ATTACK MADE ON COMMISSION AT GRANGE MEETING

Resolution Demanding Changes in Public Utilities Law to Be Adopted—Farm Markets Bureau Indorsed.

Nampa, Jan. 18.—In today's session of the State Grange convention which is in progress in this city, interest largely centered in the resolutions recommending the enactment of legislation by the present state legislature which the Grange holds to be of paramount interest to the farmers of the state.

This morning a resolution in support of the state department of farm markets was adopted and the resolution indorsing this department of the state government was also adopted.

Other resolutions bearing upon other phases of legislation demanded of the present legislature than the two resolutions previously referred to will be under discussion.

DRAIN ON SUPPLY OF WHEAT CAUSES ADVANCE IN PRICE

Possibility of Increased Hostilities on Commerce Ignored by Traders—Crop Reports Handicap Bears.

Chicago, Jan. 18.—Prospects of an increasing drain on the rapidly diminishing domestic supply of wheat tended to cause an advance in prices today. German interference with commerce from South American ports appeared to have a growing influence with the bulls, where as the possibility of enlarged hostilities on routes from the United States to Europe was temporarily ignored.

Pessimistic crop reports from Kansas acted as a handicap to the bears. Opening prices, which ranged from the same as yesterday's finish to 1/4c higher, with May \$1.88 to \$1.88 1/2 and July \$1.50 1/2 to \$1.51, were followed by a downturn and then by substantial gains all around.

In later trading attention centered more and more on the supply and demand conditions that suggested the complete elimination of surplus supplies in the United States and that seemed to indicate a possible scarcity before a new crop. The close was strong, 1/4 to 1/2c higher. Closing prices:

Wheat—May, 1.90; July, 1.53 1/2.
Corn—May, 1.02 1/2; July, 1.00 1/2.
Oats—May, 59 1/2; July, 56 1/2.
Pork—May, 29.37; July, 29.10.

TOP PRICES PAID FOR HOGS AT SALE

Caldwell, Jan. 18.—The pure bred Poland China hog sale at the ranch of A. L. Wilson, the well known pure bred Poland China hog breeder near Greenleaf, yesterday, is declared by the officers of the Commercial club of this city who attended it to have been one of the best pure bred stock sales ever held in the northwest. The top prices demanded by sows was \$92.50 per head, while that commanded by gilts was \$85 per head. The first 30 head sold brought an average price of \$59.50 per head. The general average price secured was \$48.50 per head.

The rapid development of the tributary country to be a thoroughbred stock section is reflected through the fact that all of the hogs sold were purchased by farmers in the Deer Flat section with the exception of two which were purchased by J. F. Hubert of Nampa. More than 150 people were in attendance at the sale.
