WILSON WINS PRAISE FROM JAPAN PAPERS

TOKYO, Jan. 16.—Serious post-bel-lum problems for Japan are seen by Japanese newspapers in commenting on President Wilson's war aims message.

All of the publications emphasize the president's references to a proposed removal of economic barriers when the fighting is done.

The Chugai Shogyo Shimpo, Tokyo's leading commercial daily, declares America may wish to establish the principle of free trade for all nations after the war.

The Nichi Nichi says: "If trade conditions are equalized after the war, the resolutions of the Paris conference will become scraps of paper."

The Jiji Shimpo and the Ashi Ashimbu both praise the president's speech.

The Jiji declares the allies' position is now clear to the world. President Wilson sent a step farther than Lloyd George, it says, and contradicted the entente policy regarding trade, as set forth in the Paris conference.

The Ashi, commenting on the speech, criticizes the Japanese policy of secrecy in negotiation of treaties, and urges the government to adopt an attitude of greater frankness and to give Japan's views freely to the world.

WASHINGTON, Jan. 16.—Kennon Cheside, 24, Pauntony park, is being held in the county jail on a statutory charge. His bail is fixed at \$2,500.

The Duwamish River Improvement club and the Duwamish Valley Commercial Club will merge, and an immediate street betterment campaign be undertaken at Ward's hall, 5959 Duwamish ave., Tuesday.

PAINLESS DENTISTRY

DR. P. L. AUSTIN, Pres.

In our new and well-equipped offices you will find everything in the practice of modern dentistry.

For 31 years I have given my entire time to original, practical ideas of painless dentistry, and if it were not for originality, ingenuity and ambition, dentistry would never have attained the present height of perfection that is to be found in our office.

If your gums are shrinking, sore and bleeding, you have that dread disease called Pyorrhea, or Riggs' Disease. For over 20 years I have made a study of this disease. I will cure this disease and save your teeth unless it is necessary to extract the teeth in order to cure the disease.

In our office you will find all daily qualified dental practitioners, and past masters of the science. We only charge for actual work put in your mouth, not for our reputation.

Money cannot buy common sense, but common sense will save you money. Painless dentistry, absolute, guaranteed, in our well known premises to you. If it hurts, don't pay. Come in today for examination and estimate, free of charge.

Hours, 9:30 a. m. to 8 p. m. Phone Elliott 2623. Sundays, 9 to 12.
