

Little News of Boise

LOSES PART OF HAND.

Elmer Bird accidentally shot a part of his left hand off this afternoon with a shot gun. He was out hunting rabbits when the accident occurred. The injured man was taken to the office of Dr. Stewart and then hurried to St. Luke's hospital for an operation.

PERFORMS TWO MARRIAGES.

The probate court was the scene of two weddings today. At 11 o'clock Judge Dunlap married Thomas Benjamin Wymer and Miss Della Hawk of Kona and at 2 o'clock James W. Parker of Dayton, Ohio, and Miss Nora Gladys Miller of South Boise.

Charles Rathbun has taken out a permit to build a garage in the rear of his residence at 909 North Nineteenth street, to cost \$250.

TO BUILD SUN PARLOR.

Mrs. O. P. Johnson has taken out a permit to build a sun parlor on her home, 712 North Ninth street.

STOPS BAD RUNAWAY.

John W. Mitchell, one of the fire fighters at No. 2 station, is in line for a Carnegie medal for bravery. Through his quick action Thursday evening a runaway horse attached to a surrey in which there were a woman and two little children was stopped. A rubber tire on the front wheel of the surrey was cut in two and the wire flapping over the wheel struck the horse and frightened him. He ran a block when Mr. Mitchell, out exercising the fire team, jumped from a horse and into the surrey, stopping the runaway.

NAMPA COUPLE MARRIED.

Ralph E. Montelth and Miss Anna M. Hatfield, both of Nampa, were married at the manse of the First Presbyterian church on Tuesday evening, Dr. Donaldson officiating.

TO PRAY FOR GUIDANCE.

There will be a special service of prayer at St. Michael's cathedral this evening at 7:30 p. m., with full attendance of choir, and address by Bishop Funsten. In view of the grave consequences which have come upon our beloved nation, let us all attend and earnestly pray for God's divine guidance in this hour of greatest need.

ELKS TO ATTEND SERVICE.

Boise lodge of Elks, No. 310, will attend services at Christ Episcopal church Easter night at 8 o'clock. The church has been beautifully decorated for the occasion, the national colors predominating. Rev. D. H. Jones, who is chaplain of the Elks, preaches an annual service to his brothers every Easter and his church is always crowded with members on that occasion. The Elks lodge, he states, is not only charitable, but purely American as well and patriotic, and his sermon will be one fitted to the occasion.

EXPRESSION OF REGRET.

The members of the Westminster Presbyterian church Thursday night following the regular prayer meeting, held a fellowship meeting at which resolutions of regret were adopted because of the losing of Rev. McLain W. Davis, who departs next week for Brownsville, Ore., to become pastor of the First Presbyterian church. It was pointed out at the meeting that the church closed its fiscal year free from debt and had donated \$100 for benevolent purposes. A Ketchen and William Smith were re-elected elders of the church and D. B. Orr and E. F. Robb trustees.

DEMURRE IN LIQUOR CASE.

Roy Williams charged with the sale of intoxicating liquor for beverage purposes, did not plead yesterday as a demurrer to the complaint was filed by his attorney. Judge Davis set Saturday following the call of the motion calendar, as the date to hear argument on the demurrer.

JURY TO REPORT APRIL 16.

The 25 jurors ordered to report in the district court before Judge McCarthy on April 7 need not report until April 16. A postponement of the case of Vincente Bilbao and B. B. Howard was necessitated for the reason that Howard is still snowed in on the Hill City branch and cannot reach Boise on the date set for the trial. On April 19 the jury is to report to Judge Davis, who has two criminal cases set for that date, one the state versus W. R. McKeeth and the other the state versus Go Ni, and one of these cases will be heard by a jury.

THIRTY-EIGHTH INCHES OF SNOW.

The condition of the weather at Lowman is indicated by a telephone message received by J. G. Green of Boise from one of his neighbors living near his ranch, four miles above Lowman. J. J. Robertson, who sent in the message, requested permission to use the hay stored in the barn at the Green ranch, which is half a mile from the Robertson place on the south fork of the Payette river. Mr. Robertson stated the snow was 38 inches deep all along the river and unless he could get hay

Overalls and Jumpers Are Just the Thing

—to wear when you're milking the cow and grooming the horse; they're made for the occasion.

—But a man can't always be dressed for farm chores. The average man must be dressed, most of the time, in clothes that will "get him by" in this busy, hurry-up, bustling world where men are quickly judged by the "front" they put up—by their personality.

Let the man who has not yet bought his new spring suit take a look at himself

—Don't those winter togs look a bit rusty for your own good?

—That question settled, what then? To know where to buy.

—Now, every man who thinks of clothes at all has a certain idea as to how he would like to look and most every man wants to get the most in STYLE, SERVICE, SATISFACTION and VALUE for his money. He wants clothes that fits the surroundings—clothes that will reflect the best there is in him.

When the Clown Comes on the Stage

—the audience chuckles—there is a laugh coming and a big one. Dress yourself like a clown and you'll get a laugh, too.

—But a lot of men get the laugh who don't wear clowns' clothes—men who have been unfortunate enough to select, or have selected for them, the wrong SHIRT or NECKTIE for their personality and complexion.

—MORAL—when you need a new Shirt or Tie, go to a man's store where the largest selections of correct patterns and colorings can be found—then take time to select the one that is most becoming to you.

It won't take you over five minutes to get the particular Shirt and Tie you want for Easter if you come here for it.

—Shakespeare said there were seven ages of men. When we planned our Easter Shirt and Tie Week, we were particularly interested in the following four classes:

FIRST—The young lad just getting into men's clothes—whose modest task it is to conquer the world and its obstacles.

SECOND—The young man as fastidious as he is vigorous—"the glass of fashion and the mould of form."

THIRD—The more mature man with youthful leanings, who feels himself young and insists upon wearing shirts, ties, etc., that make him look young.

FOURTH—The settled, conservative type of man—he may be anywhere from 25 to 75—upon whom the world largely depends to maintain its equilibrium and whose taste is equally remote from drabness.

—We have collected Shirts and Ties for men of each of these ages—better, we believe, than you are likely to find elsewhere for the money.

—Mighty good Shirt priced at79c and \$1.00

—Unusually fine Soisette and Madras Shirts with either starched or French cuffs at \$1.29 and \$1.50

—Beautiful Silk Striped Madras Shirts at . . \$1.95

—Distinctive, Pure Silk Shirts at only . . . \$4.45

—And, don't think for a moment that you will have any difficulty in finding them—there are plenty of good, stylish men's shoes in Boise. But there is one fact that we want to be very frank in calling to your attention and that is that you can still get good shoes at the Golden Rule at moderate prices.
