HOW SOUTHEAST WAS SWUNG INTO HAINES COLUMN

Progressive Sentiment Was Strong Until Powerful Influences Were Put to Work for the G. O. P.

J. C. Brandon, one of the active workers for the Progressive party in Fremont county, and Wood D. Parker, editor and publisher of the Teton Peak-Chronicle, a newspaper which did valiant work in behalf of that party, join in a statement to the Capital News that what appeared to be certain victory in that county a week before election was turned into defeat by solicitation on the part of the Republicans...

"But our ranks are unbroken and their hearts undismayed; and now with an organization in every precinct, we are in splendid shape for the future. Accept our thanks for your splendid fight, and be assured the boys of old Fremont are still with the Progressive party."

"Douglas Hix, Socialist candidate for county attorney, wielded a trenchant pen for the Progressive party, and but for his alignment with that party before the Progressive party was born, we would have had his personality with us, as well as the aid of his pen."

"Very respectfully, J. C. BRANDON, WOOD D. PARKER, 'St. Anthony, Nov. 8, 1912.'"

Remarkable Situation Shown. In connection with the above letter the talk among Progressives, Democrats and Republicans alike is recalled relative to a situation that developed in Fremont county during the campaign and after the votes were counted. The Progressive workers in Fremont county all reported that the Progressive strength was very strong through the southern part of the county. This, they said, was particularly true in and about Rigby. These reports were confirmed by Democrats and Republicans who had visited the county, some of whom are residents of the county, and the statement was made by such visitors that it was expected that Roosevelt would carry Rigby by a large vote.

According to the returns published in the Rigby paper, there were something over 400 votes cast in that precinct all told, of which the Roosevelt electors got just one vote. Progressive leaders in Boise are offering a reward for any like result achieved in any other precinct of the same size in the United States, outside the seven southeastern counties of Idaho and outside the state of Utah.

BANK CREDITORS ARE PROTECTED

Reorganization of the Bank of Culdesac Under New Name Effected.

The Bank of Culdesac, closed several weeks ago by State Bank Examiner V. W. Platt after an examination disclosed its condition, has been taken over by and through the organization of the Farmers' State Bank of Culdesac, which opened yesterday. When the Bank of Culdesac was closed the liabilities were approximately \$17,000, but considerable bankable paper, and other assets were on hand, which greatly reduced the loss sustained. State Bank Examiner Platt has labored persistently to effect a reorganization by which the business of the institution could be carried on. The new bank is strongly officered and has a large number of the most prominent farmers and business men of the Culdesac section as stockholders. In the adjustment of the affairs of the Bank of Culdesac, the stock-papers which protect all depositors and creditors from loss and the business will be carried on by the new organization.

The new bank is capitalized for \$15,000 and the officers are: J. W. Johnson, president; Theo Mattson, vice president; A. T. Nelson, cashier. The directors are the above named officers and W. L. Caster, George Wyman, John M. Syron and Albert Sogard. The president and vice president are prosperous farmers of the Culdesac county; Mr. Nelson, the cashier, is from Moscow, and both farmers and business men are included in the board of directors. The institution is also provided with a financial committee; the personnel of this body being: President Johnson, Vice President Mattson, Cashier Nelson, W. L. Caster and Fred Wasem. It will be the duty of this body to direct the business finances of the new bank.

The stockholders are: J. W. Johnson, Theo Mattson, A. T. Nelson, John Kennedy, C. J. Narbo, A. Sogard, W. L. Caster, W. N. Rogers, George Wyman, Mrs. E. F. Carlisle, Dr. J. H. Ragdale, Dr. J. N. Alley, Fred Wasem, A. Kalline, J. E. Laramore, Pat Sculley. Among the present stockholders and officers who were interested in the Bank of Culdesac are: Mr. Johnson, Mr. Mattson, Mr. Kennedy, Dr. Alley, Mr. Laramore and Mr. Sculley.

NOT CANDIDATE FOR APPOINTIVE OFFICE

Wilbur S. Hill, editor, manager and publisher of the Twin Falls Times, who was mentioned as a possible aspirant for the appointment of Immigration commissioner under Governor-elect John M. Haines, declares that he has no ambition to fill that office and wishes to correct any impression that may have been given that he had. The name of C. N. Hill was mentioned in a political story published, the report being to the effect that he was a newspaper man of Twin Falls, and might be appointed or at least was considered as an applicant for immigration commissioner. Wilbur S. Hill declares he is the only Hill in Twin Falls who is in the newspaper business and it has been taken for granted by his friends that he was the Hill referred to, although the initials were wrong. He most emphatically denies that he has aspiration along an appointive line under the state administration.

Declare War on Colds. A crusade of education which aims "that common colds may become uncommon within the next generation" has been begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold: "Don't sit in a draughty car." "Don't sleep in hot rooms." "Don't avoid the fresh air." "Don't stuff yourself at meal-time. Overeating reduces your resistance." To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by all dealers. Adv T Th S

The Engineers in the City bowling league won from the Bankers last night taking the money changers down the polished boards to the tune of two out of three games, while in the Commercial league the Idanha five handed the same medicine to the Carlson-Lusk team. The City league bowlers bumped over the 200 mark at least four times, F. Wyman taking the high score of 247 and Packard following second with 236. Morley of the Engineers was the only compass man able to get over that mark. The scores:

STOMACH MISERY JUST VANISHES

Time It! No Indigestion, Gas or Sourness Five Minutes After Taking "Pape's Diapepsin."

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, un-digested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache—this is indigestion. A full case of Pape's Diapepsin costs only fifty cents and will thoroughly cure your out-of-order stomach, and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these fifty-cent cases, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve you, out-of-order stomachs or indigestion in five minutes. Diapepsin is harmless and taste like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many Diapepsin cranks, as some people will call them, but you will be cranky about this splendid stomach preparation, too, if you ever try a little for indigestion or gastritis of any other stomach misery. Get some now, this minute, and forever rid yourself of stomach trouble and indigestion. Adv.
