

Feel Lame and Achy?

Colds and grip have thousands with weak kidneys and aching backs. The kidneys have to do most of the work of fighting off any germ disease. They weaken—slow up, and you feel dull, irritable, or nervous—have headaches, dizziness, or backache, sore joints and irregular kidney action. Then the kidneys need prompt help. Use Doan's Kidney Pills. Thousands praise Doan's for quick, satisfactory results.

A Utah Case

W. W. Robinson, First East, near First North St., American Fork, Utah, says: "I know Doan's Kidney Pills to be just what is claimed for them. For months last winter I was suffering with a steady ache and pains across my kidneys. The slightest motion which caused any strain on my back sent those pains through it. A druggist recommended Doan's Kidney Pills, so I tried them. Doan's completely cured me of the attack."

A toilet preparation of merit. Helps to eradicate dandruff. For Restoring Color and Beauty to Gray or Faded Hair. 50c. and \$1.00 at Druggists.

LOOK AT CHILD'S TONGUE IF SICK, CROSS, FEVERISH

HURRY, MOTHER! REMOVE POISONS FROM LITTLE STOMACH, LIVER, BOWELS.

GIVE CALIFORNIA SYRUP OF FIGS AT ONCE IF BILIOUS OR CONSTIPATED.

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of the little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by the "California Fig Syrup Company." Refuse any other kind with contempt.—Adv.

War Terms.

"War terms now penetrate all classes of society," said Judge Allen E. McCumber of Charleston.

"A Herculean woman had her husband, a small, frail man, haled before me for desertion.

"Well, sir, what have you got to say for yourself?" I asked the man.

"Me a deserter, judge?" he whined pitifully. "Look at these here lumps on my head. Look at this black eye. I ain't no deserter, judge. I'm a refugee."

Keep the Trench Fires Burning.

In the trenches there was one man who made himself especially conspicuous by smoking constantly. One of the fellows asked him why he smoked all the time and he answered: "There isn't a blame match in this dugout and if I quit the rest of you fellows won't have a smoke."

Keep your liver active, your bowels clean by taking Dr. Pierce's Pleasant Pellets and you'll keep healthy, wealthy and wise. Adv.

It's going to be mighty difficult even after peace is made to treat a German as a friend.

Toys for Baby

Canton flannel, elderdown flannel and plushes are used for the doggies, ponies and circus animals that prove absorbingly interesting and dear to his babyship. Patterns for them can be bought from any of the standard pattern companies and they are stuffed with sawdust.

The doll pictured can be made to go through many antics. She is without a body and her coat is to be slipped on over the fingers of whoever undertakes to amuse the baby. She will bow her head, wave her arms and dance.

Something for Mother

Here is a pretty pedestal supporting a small basket to be used for bonbons or as a sewing basket or for table decoration, now that artificial flowers are a part of house furnishings. It is made of paper rope and is gilded. It is a very substantial bit of decoration, suited to almost any room in the house.

To Wrap Baby Up In

The baby can't be kicked out of this cozy garment when he is rolled out in the keen, wintry air or put to sleep by an open window, so that every one of his relatives will want to make him a Christmas present of it. It is made of elderdown flannel and has flaps that button up over the hands and feet and a hood that can be drawn up close about the face.

Of Crepe and Lace

This combination or envelope chemise is so sheer and dainty that it is just the sort of gift that one woman will like to give to another. It is of flesh-colored crepe de chine, with insertions of fine filet lace. Little flowers in small French knots are embroidered on it in pale shades of pink and blue. The yoke is novel, simply four triangles with points joined at the shoulder with little chiffon roses.

For Boys "Over There"

Each soldier "over there" is to be allowed one Christmas package from home, and only one. Here is a small, waterproof portfolio containing a writing tablet, envelopes and a pencil. The donor might slip a few unmounted photographs in it, too. It is made of a long strip of black oilcloth folded up at the ends and machine stitched down to form the pockets. An extra row of machine stitching across one end makes a casing for the pencil. The portfolio is shown closed at the top of the picture. With oil colors bright roses or the flags of the allies or figures clad in khaki are painted on these portfolios.

