Bowel Complaint in India

In a lecture at one of the Des Moines, Iowa churches a missionary from India told of going into the interior of India, where he was taken sick, that he had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with him and believed that it saved his life. This remedy is used successfully in India both as preventive and cure for cholera. You may know from this that it can be depended upon for the milder forms of bowel complaint that occur in this country. Obtainable everywhere.—Adv.
