Simple Way to End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night, when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every particle sign and trace of it no matter how much dandruff you may have. You will find all itching and disagreeable of the scalp will stop instantly, and your hair will be fluffy, lustrous, shiny, silky and soft, and look and feel a hundred times better.—Advertisement.

Aimee Semple McPherson

Second Easter-Week Sermon BY AIMEE SEMPLE MCPHERSON The "Female Billy Sunday"

Let us get back to Pentecost, and on to the fullness of Pentecostal power and glory recorded in God's Word! For Jesus is risen; He is coming soon, for His perfect waiting church—His tree with unblemished fruit.

Will you know the new Pentecost when it comes? The churches have long been praying: "Oh, for a revival of faith, oh, for a return of power!" Something has gone they cannot recover.

If God took these respectable people at their word and sent the Spirit down upon them, they would be so scandalized that nothing could be seen of them but the tails of their skirts scurrying thru the door.

"And suddenly there came a sound from heaven like as of a rushing mighty wind, and it filled the house where they were sitting. And there appeared unto them cloven tongues like as of fire, and they were all filled with the Holy Ghost, and began to speak with one another as the Spirit gave them utterance."

Can you picture that happening in one of our fashionable churches on this Easter day—"cloven tongues of fire" descending upon the richly dressed congregation, the Holy Ghost filling the soul of the woman who proudly wears her new Easter hat with its artificial flowers—no more artificial than the cold, dead religion she voices with her mouth?

"Thou hast a name that thou livest, and art dead!" Thou hast a faith that thou pretendest, and it is cold.

Get down on both knees—not one knee, with a silk handkerchief under it to protect it from the floor—get down on both knees and restore the old-fashioned cry of your soul to God!

Are you in the great, cold church this Easter, or the little "upper room" where those who waited ten days for the Spirit of God were in the end filled with the might of His Word? He is a God that answers by fire! Are you an tinder to His flame?

He reported he was hit by an unidentified man while walking up University st., between First and Second aves., at 3:30 a. m. Wednesday. Regis said that the man stepped out from man alley, and, without giving him a chance to throw up his hands, struck him on the head, knocking him unconscious. Regis lost a watch and chain and \$4 in cash.

Who'll Help Out This Needy Man?

Another appeal for clothing to the already much-appealed-to public. This time it is for a young man, who, having recently been released from one of our state institutions, fully recovered but without a cent to his name and a pile of rags for clothing, is now in a vain search for work.

The penal reform department of the Woman's Legislative Council of Washington has taken up his case and requests, thru The Star, that any spare clothing that would be of use to the young man be sent to Mrs. Frances A. Roberts, 3621 First ave. N. W., a member of the council.

TIME AND MONEY THROWN AWAY SAYS ED. SMITH

Seattle Man Says He Tried All Sorts of Medicine But Got No Relief From Trouble Until He Took Tanlac

"Tanlac cleared up every bit of stomach trouble that I had and it gave me a splendid appetite" said Ed Smith, who lives at No. 2241 15th avenue West, Seattle, and is employed at the North Pacific Shipyards, while talking with a Tanlac representative a few days ago. Mr. Smith has lived in Seattle since 1889.

"I had suffered a great deal with my stomach for several years," continued Mr. Smith, "and my appetite gradually got poorer and poorer until I reached the point where I didn't want anything to eat, and just had to force myself to take the little I did eat, but even that soured and bloated me up so that I felt as tight as a drum, and I don't suffer from indigestion any more. The gas would get all up in my chest and throat, and around my heart, and cause it to beat so hard that I thought it would jump out of my body. My sleep was anything but sound, for this gas would gather so during the night that I would not get any rest, and I would get up every morning with that tight, hard feeling in my stomach, and with a splitting headache that I couldn't get rid of. I took all sorts of medicine, but it was only time and money thrown away, for nothing gave me any relief, and then I made up my mind to try Tanlac, for I had read so much about it in the papers.

