

CONSERVATION IS THEME OF BORAH AT GLENNS FERRY

Railroad Employees Thank Him for His Efforts in Be- half of Workmen's Com- pensation Law.

(Staff Correspondence.)
Glenns Ferry, Sept. 19.—Senator Borah addressed two large and enthusiastic meetings here Wednesday evening, one to men at Bryan hall on the subject of conservation and labor, and later to a session of the Rebekahs at Odd Fellows hall, where he spoke on the influence of women in national legislation, citing instances where their influence resulted in the enactment of laws for the betterment of social conditions, such as the child labor bill and other measures.

Considering the fact that the Glenns Ferry meetings were advertised Wednesday morning for the first time, they were both large and intense interest and enthusiasm was shown in everything Senator Borah said. Bryan hall and Odd Fellows hall each hold something like 200 people. Each hall was packed to the doors, so that fully 400 people heard Idaho's brilliant statesman at this place.

Railroad Men Thank Borah.
Glenns Ferry is a railroad division point and many railroad men live here, and a number of train crews make this place their headquarters. Many of the railroad men were present at Bryan hall and listened with rapt attention to the senator's magnificent address.

After the meeting in Bryan hall many of the railroad men came forward and asked to meet Senator Borah, and they thanked him heartily for his interest in the workmen's compensation bill and also for Senator Borah's bill providing for the department of labor now pending, making the secretary of this department a member of the president's cabinet.

Included in the Wednesday evening audiences who heard and cheered the senator were people from points as far as King Hill.

Important Legislation.
Senator Borah in his great address at Bryan hall took occasion to point out some very important legislation Idaho's next legislature will be called upon to enact, which will be of great importance to Idaho's future welfare.

Concerning this legislation Senator Borah said in part: "The next legislature will be called upon to devise some scheme or plan for the proper regulation and control of our natural resources, particularly our power sites and power development."

"The question of whether or not the state or nation is going to get the income in the way of licenses or rental from these power sites is now up for consideration in congress."

"If the state of Idaho discloses to the national government that it is prepared, through its laws, to take over and properly regulate and control these natural resources so as to dedicate

All That is Earthly is Subject to Pain

—King Solomon.
The victims of Rheumatism all tell the same story; they have sore, inflamed muscles and stiff, aching joints; they have no ambition or strength, and get nervous and irritable, which is not to be wondered at. We realize how much they suffer.

"Nurito," a prescription free from Opiates and Narcotics, will banish all aches and pains, and limber up those sore and inflamed muscles, or your money will be refunded.
We realize that there are worthless and dangerous remedies which are sold as cure-alls by the help of manufactured testimonials, whose object is to extract gold. "Nurito's" purpose is to give relief, and is compounded exclusively as a specific remedy for those only who suffer from Rheumatism, Sciatica or Neuritis.

Convince yourself. Go to Chas. L. Joy & Co., 4 Stores, today, get a \$1.00 box of "Nurito," the remedy that produces results.
You can feel it working.
Compounded by the Magistral Chem. Co., Flatiron Bldg. New York.

them to the use of all the people, it will have an opportunity to have them turned over to the state.
State Should Get Income.
"I believe these natural resources ought to be regulated and controlled in the public interest, but all the income should go to the state treasury instead of to the national treasury, to help pay our taxes and build up our public institutions."

"The next legislature will have no more important work to do than that of properly considering this matter, and it ought to be thoroughly discussed in this campaign."
Labor Legislation.
After discussing further this question and what ought to be done, Senator Borah discussed labor legislation, the eight-hour law, workmen's compensation law and kindred legislation.

Then he went to the Odd Fellows hall and there addressed the Rebekahs and their friends on women's influence in national legislation.
Senator Borah was in prime condition here. His two large audiences here gave him every assurance of their loyal support in his race for reelection to the upper branch of congress.

