We are glad to number Mr. Crocker among our readers and hope he may come here to locate and bring friends with him as that part of our county needs more people on the land and will develop into a rich diversified farming district as time passes.

**Holiday Opening Saturday, December 2nd**

**Christmas Suggestions**

Holiday buying is easy in our store. The question of what to give is easily solved when you see our stock. A study of our offerings is a pleasure, rich in holiday inspirations and suggestions.

Even if Santa Claus had helped to buy the holiday goods we are showing, our store could not have been made to look more like a corner of his great Christmas Gift Shop. There are presents for Boys and presents for Girls; and we haven't forgotten that their Fathers and Mothers are just boys and girls grown up and that they like things in their stockings too.

**See Our Toy Display.**

Never before have we shown such a large assortment of Dolls and Toys to gladden the hearts of the little ones.

Let us all remember that we were small once and how glad we were when Christmas came and we were well remembered, so let us do our part in pleasing the little ones and making them happy.

No, do not forget Boys and Girls, that from now until Christmas we are going to show and sell the things you all like best. Come and see them, and Good Old Santa will do the rest to please you on Christmas.

Some of the useful things for all, that will make the best kind of a gift---a Suit of Clothes, an Overcoat, Hat, Shoes, Shirts, Gloves, Neckwear, and many other things for Men. A New Dress Pattern in silk or wool, a Set of Furs or a Muff, a new Coat, Gloves, Silk Hose, and many more useful things that go a long way toward making any one happy.

We extend a cordial invitation to all to come and shop in our store, look over what we have, and we are sure you will find just what you want.
