Russian land forces are fighting shoulder to shoulder in Mesopotamia.

Military critics said it was impossible that the Russian main body would be able to effect a juncture with the British for weeks in sufficient strength to hurl an attack on Baghdad. The Slavs probably will move upon Baghdad from the north.

BRIAND TALKS OF PEACE
 PARIS, May 22.—Peace will not come except thru a decisive victory. Premier Briand today told the Russian duma delegation.

SURVIVORS LIVE ON SEA GULLS

SEWARD, Alaska, May 22.—An expedition will probably be fitted up here to go to the barren islands, at the mouth of Cook inlet, for the bodies of Thomas Campbell, formerly of Bremerton, and John Larson, drowned on March 13 in the wreck of the launch Success.

CAN'T STOP 'EM
 VIENNA, May 22.—Massing heavy forces on the southern Tyrol front, Italians today are making desperate but unsuccessful efforts to stop the Austrian invasion.

WOMEN WELCOMED BY N. Y. BOY SCOUTS
 NEW YORK, May 22.—An army of 20,000 women, mobilized from the ranks of 2,000,000 clubwomen in every state and possession of the United States, began the invasion of Manhattan late today for the opening of the 12th biennial convention of the Federated Women's Clubs of America in the Seventh Regiment armory here tomorrow.

FOUND DEAD IN ROOM
 J. E. West, 45, a plumber, was found dead in his room at the Mansfield apartments, 417 James st., Monday morning.