Christmas Bags

Christmas wouldn't seem like Christmas without the lovely bags of all kinds that women delight in. Some of them are rich and splendid and others charm by their daintiness. Here are two that belong to these extremes. The shopping bag is of black satin brocade with silver and has a handsome silver mounting. The other is a powder bag of lavender satin ribbon with a big ribbon pansy on the front of it. The petals are tinted with water colors, making a blossom that looks very real. It carries a powder puff and a little box of compact powder and a small mirror is incised in the reverse side.

A Home-Made Doll

The dolls of yesterday—so beautiful and so cheap—they are no more. It is the war. But no little maid need be without a doll, for it is the easiest thing ever to make one of heavy domestic and paint a face on it. One can buy a pattern of any of the pattern companies and make the body, which is to be stuffed with sawdust. Such a doll dressed and making her appearance at Christmas time will be as much loved as the most fragile waxen beauty that ever came from overseas.

Going Too Far.
"It's time to draw the line somewhere on this food conservation," exclaimed the hired man.
"What's the trouble?" inquired Farmer Cornstossel.
"I overheard your folks out in the kitchen tryin' to get up some way to make pumpkin pie without puttin' sugar into it."

Just it.
"Someone last night stole my incubator."
"What a fowl wrong!"

It sometimes happens that the guy who hesitates doesn't get lost.

Specification.
"The young lady you admire has a regular flower face."
"Yes; isn't she a daisy?"

Acid-Stomach Makes Millions Old Before Their Time

What is it that robs so many people of their vitality, youth and good looks—makes them all in and decrepit, years before their time? Some say it's their stomach that is siling them. Others complain of chronic stomach or liver trouble. Others are bilious. Life is a burden to multitudes of dyspeptics. Severe headache, extreme nervousness, insomnia, mental depression, melancholia, anemia, dizziness, vertigo, heart and chest pains, constipation, etc., claim other multitudes. Sometimes these people are downright sick. More frequently they are just weak, sickly and unlit, not knowing exactly what is the matter with them. Nearly always they resort to medicines of one kind or another in the hope of getting back their health and strength. And nearly always they are disappointed, because medicines don't build strength unless they get the stomach free from acidity, allowing it to take full strength out of the food eaten.

What is it that causes teeth to decay? Dentists say—acid mouth—that the acid formed by the fermentation of small particles of food lodged in the teeth is powerful enough to eat right through the hard enamel. An acid-stomach produces a similar condition. Excess acid retards digestion. Food in the stomach sours and ferments, causing pain. Gases affect the heart action. The intestines become the breeding place for countless millions of deadly germs or toxic poisons. These poisons are carried by the blood into every part of the system. The famous scientist, Metchnikoff, said—if the system could be kept free from these toxic germs, people might easily live a hundred years or more.

The only safe thing to do is to rid the stomach of its excess acid at once. A way has been found in the wonderful preparation, called EATONIC—a compressed compound that absorbs the excess acid and carries it away through the bowels. Thousands upon thousands now know how to get their stomachs properly cleaned up to clean out the excess acid and leave the stomach sweet, cool and strong—giving it a chance to properly digest food so that you get full strength of what you eat and in this way help Nature build up vigorous health, strength and vitality to take the place in a few days, of sickness, lassitude, weakness.

EATONIC is worth your trial. Its possibilities for restoring health, vigor, energy and vitality are beyond telling you in mere words—you must "just try it."

EATONIC is absolutely guaranteed, so get a big 50c box from your druggist. If it does not help you your money will be refunded. If your druggist does not keep EATONIC, send your name and address to the Eatonic Remedy Company, 1015 E. Wabash Ave., Chicago, Ill., and they will at once mail you a 50c box and you can send them the money for it after you receive it.

Trust, and Fear Not.

"He saith, 'A whole I planned, Youth shows but half; trust God—see all, nor be afraid.'"—Browning.

Of Course.
"My new play is called 'A Bunch of Kings.' 'You ought to get a lot of royalties out of it.'"
