

HOW TO VOTE THE PROGRESSIVE TICKET

This is a sample of the ADA COUNTY ballot to be voted Tuesday, Nov. 5, including only the Presidential Electors, the State Tickets and the Legislative Tickets.

On the regular ballot the County Tickets will follow right after the Legislative candidates.

The County Auditor in each county arranges the ballot to suit himself and in some counties the Electors Progressive Ticket will be found in the SECOND column, while in other counties it will be found in the Third, Fourth, Fifth or Sixth column.

In order to vote for Senator Borah it will be necessary to vote for the Republican candidates for State Senator and State Representatives in each county except in counties where there is a Progressive Legislative Ticket on the ballot.

This sample is written in and marked as it should be when you vote, changing only the Legislative ticket to suit your county.

Write in the names of H. Harland, E. M. Harris, L. M. Earl and H. C. Olney for Presidential Electors in the column headed "ELECTORS PROGRESSIVE TICKET" and place an X in the circle after each name, just as we have written and marked the names in the sample ballot below.

Write in the name of P. M. Smock under the head of "Representative in Congress" and place an X in the circle after his name. Then place an X in the circle after the name of Burton L. French in the Republican column.

Then place an X in the circle after the names of G. H. Martin, T. O. Boyd, O. V. Badley, C. C. Miles, John E. Yates, Adam Barclay and F. H. Skeels in the Progressive column. Then move over to the Republican column and place an X in the circle after the name of the Republican candidate for State Senator in your county and place an X in the circle after the names of the Republican candidates for State Representatives in your county, in order to vote for Senator Borah (except in those counties where there is a Progressive Legislative ticket).

The Electors Progressive Party made no nominations or indorsements for Justice of the Supreme Court or Superintendent of Public Instruction, but as State Chairman I would recommend that all Progressives place an X in the circle after the name of Arthur M. Bowen, in the Democratic column, for Justice of the Supreme Court, and an X in the circle after the name of Grace M. Shepherd in the Republican column for Superintendent of Public Instruction.

J. H. GIPSON, Chairman Progressive State Committee.
