Good Bye Dirt!
Here Comes
Richards' Magic Washing Stick

RICHARDS' Magic Washing Stick

is one of the most wonderful inventions of the age. It is absolutely unique. Never before has there been speed without harm. Never before have women had anything which REALLY made dirt disappear as quickly, as harmlessly, as EASILY as with this extraordinary dirt loosener. It does HOURS work in MINUTES. It positively will not fade colored clothes—shrink or harden woolen, and will not rot or weaken lace curtains so they tear easily, but keeps them STRONG besides absolutely clean.

3 Sticks for 25c—less than 2c a washing

Ol' Whitcomb Riley

BY MRS. EMMA GEE

As a girlnal thing I don't much care
Fer things that's writ in rhyme;
This highbrow, hifalutin stuff
Don't got much of my time.
But there's one kind that takes the cake—
Some teary and some smiley—
They surely grab your heartstrings some,
Them songs of Whitcomb Riley.

We know some day he's got to go,
An' how we'll miss his singin'!
But angels in the Heavenly choir
Will set the joy bells ringin',
An' then you'll hear St. Peter say
In tones so smooth an' 'ley,
'Make way, you fellers down in front,
Here comes ol' Whitcomb Riley.'

Do You Want to Sell Your Farm?

IF YOU DO, and your price and terms are reasonable, we can sell it. If we think your price is too high, we will tell you so. Remember, we do not want to list farms that we know we cannot sell for the purpose of tying up the farm. We want a live active list of good farms that will sell. We cannot make a dollar by simply listing—we refuse a great many listings—it's the selling that counts. Our organization of bringing buyers is second to none in the Northwest. If there is any business going, we will get our share. If we didn't think we could sell your land, we would not spend money advertising for it. We have customers now in sight for 160, 240, 320, 640, 960, 1280, 1600 and 1920 improved farms. We don't list land all over the State, but only want farms in Cass, Traill, Steele, Griggs and Barnes Counties where we are operating. Now is the time to list while we are here. We may be operating many miles from here by next year.

LIVERNE LEADERS.

Clipped from the Ledger.

Misses Ruth Sanden and Clara Nelson departed Tuesday evening for Fargo.

Gordon Jefferson and Charles Lotz were over from Hope on business Tuesday.

Miss Viola Anderson returned Thursday from Fargo after a pleasant visit with friends.

Elias Knutson is recovering from his accident, caused by being kicked by a horse.

Examinations were given at School No. 3 for the first semester subjects, in the first year high school work, on Friday March 21 and 22.

Christ Nygaard returned Thursday from a visit to Denmark. Report says he went over for a purpose as he returned with Mrs. Nygaard.

The Misses Emma and Ethel Kurfman departed for their homes recently after making an extended visit at the home of Mr. and Mrs. Alfred Anderson.

After having successfully held a position teaching school here the past winter Miss Viola Colby departed Monday for her home at Stewartville, Minn. She visited with the Misses Ruth Vail and Iva Mayor several days before her departure. A large number of friends were present at the station to see her off, all regretting that her stay here could not be lengthened.

The ladies of Liverne did extremely well in raising themselves in the estimation of everyone as entertainers Friday evening when they successfully staged their leap year dance at the local Opera House. The hall was tastefully decorated in the characteristic colors of red and yellow, regardless of the dye shortage resulting from the European conflict. The red and yellow were quite prominent but we have heard no one yet making any proposals or catching any fellows. The supper was served in the hall by Mrs. Olaf Nybeck, and to say it was splendid is putting it quite too mild as it was hard to equal as tasty and dainty a dance supper.

BROADLAWN.

Mrs. Fred Fuller and children visited at Spark's Sunday.

Miss Hannah Johnson spent Saturday and Sunday at C. W. Freyberg's.

Mr. and Mrs. John Haugan went to Fargo last week to the Non-partizan League Convention. They will remain about a week visiting friends.

Mr. and Mrs. Freyberg called at the Eggert and Sneath Farms Sunday evening.

Ralph Haugan spent Saturday afternoon at Fred Pope's.

Pauli Satrom's children are ill with the measles.

Mrs. Fred Pope and daughter, Edna, spent Monday afternoon at C. W. Freyberg's.

Messrs. Fuller, Wyborny and Kersting went to Fargo to the Non-partizan League Meeting.

The Zanter family visited at Andrew Nygaard's Sunday.

Meryl Pope visited at Mr. Wyborny's Sunday evening.

Edendale Farmers' Club

The Edendale Farmers' Club met at Mr. and Mrs. A. R. Wright's home March 31st. The next meeting will be held with Mr. and Mrs. Will Cullifer April 14th. Program as follows.