Mrs. J. N. Hill, Homer, Ga., has used Foley's Honey and Tar Compound for years, and says she always recommends it to her friends. "It never fails to cure our coughs and colds and prevents croup. We have five children and always give them Foley's Honey and Tar Compound for a cold, and they are all soon well. We would not be without it in our house." McCrum & Deary, Ballou-Latimer Co. T Th S

NORTH IDAHO HAS GREAT FRUIT CROP

Greatly pleased over the manner in which the fruit crop of north Idaho is being handled and the conditions as he found them there, John U. McPherson, state horticultural inspector, has returned from the panhandle. When interviewed he stated that the packing that is being done at Lewiston under the auspices of the fruit growers' association is the best he has seen in this state. Only two grades are being packed, extra fancy and fancy, so that but the best fruit grown is shipped out. All of the packing is done in a central packing house and the fruit is hauled to the packers by an auto truck.

"I was greatly pleased over the packing that was in progress when I was at Lewiston," stated Mr. McPherson. "The growers there are preparing the best of their fruit for shipment better and at lower rates than ever before. The southern part of the state could well afford to take lessons from the way packing is being done at Lewiston."

"The fruit crop in the northern part of the state is of the very best this year. This is true all over the north. There seems to be and is prosperity and the crops of all kinds never looked better."

Amusements

Empress Vaudeville.
Tonight's change at the Empress is of unusual merit, headed by Sather and Sweeney, the famous comedy singing and talking act, with Hesse, the popular comedy juggler, following in an original and new novelty creation. Two new release feature photoplay productions and a specially chosen musical program by the Empress orchestra entertain out a most attractive evening's entertainment. The double piano and organ numbers being offered by Mr. Duchand, the new director at the Empress, are attracting considerable attention and proving most entertaining.

SENATOR STONE WILL DELIVER A SPEECH IN BOISE

Missourian Is Scheduled to Appear Here on Oct. 1— Will Speak for the Demo- cratic Ticket.

Although it is now practically certain that neither Woodrow Wilson, Democratic candidate for president, or William Jennings Bryan, who is stumping the nation in behalf of the Democratic standard bearer, will speak in Boise during the present campaign, the national Democratic committee will not overlook this city, for State Chairman Ben R. Gray has received definite word that Senator William Joel Stone, Missouri will speak here under the auspices of the national and Idaho state committees on Oct. 1 at the Finney theater. Detailed arrangements are being made today for the reception of Senator Stone, who is one of the brilliant orators sent out to speak for the national ticket by the national committee.

Senator Stone's entrance into Boise will be from the west. He will speak on Oct. 1, coming to this city from eastern Oregon. Local Democrats will unite to make the Stone rally one of the most enthusiastic that has been held in this city since the opening of the present campaign. In fact the arrival of Senator Stone is predicted to result in the firing of the opening gun of the campaign and local Democrats will take advantage of it.

Senator William Joel Stone is a resident of Missouri's capital, Jefferson City. He was born May 7, 1848, in Madison county, Ky.; graduated from Missouri university, which later conferred upon him the degree of LL.D.; is a lawyer, admitted to the bar in 1869; was prosecuting attorney for Vernon county, Mo., 1873-74; representative in the Forty-ninth, Fiftieth and Fifty-first congresses; governor of Missouri 1893-97; member from Missouri of the Democratic national committee 1896-1904; vice chairman 1900-1904; was elected to the United States senate to succeed Hon. George Graham Vest, for the term beginning March 4, 1905, and re-elected in 1910. His term of service will expire March 3, 1915.

ONE DOSE MAKES INDIGESTION GO

Heartburn, Gas, Dyspepsia and All Stomach Distress Ended With "Pape's Diapepsin."

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.
Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain, unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat fat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.

How to Cure Sick Headache.
C. E. Muecke, of Fresno, California, has adopted the correct treatment for sick headache. He says: "I have used Chamberlain's Stomach and Liver Tablets for sick headache and constipation for the past two years. I have never found any preparation so satisfactory in every respect for this trouble. For sale by all Dealers." T Th S

CONDEMNED MAN HAS NOT SPOKEN WORD IN TWO YEARS

Sacramento, Sept. 19.—Not a word of acknowledgement passed the lips of Charles Carson, sentenced to be hanged next Friday at Folsom prison, when he was told he had been reprieved until Nov. 8.

