A Pretty Home Wedding.

On Tuesday Jan. 11th, the home of Mr. and Mrs. John Susex was the scene of a pretty home wedding, when their daughter, Mary Emma, was joined in marriage to Claude J. Knox, just the near relatives being present. Rev. Ensign of the Hope Methodist Church officiating.

Promptly at one o'clock, to the strains of Lohengrin's wedding march, played by Mrs. W. R. Knox, sister of bride, the bride and groom came down the stairs and took their places under an arch of smilax and white wedding bells.

The bride was beautifully gowned in a dressed of cream charmeus silk trimmed with pearls and carried cream roses. The groom was dressed in the usual black.

After the beautiful and impressive ceremony and the congratulations were over, all repaired to the dining room where a bountiful four course dinner was served.

The dining room was tastefully decorated in green and white streamers with white bells, and the tables with pink and white carnations, ferns and smilax.

The contracting parties are both well and favorably known in the community, the bride having been born and raised here and the groom being an ambitious young farmer formerly of Steator, Ill.

They received many beautiful and useful presents. The same evening Mr. and Mrs. Knox took the evening train for a short wedding trip after which they will be at home to their friends two miles south of town. Their many friends join in wishing them a long and happy life together.

As I will be out of town a great deal up to February 15th, sale dates may be made with L. J. Bowen, of the Pioneer Office. Soliciting your patronage, I am yours for business,

I. W. STANDLEY,
Auctioneer.

THE MAN BEHIND THE PLOW

is the most independent worker of which we know. He is his own manager and enjoys complete control of his business.

But while he is independent, yet he must take care of himself as a duty to himself and family. We believe the best way of doing this, so far as the farmer of this community is concerned, is to have an account with this bank.

If you will deposit the proceeds from the sales of your farm products in this bank you can then pay all your bills with checks on us. If you have not been using this method of keeping a check on your business you will appreciate the many advantages offered by such a system. It will save you considerable worry about the safety of your money or the danger of paying bills a second time. Your cancelled checks are a receipt for every dollar paid out.