"I have taken five bottles of Tanlac, and now I am always hungry for my meals, and I can eat anything that I want, and I don't suffer a bit with sour stomach or gas or palpitation of the heart, and every bit of the headache has left me, and I sleep like a rock every night, and get up in the morning feeling fine. About two weeks ago, I think I must have had a little touch of the 'flu,' because I had dizzy feelings in my head, and it was hard for me to walk at times on account of this dizziness. When I got home, one evening, I was very restless, and noticed I had a little fever, so I started in on my Tanlac once more and pretty soon I was all right again. I feel strong and well all over, now, and I know that I have gained in weight, and I certainly can recommend Tanlac."

Tanlac is sold in Seattle by Bartell Drug Stores under the personal direction of a special Tanlac representative.—Advertisement.

Warns Spokane of Bolshevik Trouble

SPOKANE, April 16.—Police Commissioner Tinsley today warned the city that unless more drastic measures are taken to curb Bolshevik agitators here, Spokane will have grave trouble. He is angered over the release by Police Judge Witt yesterday

of John Metcalf, former Stevens county official, charged with disloyal statements. "It will require all the support by courts and citizens that we can muster to hold this spirit of anarchy now manifest here in check," he said. "This element is trying to cause trouble in Spokane, and the sooner the public realizes the danger the less severe will be the consequences."

APRIL SHOWERS IN THE SPRING-TIME LOOK OUT FOR SHOWERS

Any fool knows enough to carry an umbrella when it rains, but the wise man is he who carries one when it is only cloudy. Any man will send for a doctor when he gets bedfast, but the wiser one is he who adopts proper measures before his ills become serious. During a hard winter or the following spring one feels run down, tired out, weak and nervous. Probably you have suffered from a cold or influenza which has left you thin, weak and pale. This is the time to put your system in order. It is time for "housecleaning."

A good, old-fashioned alterative and temperance tonic which has been sold by many druggists for nearly fifty years, is one made of wild roots and barks without the use of alcohol, and called Dr. Pierce's Golden Medical Discovery. It is prepared both in tablet and liquid form. If you wish to give it a trial send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package tablets. This is nature's tonic, which restores the tone of the stomach, activity of the liver and steadiness to the nerves, strengthening the whole system. It is purely vegetable, non-alcoholic, and safe to take.

One Kidney Remedy Distributed Throughout Civilized World

In North and South America, in Great Britain, Europe, Africa, Asia, Japan and Australia—wherever civilization has established the necessity of health—you will find one remedy widely sold for the relief of kidney troubles and its kindred ailments. Such is the remarkable record of Warner's Safe Kidney and Liver Remedy, so well and favorably known here for more than 40 years.

To enjoy this world wide distribution and a history of 40 successful years at home, one fact must be admitted, namely: that Warner's Safe Kidney and Liver Remedy is a reliable preparation. It must assist the kidneys in their important duties in removing from the system the poisonous matter that they have failed to carry off, and strengthen and help repair the wasted and diseased tissues, caused by these bodily poisons, or it would not be sold throughout the civilized world. Remember Warner's Safe Kidney and Liver Remedy is made of herbs and other beneficial ingredients without dangerous drugs or narcotics. That's why it was named "safe." It is used in thousands of homes as a reliable family medicine, because these people realize that their general health depends upon their kidneys. If you have any trouble with your kidneys, liver or bowels, get some Warner's Safe Kidney and Liver Remedy today. Try it as directed and note the excellent results. All druggists have it. A sample will be sent on receipt of 10 cents. Warner's Safe Remedies Co., Dept. 561, Rochester, N. Y.

DEAR FOLKS:

When you work hard and conscientiously to achieve a result and you feel down deep that you have succeeded—don't you like it very, very much when somebody comes along that you know is an expert and he tells you that your work is splendid and he congratulates you?

Is it not just human for all of us to like to hear praise of our work?

Well, I saw a very happy group of workers assembled in the CANNED GOODS DEPARTMENT of the Wilson & Co. plant, Chicago, on Friday, March 14th.