Carson has not spoken a word for two years. Even after failed to loosen his tongue and although experts have pronounced him sane after repeated examinations, doubt still remains as to his mental condition. Acting Governor Wallace granted the reprieve yesterday on that ground.
Carson attacked a guard during a prison break six years ago. He was sentenced to death under the law which makes an assault with a deadly weapon upon a fellow prisoner or guard a capital offense.

T. L. Parks, Murrayville, Ga., Route 1, is in his 72nd year, and was recently cured of a bad kidney and bladder trouble. He says himself: "I have suffered with my kidneys. My back ached and I was annoyed with bladder irregularities. I can truthfully say, one 50c bottle of Foley Kidney Pills cured me entirely." They contain no habit forming drugs. HAWLEY ASKED TO TAKE THE STUMP FOR GOV. WILSON

Idaho Claims the Distinction of Having Lead in the Stampede to the Nominee at Baltimore.

Governor James H. Hawley will probably be enlisted by the Democratic national committee to speak on national issues under its auspices in nearby states. He has been made a member of the national advisory committee, of which William Jennings Bryan is chairman, and which co-operates with the advisory committee of the general advisory committee of the national Democratic committee. Chairman McCoombe of this committee has requested Governor Hawley to make a report to the national committee on the status of possible Democratic victory in the state of Idaho and upon completion of his present political tour will forward a favorable report, for he has been deeply impressed with the sentiment on national and state politics since starting out on his itinerary, according to reports received from him by his private secretary, Fred Flood.

In a statement issued today Fred Flood, private secretary to the governor, called attention to the attitude assumed by the Idaho delegation at the Baltimore convention, which was under the leadership of Governor Hawley as chairman, showing that it was Idaho's vote that led the procession in that convention in the landslide for Woodrow Wilson. He also declares that the governor has been very favorably impressed with the political outlook over the state while on his present political trip.

Opponents Assure Support.
"I received word from Governor Hawley this morning that he opened his campaign in northern Idaho before a large and friendly audience at Lewiston Monday evening, and that he finds the Democracy of that section united and enthusiastic in favor of the national, state and county tickets, while the Republicans are torn by bitter dissensions and appear pretty equally divided between the standard and Bull Moose elements," said Fred Flood, secretary to the governor. "The governor was given assurances of support by many of his political opponents and is thoroughly satisfied with the outlook. He further states that it is his purpose upon his return to southern Idaho to give at least one address upon national issues as he is in thorough accord in every detail with the splendid platform adopted at Baltimore and is doing all in his power to aid in the overwhelming triumph in Idaho for Wilson and Marshall. The governor has been invited to make speeches in several of the nearby states in behalf of the national ticket and if he can possibly find time may make a brief trip into nearby points in eastern Oregon."

Led Procession at Baltimore.
"In this connection I desire to call attention to the action of the Idaho delegation at the Baltimore convention," said Mr. Flood. "Under the leadership of Governor Hawley as chairman, the eight votes of Idaho were cast for William J. Bryan for temporary chairman and the solid vote of the state was also cast for the Bryan anti-Ryan-Belmont resolution. Upon one ballot Idaho's united vote was given to Mr. Bryan for the nomination for president in the hopes of a general stampede to the Nebraskan. On another ballot this vote was given to John W. Kern of Indiana, Mr. Bryan's close personal friend and supporter, and on the final day it was Idaho's vote that led in the procession to Wilson."

If your watch passes through our repair department and does not give satisfaction we will give a new movement in exchange.

25 CENT "DANDERINE" FOR FALLING HAIR AND DANDRUFF—GROWS HAIR

Don't Pay 50 Cents for Worthless Hair Tonics—Use Old, Reliable, Harmless "Danderine."

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.
There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast.
A little Danderine tonight—now—anytime—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application you will say it was the best investment you ever made. Your hair will immediately take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.
