COLONEL ROOSEVELT'S APPEAL TO MEN AND WOMEN OF IDAHO.

Chicago, Ill., Oct. 12, 1912.

"J. H. Gipson, Chairman, and Paul Davis, Secretary of the Progressive State Central Committee:

"Through you I desire to appeal to the men and women of Idaho not to permit themselves to be disfranchised as the court has sought to disfranchise them. It is impossible to protest too strongly against what is literally the infamy of this decision.

"Every upholder of law and order and every sincere well wisher of the cause should take the lead in condemning such utterly reactionary conduct by a reactionary court.

"Absolutely without warrant of law and in the interest only of the great apostles of special privileges in politics and industry, the reactionaries wish to disfranchise the people whom they recognize in the Progressive party as the only party which really and in good faith stands for the people.

"It is an attempt to beat the cause by trickery and chicanery because those who inspired the attempt know that they have no chance of success in a fair and open fight before the people themselves.

"This action by the court has shifted the issue in Idaho to a square issue as to whether or not the people are to be allowed to express their deliberate judgment. It is an

attempt to stifle such expression of deliberate judgment by the people.

"It was an infamous thing for the Republican state central committee to bring such an action and the decision by the reactionary, partisan court before which it was brought was against the law, against equity, against justice and against the whole course of decisions in all our American courts.

"I have a right to ask now that not only every progressive but every honest man and every honest woman in the state stand with us. The Republican state central committee and the reactionary court are counting upon the hope that individually men and women will not take the trouble to write in the names of the Progressive candidates on the ballot.

"I appeal to the men and women of Idaho to disappoint this hope and frustrate the outrageous conduct of the reactionaries. (Signed) "THEODORE ROOSEVELT."

LEST WE FORGET.

Things to be remembered by every Progressive voter in the state of Idaho:

Remember the nomination was stolen from Roosevelt after the Republicans in Republican states at direct primaries had declared for him in overwhelming numbers.

Remember that this stolen nomination was given to Taft.

Remember that Clagstone was counted out of the nomination which was given to Haines, the choice of the special interest crowd in Idaho.

Remember that the Republican state central committee in Idaho brought suit for the purpose of disfranchising Roosevelt's friends, and force them to vote for Taft.

Remember that the supreme court sustained this suit and made it necessary to write in the names of the Roosevelt electors in order to vote your choice.

Remember the attempted assassination of Roosevelt. Remember Roosevelt's plea to his friends not to be disfranchised.

Remember that Haines and Hawley are both the candidates of "The Interests" in Idaho.

Remember that Martin and his associates on the Progressive ticket are the only candidates standing out squarely and fairly for the people.

Remember that "The Interests" desire the defeat of Borah and that unless he has a friend elected as governor they may accomplish their purpose.

Remember that Martin is the only friend Borah has running for governor and that Senator Borah knows this. Remember to vote the entire Progressive ticket.

The Usual Way.
"Truth crashed to earth will rise again," but nine times out of ten the automobile gets away first.—Lippincott's.

Feminine Obstinacy.
Women certainly are obstinate creatures. One in Boston is contesting the dictum of three courts that declared her dead.—Baltimore American.

THE REPORTS AVAILABLE SHOW there are about two hundred transients coming to Boise every day. Part of those people want a room. The for rent columns are the first place they look. Your room offered there would be a good way to secure a roomer.

He Took No Chances.
"Why, John, what do you mean by burning our old love letters?"
"I have been reading them, my dear. After I die some one who wishes to contest my will might get hold of them and use them to prove I was insane!"

Another Tradition Exploded.
(Chicago Record-Herald.)
"I am in receipt of a surprising letter from a young man who is just out of college."
"What is surprising about it?"
"He uses faultless English and his penmanship is so good that I can read every word right off."
