CRUSMAN & CHESNUT. Jan. 3, 1868-4w.

Fancy the Dismay Which would prevail in thousands of households if it should be suddenly announced throughout the United States, Canada, the West India and Spanish America that no more HOSSTETTER'S BITTERS would be manufactured.

The bilious, the feeble, the despondent, the traveler, the voyager, the miner, the sedentary student, the settler on the frontier of civilization, the sufferer, clogged up in crowded city tenements; the convalescent, needing an invigorant; the silvering victim of age, and the nervous of both sexes everywhere, would learn, with grief too deep for words, that the most celebrated corrective, invigorant and alternative of the age, had been blotted out of existence.

DR. SEABROOK'S INFANT SOOTHING SYRUP! We have, by purchase of the original receipt, become sole proprietors of this celebrated Medicine. We ask you to give it a trial with an assurance that you will in future discard all those nauseous and destructive stuffs, such as Bates's Drops, Godfrey's Cordial, Dewee's Mixture, &c., combinations of a past and anti-progressive age, when it was thought that the more disgusting the mixture the better the medicine.

DR. SEABROOK'S Elixir of Pyrophosphate of Iron and Callaya. This elegant combination possesses all the best tonic properties of pyrophosphate of iron, without the disagreeable taste and bed effects of either, separately or in other preparations, of these valuable medicines. It should be taken in all cases when a gentle impression is required—after convalescence from fevers or other debilitating diseases, or in those distressing irregularities peculiar to females. No female should be without it, if liable to such diseases, for nothing can well take its place.

JAMES RUDDLE & CO., Louisville, Ky. PURIFY YOUR BLOOD Hurley's Sarsaparilla!

Of all the remedies that have been discovered during the present age for the "blood and bile that flesh is best to" none equal this wonderful preparation. Only ten years have elapsed since the discoverer (who spent a decade in studying experiments, and selecting it) first introduced it to the public, and it is already recognized by the most eminent physicians in all parts of the country, to be the most surprising and effective remedy for certain diseases of which they have knowledge.

All other Compounds or Syrups of this root have hitherto failed to command the sanction of the Faculty, because on being tested, they have been found to contain useless ingredients which neutralize the good effects of the Sarsaparilla, and often injure the health of the patient. It is not so with Hurley's preparation.

This is the pure and genuine extract of the root, and will, on trial, be found to effect a certain and perfect cure of the following complaints and diseases: Affections of the Bones, Habitual Constipation, Debility, Diseases of the Kidneys, Dyspepsia, Erysipelas, Female Irregularities, Piles, all skin diseases, Liver Complaint, Indigestion, Pleurisy, Pulmonary Diseases, Syphilis, Scrotum, or King's Evil.

HURLEY'S AGUE TONIC! PERFECTLY RELIABLE! The only remedy for Chills and Fever or Ague and Fever that is or can be depended upon is Hurley's Ague Tonic. There have been thousands cured by using it who had tried the usual remedies without benefit; but in no case has

Hurley's Ague Tonic failed to effect a cure. All who have used it cheerfully tell their afflicted friends of it as a sure and certain cure for chills and fever. Any one suffering from the chills would consult their own interest by sending to a drug store and buying a bottle. It is pleasant to take, compared with others, and will be certain to cure all cases of fever and ague or chills and fever. Send for it to the proprietors.

HURLEY'S POPULAR WORM CANDY! As this is really a specific for worms, and the best and most palatable form to give to children, it is not surprising that it is fast taking the place of all other preparations for worms—it being perfectly tasteless, any child will take it.

JAMES RUDDLE & CO., Proprietors. HURLEY'S Stomach Bitters, For Daily Use. Loss of appetite, Weakness, Indigestion, or Dyspepsia. Want of action of the Liver. OR DISORDERED STOMACH. There are no Bitters that compare with these in removing those disagreeable complaints. For sale or can be had at any drug store in the United States; or from the proprietors. JAMES RUDDLE & CO., Louisville, Ky.

Oriental Pearl Drops! For beautifying the complexion, effectually removing tan, Freckles, Blisters, and giving the skin an elegant smoothness not easily attained by any other. Its use among the ladies of the East, gives it a character for efficiency which at once stamps it as infinitely superior for the toilet of any lady.

BETTISON'S English Horse Liniment Has proven itself one of the best Liniments made for Sprains, Bruises, &c., in all cases when used for either man or beast, and will do all we claim for it. Try a bottle, and we are satisfied you will never afterwards use any other.
