Cottonwood Raises \$33,860 for the Road

Meeting on Saturday was very large.

EVERYBODY SUBSCRIBED

Realized the need of the Road and Subscribed liberally. Other places also do well.

The electric railway meeting held here Saturday was one of the most enthusiastic yet held and when the meeting was called to order the hall was filled to its entire capacity. Geo. W. Coultis was elected chairman and A. L. Creelman secretary and the meeting was then opened with a musical selection by the Cottonwood band. Geo. M. Reed, of Grangeville, then spoke for several minutes about the object of the meeting, value and need of the road, etc., and was followed by John Coram and Atty. Bolton, of Grangeville, J. A. Crom, of Westlake, and W. A. Hall, of Grangeville, who concluded the speech making. Other delegates present were A. C. Eitzen and C. B. Wortman, of Nezperce; J. O. Henry and I. Zehner, of Denver; W. W. Brown, W. Crosby, D. Parkinson, B. C. Wiltse, F. L. Leonard, C. Schmadeka and E. McWhom, of Grangeville. Each of the speakers made earnest, logical talks and held the undivided attention of the large audience. Before the meeting closed it was announced that \$27,000 had already been subscribed toward the road, which announcement was received with cheers. A. L. Creelman and W. L. Brown were then appointed as a committee to complete the business of the town and the meeting adjourned.

The meeting Saturday was the last mass meeting held on the prairie and the committees in the various districts are now hard at work securing as many subscriptions as possible. Following is a list of those who have subscribed amounts to the road to date:

Other places in this vicinity are also doing their part nobly toward the road. The Denver citizens at a meeting held there last Friday raised \$12,200 and will probably swell the amount to \$20,000 before stopping.

The meeting at Keuterville Saturday morning proved very promising and while no subscriptions were made at that time that town will probably raise \$10,000 or \$15,000 toward building the road.

The citizens at Westlake held a small meeting Tuesday and in a short time raised \$10,800 and will most likely increase this to \$20,000 before through.

At a small meeting held at the Pine Grove school house west of Ferdinand Wednesday evening \$850 was raised in a few moments and it is expected that a goodly sum will be raised at the meeting to be held at Ferdinand tomorrow afternoon. The people throughout the country all see the need of realizing this opportunity and all are responding nobly.

Made a fine Ascension.

Wm. Goda, the balloonist, made an excellent ascension here before the railroad meeting Saturday. When the balloon was released it shot swiftly skyward with the aeronaut hanging head downward from the parachute and after ascending as high as possible he fired a torpedo which cut the parachute loose and after falling swiftly for a hundred feet or more the parachute opened up and he sailed majestically downward and landed safely in the corral at the Cottonwood barn. On Sunday he attempted another ascension but when just about ready to go up the balloon caught fire and was pretty badly damaged before the blaze could be extinguished. Mr. Goda left Monday for Westlake at which place he made an ascension Tuesday and from there went to Stites where he will perform again Sunday.

Greencreek Gatherings.

Joseph Nuxoll bought a fine organ from Jos. Kaufman last week.

Joseph Schmidt and Joseph Hoffmann each purchased an upright piano last week for \$325.

Mrs. B. L. Hussmann, of Keuterville, is visiting friends and relatives in this vicinity, as is also Mrs. Nuxoll, of Ferdinand.

The families of J. M. Willenborg and Jos. Nuxoll are rejoicing over the arrival of a baby boy and girl respectively. Congratulations.

A STORY OF THE WEEK

A few incidents that have occurred in the State since our last issue.

A modern pressed brick plant is soon to be placed in operation at Lewiston.

The P. & I. N. road will be extended from Council to Payette lakes this year.

Burglars blew open the postoffice safe at Wallace last week and got away with \$500.

Grangeville boasts the youngest grandmother in the state, in the person of Mrs. O. Moyer, whose first grandchild was born last week. Mrs. Moyer is only 30 years of age.

Fred Anderson, a Russian Finn who was tossed into the air by an O. R. & N. engine while trying to beat the train into Mountainhome Saturday evening on a railroad bicycle, has been adjudged insane and sent to Blackfoot.

