Our County Ticket.

It is unnecessary that we say a word in disparagement of the candidates for office on the republican ticket. They are known to our people who are capable of a correct estimate of the men and of their fitness and ability for the work before them.

So likewise they know the democratic candidates and know also that they are fully as competent to serve the public and promote its interests as are their rivals for the offices named. They are honest and capable, and worthy of the positions for which they have been nominated.

F. C. WOELLSTEIN, candidate for Supervisor is a business man in Cresco and is noted for honest business methods, a just appreciation of the rights of others, has a record unblemished by faithlessness to any public interest, is qualified by age and experience to discharge every duty that pertains to this, the most important public office in the county. He is a resident of Cresco, and as there has not been a supervisor from this township since Col. Smedley was its representative on the board more than twenty-five years ago. The population of Cresco and the taxes annually levied and collected from it justify its people in asking a representation on the board of supervisors.

AUGUST SCHIMMING of Saratoga is the worthy nominee for the office of County Recorder. He would bring to the office competence, fidelity to business, affability and a trustworthiness that gains him the respect and confidence of all his friends and neighbors. He is a fit representative of the sturdy farmer element of the county, and is entitled to their earnest support.

F. H. OWENS, candidate for Clerk of the Court is a resident and a hotel proprietor in the village of Chester. He is in the prime of life, a man of the attainments that fit him pre-eminently for the duties of the office. He is a native of Fayette county, came to Howard county with his parents when six years of age and has been a resident of our county for more than a quarter of a century, is well and favorably known by its people and is deservedly popular.

Our candidates are not habitual office-seekers but were placed in the position they occupy by those who knew their integrity, qualifications, and fitness for competent discharge of the duties the respective offices demand from its incumbents.

M. E. Conference Appointments.

Rev. John Gammons arrived Tuesday from conference at Davenport having been returned to the Cresco charge, a fact which is good news to friends both in and out of the church.

Sophrona A. Averill, the daughter of Lerist and Elizabeth Averill, was born on the 26th day of September, 1835, at La Grange, Cattaraugus Co., New York. She was united in marriage to Hiram C. Cunningham at Niagara Falls in the fall of 1858. To this union was born two children, one son who died in infancy, and one daughter, Dolly Elizabeth, wife of C. F. Miller, of this city. She and her husband moved west in 1867, to Howard County, and has been a resident here ever since, except a few years spent on a homestead in Ottertail county, Minn.

She died very suddenly at Perham, Minn., on Monday, Oct. 10th.

She leaves a daughter, grandson and a brother, Ben Averill, of Canton, S. D., to mourn her loss.

When about 18 years of age, she became a member of the Episcopal church and has since been a faithful member.

The funeral was held yesterday afternoon in the Episcopal church, Rev. McVettie, of Decorah, officiating. The interment was in New Oregon cemetery, where husband and parents are sleeping.