Safe Medicine for Children

"Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic, and may be given to a child as confident as to an adult. It is pleasant to take, too, which is of great importance when a medicine is to be given to young children. This remedy is most effectual in relieving coughs, colds and croup. Obtainable everywhere.—Adv.

SCHOOL HAPPENINGS.

The declamatory contest by the high school pupils will be given on Friday evening, April 28th. The contestants are hard at work and we are promised a good program. Music will be furnished by the Glee Clubs. A small admission fee will be charged to pay expenses of judges, printing, etc.

Lloyd Sussex was the only high school pupil to capture a blue card last month.

By oversight Ruth Fulmer's name did not appear among the fourth grade pupils who received blue cards last month.

The Misses Hattie Elliott, Gladys Minert and Ethel McCullough took in the literary program last Friday. We were all pleased with the program. It was one of the best yet given.

Four baseball games have been scheduled this far. Two with Hannaford and two with Cooperstown. We hope the grounds will soon dry off, and the weather get warmer so that the boys can get busy at practice.

The Seniors are busy at their class play, entitled "Diamonds and Hearts". We expect to see it out in about a month.

Quite a number of pupils have been out of school more or less the past month on account of sickness. There has been too much playing in water and getting feet wet unnecessarily. Let us be more careful as this carelessness will bear fruit later on.

Only nine more weeks of school this year. Some of us are counting the days already.

A stunt in the form of a mathematical contest was "pulled off" by the seventh and eighth grades last Thursday. They solved problems in percentage on a basis of speed and accuracy. The seventh grade won by several points. We surmise that the fifth and sixth grades will have a similar contest soon in decimal fractions.

Hickory dickory, dock;
The mouse ran up the clock;
The clock was on a stocking,
Which made the act quite shocking!
Hickory, dickory, dock!

Flour Made from Bananas

It is not generally known that flour can be made from bananas; but from a very early period the natives of tropical countries where the banana grows—Jamaica, Canary Islands, the Malay Archipelago and Africa—have made flour from the fruit.

Stanley, the explorer, found the natives of Africa making it by drying bananas over wooden gratings and grinding them to powder. He found the flour wholesome and easily digested. Once, when attacked by dysentery, he took a thin gruel made from it for a day, during which he abstained from other food, and obtained prompt relief.

The South American Indians make a flour or paste from bananas, and so the banana in that part of the world, as in Africa and the East Indies, takes the place of cereals. The flour can easily be carried about, and, as needed, made into cakes and fried, or mixed with water and drunk.

Banana flour contains one-third as much protein matter, one-fourth as much fat and a little more starch than wheat flour.

On the Subject of

Commercial Integrity

THE REO FOLKS BELIEVE—have always believed and from the first have based the Reo Policy on the belief—that ultimate supremacy in the automobile industry will redound to that concern that has most scrupulously fulfilled its obligations to its customers.

IT MATTERS NOT whether those obligations are assumed in writing or merely implied in transactions as between man and man—the Reo Folk hold them sacred.

IF THERE IS ANY REASON—aside from the inherent quality and value of Reo cars—for the splendid Reo success, it is to be found in the reputation the Reo has for making good its guarantees.

OF COURSE YOU KNOW—all the world knows—that the Reo Motor Car Company is financially one of the strongest automobile companies in the world.

AND YOU KNOW that it is also one of the pioneers in the industry—so that financial strength is not due to lucky chance nor to a brief period of prosperity.

REO STANDING—financially and in the heart of buyers—is the result of a policy firmly founded in the beginning and consistently carried out through a long period of years.

BUT ALL THAT WOULD NOT MATTER if the heart of the Reo were not sound.

IT WOULD NOT MATTER how much money there was back of the Reo guarantee if there were not also Reo Integrity and Reo Good Intent.

THAT IS WHY, knowing the Reo Folk and their ideals, you will feel safer in selecting a Reo than any other car of similar size or price class.

SPEAKING OF SIZE—do you realize what a big, as well as beautiful car is that New Reo Six?

IT'S A FULL SEVEN-PASSENGER CAR—126-inch wheel-base and on cantilever springs, giving the fullest passenger space and the utmost in luxurious qualities.

DEMAND IS TREMENDOUS—and output of this 7-passenger Six is limited. So if you'd have the utmost luxurious equipment and the sweetest running car the Reo Folk ever turned out, your order should be in our hands at once. Today won't be a minute too soon.

Attention; Land Owners

We wish to announce that we have organized a Real Estate Company for the purpose of handling Farm Lands in Steele and adjacent counties. Our office, at present, is located under the Hope National Bank. If you are figuring on selling your farm this season we would like to have you call and talk the matter over and see if we can come to some agreement whereby we can handle the proposition for you. We have sold 480 acres since February 1st. And with the connections we have we should be able to dispose of your farm if you place it on our lists. Call and see us