Patrick Drain, a farmer living near Pullman, Wash., recently sold to a butcher at that place a 3 year old pure bred Hereford steer which weighed 1905 pounds and brought its owner \$80.96. It evidently pays to raise pure bred cattle.

The board of control of the state penitentiary has decided to erect another wing to accommodate the increase in the number of prisoners. The new structure will be made to accommodate between 150 and 200 convicts. Work is to be commenced as soon as the brick can be manufactured in the prison yard.

A dispatch from Washington says Chief of the Forestry bureau Pinchot announces the creation of six additional reserves and two additions to reserves in Idaho, involving the withdrawal of eight million acres of public land, as follows: Henry's lake 500,000 acres, to the eastern portion of Fremont county; Sawtooth, 1,800,000 acres in Boise county; Payette, 1,000,000 acres in Idaho county; Squaw creek, division of the Weiser, 3,000,000 acres, eastern portion of Washington county, Shoshone, 1,000,000 acres in Shoshone county; Kootenai, 50,000 acres in Kootenai county; addition to Yellowstone reserve, 200,000 acres northwest corner of Bingham county; addition to Bitter Root, 450,000 acres in Idaho county.

Card of Thanks.

I wish to express my sincere thanks to the many friends who rendered such kind and timely assistance in my recent bereavement. Their kindness will be long remembered.

ried from Germany, is now critically ill at the residence of Nick Adehm. Dr. Turner is the attending physician.

ADDITIONAL LOCAL.

Fresh bread for sale at the Idaho hotel.

Fresh onion sets just received at Goldstone's.

Have you dandruff, falling hair, itching scalp or baldness, if so get a bottle of Miero, at Briley's.

Miss Laura Coultis will return to Cottonwood soon from the University and will organize a class in music.

Through the kindness of Senator Heyburn we are in receipt of a small sack of government seeds which we will divide among any of our subscribers wishing them.

A couple pick-up ball teams played a game Sunday afternoon on the local ground for the amusement of quite a crowd of spectators. The score resulted 15 to 5.

Feel tired, no appetite, cannot sleep, work or eat? That's spring tiredness and will disappear at once if you take Hollister's Rocky Mountain Tea this month. 35 cents, Tea or Tablets. Briley.

Superintendent Carpenter was visiting schools on this side of the prairie the fore part of the week. He said he had received some very fine samples of work from the different schools, which would be sent to the Portland fair as a part of Idaho's educational exhibit.

H. A. Janes informs us that the brick machine he and Mr. Duke have ordered is expected to arrive about the middle of next month and work will then be commenced at once on the yard in the north end of town with the intention of having a kiln of brick burned just as soon as the work can be accomplished.

Were well Pleased with the Band.

Judging from the remarks heard on all sides Saturday the people were agreeably surprised and pleased with the performance of the Cottonwood band on that day. Knowing that the boys had been practicing less than three months and that few if any had ever had any previous training of any kind, the people were prepared to listen to some pretty poor playing and would not have been greatly surprised to see them break down several times but instead they played the pieces through with hardly a mistake and acquitted themselves very creditably. The boys have been practicing hard for the past couple months and under Mr. Moden's excellent instruction expect to be able to furnish some pretty good music by July 4th.

Died While Asleep.

Mel. Eccles a young man who has been staying in town for some time and receiving medical treatment, was found dead in his bed Monday morning at Claud Robbins' place where he had been stopping. The young man had been afflicted for several months with inflammatory rheumatism and was expecting to leave in a few days for the hot springs to try and benefit his health but death came while he was asleep and he passed away as peacefully as a child. The deceased was about 32 years of age and had been a resident of this county for a number of years having settled on a piece of land on Salmon river nearly 12 years ago. He was the eldest son of the family and leaves an aged father, mother and one sister to mourn his loss, one brother having preceded him to the better land. Mel. was well liked in this section, where he was best known, and has many friends who will sincerely mourn his untimely departure. He was a member of the local K. P. lodge and was buried Wednesday morning by that order, Rev. Duke conducting the services at the grave.

The Cottonwood Silver Cornet Band will give an open air concert on the street near the postoffice on Wednesday evening, May 3d, at 6:15 o'clock. All are invited.
