**CANDY STAINS**

Soap and water will usually remove candy stains. If there is chocolate in the candy, however, it may be necessary to spot with glycerin, especially on silks or materials of a close weave.

**INGROWN TOE NAIL**

Turns out itself

A noted authority says that a few drops of "Outgro" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost overnight.

"Outgro" is a harmless antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.

## The Stage

**"MARY" AT THE METROPOLITAN**

Typically George Cohanish in "Mary," his new light musical production, which opened for a week of frolic at the Metropolitan last evening.

It brings us several new sweet songs, "Mary," "Waiting" and still better, "Love Nest." But the most remarkable thing about "Mary" is that it has a plot. Whoever heard of a musical comedy with a plot?

Breaking down all precedent, the hero of "Mary" steps out from New York to Kansas to sell portable houses—not such a bad idea in that cyclone state. The market is bad, so the hero strikes oil, becomes a millionaire and goes home—all set to music.

Richard Pyle is the hero. Except for that fact he is unimportant. Miss Marguerite Zender, dainty, winsome, delightful, sings, dances and pines, it takes a lot of time to show show girls and chorus of "Mary," but Miss Zender does it.

**"BUBBLES" HEADS MOORE-ORPHEUM BILL**

Petite, golden-haired Queenie Smith, who plays the feminine lead in "Bubbles," the headline attraction on the Orpheum bill at the Moore this week, wins her way to the hearts of the audience by her pleasing singing and dancing.

Jack Norton, with the male lead, capably enacts his part. A cast of tall, slender beauties and Frank Farrington support Miss Smith and Norton well.

After Mother Had Been Restored to Health by Lydia E. Pinkham's Vegetable Compound

Salisbury, Mass.—"For seven years I had a female trouble and such bearing-down pains I could hardly do my housework. The doctor said, 'If you can have another baby it might be the best thing for you but I am afraid you cannot.' I began taking Lydia E. Pinkham's Vegetable Compound and my baby was born on 'Peace Day.' If women would only take your Vegetable Compound they would have better health. Always recommend it."—Mrs. TRACY FATTEN, 2 Lincoln Ave., Salisbury, Mass.

The experience of maternity should not be approached without careful physical preparation, as it is impossible for a weak, sickly wife to bring healthy children into the world.

Therefore if a woman is suffering from a displacement, backache, inflammation, ulceration, bearing-down pains, headaches, nervousness or "the blues" she should profit by Mrs. Fatten's experience, take Lydia E. Pinkham's Vegetable Compound and be restored to health.
