Empire has been expelled from Porto Rico and the Philippines by American freemen.

The flag of the republic now floats over these islands as an emblem of rightful sovereignty. Will the republic stay and dispense to their inhabitants the blessings of liberty, education and free institutions, or steal away, leaving them to anarchy or imperialism?—William McKinley's Acceptance Speech.

The Democratic proposition is to destroy what the Republican party has accomplished. If this is not true, then there is no issue in this campaign. But it is true. There is the very fitness of fate in these three words—Democracy, Destruction and Death.—United States Senator Beveridge.

According to Secretary of State Falley, the way to mark your ballot is this: A cross (X) opposite the party name at the head of the ticket votes the straight ticket. If you wish to vote a straight ticket with but few exceptions, you should cross the head of the ticket and also the names for whom you wish to cast your vote on the opposing ticket. You may cross each name (in the circle on the left) for whom you wish to vote.

"Without any original thought of complete or even partial acquisition, the presence and success of our arms in Manila imposes upon us obligations which we cannot disregard. The march of events rules and overrules human action. Avoing unreservedly the purpose which has animated all our effort, and still solicitous to adhere to it, we cannot be unmindful that with-out any desire or design on our part the war has brought us new duties and responsibilities, which we must meet and discharge as becomes a great nation on whose growth and career from the beginning the Ruler of Nations has plainly written the high commandments of civilization." —William McKinley's Acceptance Speech.

When the voter steps up to the polls Nov. 6 to cast his ballot, he should not allow personal matters to interfere. Every man on the Republican ticket this year, from top to bottom, is a gentleman and a scholar; particularly is this true of the county ticket. Naught can be said of any candidate; therefore it is your duty to vote the straight Republican ticket. See that you do it.

Do not get scared if your heart troubles you. Most likely you suffer from indigestion. Kodol Dyspepsia Cure digests what you eat and gives the worn out stomach perfect rest. It is the only preparation known that completely digests all classes of food; that is why it cures the worst cases of indigestion and stomach trouble after every thing else has failed. It may be taken in all conditions and cannot help but do you good. Wamberg & Jacobson.

S. J. Brevik, Republican nominee for county auditor, was a caller at this office last Friday and had the appearance of being a highly educated gentleman, well fitted to care for the auditor's office in a creditable manner. He is a resident of the northern section of the county, where he has an army of friends who want to see him elected. He informs us that some one, seeking to do him injury, has circulated a story to the effect that until recently, he has been a Populist, politically. Mr. Brevik says this is UNTRUE; in other words, a campaign lie; manufactured out of whole cloth. He is a Republican and has always been a Republican. The Pioneer takes pleasure in recommending him to the voters and trusts every man will give him his vote Nov. 6.

Dr. W. H. Lewis, Lawrenceville, Va., writes: "I am using Kodol Dyspepsia Cure in my practice among several cases of indigestion and find it an admirable remedy." Many hundreds of physicians depend upon the use of Kodol Dyspepsia Cure in stomach troubles. It digests what you eat, and allows you to eat all the good food you need, providing you do not overload your stomach. Gives instant relief and a permanent cure. Wamberg & Jacobson.