I call your attention to the fact that Friday, with its SIX LETTERS, carries with it good luck so far as the Wilson Co. organization is concerned. It fits the Cycle of Six, which is such a dominant factor in the business, and brings so much happiness and success.

In the group of workers was Thomas E. Wilson, President of Wilson & Co., who is as intense and as enthusiastic as any of the 25,000 workers in his organization. There were also in the group three vice presidents of the company. I mention this to prove what I have been telling you, that the Wilson & Co. organization represents DEMOCRACY OF WORK, which starts with the head and goes all through the ranks. One man is as good as another in this organization; one woman is as good as another; and both men and women are on a basis of equality in the matter of recognition and reward for service well rendered.

Now I will tell you why they were so happy:

ALFRED W. MCCANN, THE FAMOUS PURE FOOD EXPERT, HAD JUST FINISHED TASTING AND TESTING THE WILSON & CO. CERTIFIED BRAND OF CANNED MEATS, VEGETABLES AND FRUITS, AND THEN SAID: "I TAKE OFF MY HAT TO THESE PURE FOOD PRODUCTS. YOU HAVE PRODUCED A VERY FINE AND A VERY WONDERFUL LINE, AND I CONGRATULATE YOU."

Wouldn't it make you happy if you, like the Wilson & Co. workers, had been working hard to perfect food products, and felt sure that you had succeeded, to have Mr. McCann—a man who knows what pure food is—tell you that you had achieved a wonderful result?

You bet it would. Well, the Wilson & Co. workers are the same kind of human beings as you are—so they were made very happy when Mr. McCann, who had selected at random from the immense stocks of canned goods—cans of corn, peas, beans, asparagus, meats, preserves, etc.—and had them opened up and then tasted and tested them—gave them his splendid endorsement.

I know Mr. McCann personally and intimately. He is an honest, fearless, able man. Nobody on earth has ever yet been able to control his opinions or his pen. Both are owned by himself and by nobody else. I know he meant what he said when he told those workers that their Certified foods are O. K. in all particulars, and I know also that if he had not thought they were O. K. in all particulars, he would have a million dollars cash on the spot would not have made him indorse them.

Mr. McCann could have been rich by now had he wished to barter his honor—but he has kept himself clean and straight—AND POOR, as most men do who are intent and intense in doing things to help and protect humanity.

I did not know that Mr. McCann was in Chicago until he walked into the Wilson Co. restaurant, which, by the way, is a big, democratic affair, where officials and workers dine together in the same way that members of a family meet at their own dining room tables.

He told me he had come to Chicago to investigate the Wilson & Co. business, because his interest had been aroused by reading these letters that I am writing to you. At the end of the day he was good enough to say that he found everything exactly as I have described it to you—that is to say, that there is Heart, Honor and the Square Deal all throughout the Wilson & Co. organization.

Mr. McCann and I once spoke from the same platform at Sagamore Beach, Mass., where intense people gather and discuss the big problems of the day. I will never forget the great ovation Mr. McCann received on that occasion. He is a very dramatic and very intense speaker. He had carefully prepared a speech, but after its delivery the large audience insisted on his continuing to talk. THEY WANTED TO HEAR MORE ABOUT HIS CRUSADE AGAINST IMPURE FOODS.

He talked for an hour longer, and then the audience consented to his stopping only because it was time for lunch, but even then, they exacted a promise from him to resume at the afternoon session. He did speak again at the afternoon session, and held his hearers spellbound for hours. HIS WORK HAS ALWAYS BEEN VERY STRENUOUS AND HONEST. HE HAS CONTRIBUTED TREMENDOUSLY TO THE HIGH STANDARDS THAT NOW PREVAIL IN THE MANUFACTURE OF PURE FOODS.

When he returned from Chicago, he wrote some wonderful articles about his visit to the Wilson & Co. plant, which were printed in the New York Evening Globe. He knows, and so do I, and I think you are beginning to know, that the slogan used by Wilson & Co.—"THE WILSON LABEL PROTECTS YOUR TABLE"—means what it says. Sincerely, WILLIAM C. FREEMAN, 250 Fifth Avenue, New York City.
