STRAND
Should a laundry owner sit at the same table with a prince? The members of the Santa Vista Yacht club believed not, and that was why they tried to lure Franklin Pinney, the only member of the club in whose veins no blue blood flowed, away on a false kidnapping plot, when they learned that the club was to be host to the royal guest. But the fake plot develops into a real one and Pinney, after rescuing the prince from a band of anarchists in a haunted house, becomes his companion for the evening at the club banquet.

Fatty Arbuckle in the role of Pinney, supplies a lot of fun in "A Dollar a Year Man," the comedy drama at the Strand this week.

LIBERTY
The film play, "Proxies," is scoring heavily at the Liberty this week. The hero is a reformed convict who obtains a position as butler in a fashionable home and who is not only determined to live straight, but who makes good despite the odds against him.

Norman Kerry is the hero, while the leading woman, also a reformed crook, is Zena Keefe, a highly capable screen player.

The photoplay has thrills a plenty.

CLEMMER
Seattle is filled with pretty girls. If you don't believe it, drop into the Clemmer any afternoon or evening and glimpse at some of the gossamer beauties in Star-Universal motion picture actress contest. This week's film test shows a quartet of girls indulging in a little poker game, a group in front of the Star office and other interesting "shots."

Priscilla Dean in "Reputation," is the feature attraction. This is one of the best pictures this magnetic star has offered.

BLUE MOUSE
His wealth swept away in a twinkling, the egotistical young clubman found himself attired in rags as the stern messenger from Mars informed him he would have to suffer the agonies of the poor he had always scorned, and then disappearing, left the former rich man a vagrant on the snowy street. How this unique situation eventually led to that love he coveted is shown in "A Message From Mars," the film drama starring Bert Lytell at the Blue Mouse this week.

Rotund Comedian Has Happy Role in New Comedy Picture at Strand

"Fatty" Arbuckle's latest picture, "A Dollar-a-Year-Man," which is the chief attraction at the Strand this week, is one of the cleverest pictures in which this player has thus far starred.

The killing of Faustino is one of the most dramatic situations in "The Passion Flower," Norma Talmadge's latest screen drama, now showing at the Coliseum. Faustino is slain by the servant of Esteban because of Esteban's jealousy when he learns of Faustino's engagement to Acacia. Suspicion is cast upon Norbert, a poet, in love with Acacia, and a Spanish feud is the result.

Norma Talmadge plays the part of Acacia, who is the stepdaughter of Esteban.

Marie Prevost, who gained fame as a Sennett bathing girl, is now starring in five-reel features for Universal.

NAPOLEON'S IDEAL WOMAN
The great Napoleon, in response to a question once asked by a lady, replied: "My ideal woman is not the beautiful society belle or the butterfly of fashion, but the matron who reaches her middle age in complete preservation of health, with stalwart children by her side."

There are a great many women of middle age who owe their good health to Lydia E. Pinkham's Vegetable Compound, that famous medicine for female ills. For almost fifty years this wonderful medicine, compounded of roots and herbs, has been restoring suffering women to health.

REX
A thrilling automobile accident is shown in the opening scenes of "Husbands and Wives," the film attraction at the Rex this week in which pretty little Vivian Martin has the stellar role. In fact, it is the accident which is responsible for the first meeting of the hero and the heroine.

Corra Harris wrote the story. In book form it was called "Making Her His Wife."

MISS FREDERICK TO RE-MARRY MACK?
NEW YORK, May 11.—If what the Broadway family of fame rumor was saying today is true—Pauline Frederick, movie and dramatic star, is to re-marry Willard Mack, her husband once removed.

According to the white light gossipers, when Miss Frederick left for the Coast yesterday, Mack was there to see her off. And their farewell, to hear Broadway tell it, left nothing to be desired as material for a "closeup."

Rupture Kills 7,000 Annually

Seven thousand persons each year are laid away—the burial certificate being marked "Rupture." Why? Because the unfortunate ones had neglected themselves or had been merely taking care of the sign (swelling) of the affection, and paying no attention to the cause. What are you doing? Are you neglecting yourself by wearing a truss, appliance or whatever name you choose to call it? At best the truss is only a makeshift—a false prop against a collapsing wall—and cannot be expected to act as more than a mere mechanical support. The binding pressure retards blood circulation, thus robbing the weakened muscles of that which they need most—nourishment.

But science has found a way, and all truss sufferers in the land are invited to make a FREE test right in the privacy of their own homes. The PLAPAO method is unquestionably the most scientific, logical and successful self-treatment for ruptures the world has ever known.

Learn how to close the hernial opening closely to the body, cannot possibly slip or shift out of place, therefore, cannot chafe or pinch. Soft as velvet—easy to apply—comparatively inexpensive. To be used whilst you work and whilst you sleep. No straps, buckles or springs attached.

Learn how to close the hernial opening as nature intended, so the rupture CAN'T come down. Send your name today to PLAPAO CO., 721-Stuart Bldg., St. Louis, Mo., for FREE trial Plapao and instructive information.—(C) F. L.—Advertisement.
