The Hustling, One-Price Clothier, is making the old, hide-bound, get-what-you-can establishments hunt their holes. That's why we are having such a rush of business even this fall.

We Have Caught On

to these facts and are selling Clothing so that no one need go poorly clad: Our prices for Suits are way down below what you have ever known before, and our Overcoats only need be seen to know why we are doing three-fourths of the business in this line. Come and see us and we will do you good.

- Boys' Overcoats at all prices from \$2 up.
- Best Arctics, men's, at \$1.25 per pair.

Few people know that all plants contain digestive principles. They cannot absorb their food until it is digested any more than animals can. The Mount Lebanon Shakers have learned the art of extracting and utilizing the digestive principles, and it is for this reason their Shaker Digestive Cordial is meeting with such phenomenal success in the treatment of dyspepsia. The Shaker Digestive Cordial not only contains food already digested, but it also contains digestive principles which aid the digestion of other food that may be eaten with it. A single 10 cent sample bottle will be sufficient to demonstrate its value, and we suggest that every suffering dyspeptic make a trial of it. Any druggist can supply it.

Laxol is the best medicine for children. Doctors recommend it in place of Castor Oil.

In Memoriam.
In memory of Carrie Breedlove, who entered eternal life November 23, 1895.
Dear Carrie now has left us,
But she has left a goodly store,
She has left a world of sorrow,
All troubles now are done,
For she has entered the heavenly portals,
And is with the blessed one;
She is now a heavenly angel,
Her task on earth is done,
Jesus only lent her to us
To remain a little while;
He knows her many virtues,
How her heart was free from guile,
And ye who mourn for Carrie,
Look now to God, alone;
You will soon be with your darling,
Around the great white throne.
We must put our trust in Jesus,
And do as he has bidden,
So when our cares are o'er,
We may enter the realms of heaven.

It Costs Little and Does Much.
Remark when you attend a play or concert how many people disturb the performance by coughing. One man begins and the cough seems to be contagious. The interruption is a great nuisance, and there is no need of it, for anyone may cure a cough with the Pineola Balsam, which costs twenty-five cents. It soothes the inflammation in the throat and loosens the mucous which clogs the air passages. A few doses of Ely's Pineola Balsam stop a cough and heal a sore throat.

Married.
DORINK—BROADWATER—On Nov. 20, 1895, at the residence of the bride's parents, in Bristol, by Rev. O. J. Beyer, of Fredericksberg, Iowa, Miss Amanda Broadwater and Herman Dorink were pronounced man and wife.

Is due to impure blood and cannot be cured with local applications. Hood's Sarsaparilla has cured hundreds of cases of catarrh because it purifies the blood and in this way removes the cause of the disease. It also builds up the system and prevents attacks of pneumonia, diphtheria and typhoid fever.

Hood's Pills become the favorite cathartic with every one who tries them.
